Surviving Summer Vacation (Ebook Shorts) Kathi Lipp, 2014-05-06 This summer, it's all about having more fun and less stress. Period. Ah, summer vacation. Sunshine and iced tea. Long, sultry evenings. The kids riding their bikes until the streetlights blink on. Pure bliss. Then, ten minutes later . . . Mom, I'm bored. You bite your tongue to keep from yelling, You know what I'd give to have three months of nothing to do?! Instead, you calmly suggest an activity that will be rejected out of hand. Then repeat. Sometimes hourly. But summer doesn't have to be that way. You and your kids can have a fun, relaxing, and fulfilling summer together with just a little preparation and prayer. Kathi Lipp makes summer as easygoing as it should be with ideas such as · taking trips to the farmers' market (where shopping gets done at the same time!) · kid-focused cooking (that actually gets meals on the table) · assigning summer chores · planning mom-only activities · art activities even moms will love She also gives you short, to-the-point prayers to keep your heart connected to God and your family and includes helpful links to free downloads of a summer calendar, a cookbook for kids, and more. Ready for a summer the whole family can enjoy? With her signature wit and hard-earned wisdom, Kathi shows you the way.

Church of Cowards Matt Walsh,2020-02-25 What Would You Surrender for God? Christians in the Middle East, in much of Asia, and in Africa are still being martyred for the faith, but how many

American Christians are willing to lay down their smartphones, let alone their lives, for the faith? Being a Christian in America doesn't require much these days. Suburban megachurches are more like entertainment venues than places to worship God. The lives that American "Christians" lead aren't much different from those of their atheist neighbors, and their knowledge of theology isn't much better either. Matt Walsh of The Daily Wire exposes the pitiful state of Christianity in America today, lays out the stakes for us, our families, and our eternal salvation, and invites us to a faith that's a lot less easy and comfortable—but that's more real and actually worth something. The spiritual junk food we're stuffing ourselves with is never going to satisfy. As St. Augustine said over a millennium ago, our hearts are restless until they rest in Him. Only God Himself can make our lives anything but ultimately meaningless and empty. And we will never get anywhere near Him if we refuse to take up our cross and follow Jesus. This rousing call to the real adventure of a living faith is a wake-up call to complacent Christians and a rallying cry for anyone dissatisfied with a lukewarm faith.

Wearing the trousers Mireille Tembouret, 2021-05-01 History, function, codes and characteristics of breeches and trousers. The second volume of our Grammar of Western clothing" series. We continue with the rules, codes and characteristics of clothing from the past and the present. Historically linked to the men's fashion wardrobe, breeches and trousers have, more

recently, seduced and become a part of women's fashion as well. They originally wore them for sport activities but also when they replaced men at their jobs during wartime. Women adopted trousers as a key part of their wardrobe for their practicality and representation of women's social evolution and even their independence. Breeches, pants for leisure wear and tailored trouser shapes, functions and details followed this direction, establishing a timeless wardrobe and defining a rich language that is often forgotten today. In this second book, breeches and trousers deliver their secrets to illustrate this social evolution since today, both men AND women are... Wearing the trousers! ABOUT THE AUTHOR Originally a passionate collector of old fabrics and clothing, Mireille Tembouret today oversees the enormous "Vestiaire" (wardrobe), a mix of civilian and religious garments from many eras. The company - with its surprising resources - provides clothing to film, television and theater professionals as well as special-event organizers or private individuals. After teaching fashion design at Esmod Paris and a design career in the Paris fashion industry. She now dedicates her energies to developing her company, based in Paris.

The Art of Laurel and Hardy Kyp

Harness, 2015-01-09 From the early days of film came Laurel and Hardy, a comedy team that created slapstick hilarity from life's simplest situations. Some seventy years after their heyday, Arthur Stanley Jefferson and Oliver Norvell "Babe" Hardy are still remembered for the comic chaos they created in film shorts. They gave us something to laugh at by reminding us of our own foibles, in a way that was genuine and unpretentious. The lanky Stan Laurel (1890–1965) and portly Ollie Hardy (1892–1957) had but one objective: to create as many laughs as would fit in one short film. And that, they did. The book begins by exploring their comedy in the early days of film. A chapter is dedicated to each of "the boys"—Laurel from Ulverston, England, and Hardy from the state of Georgia—as a person and performer. Further chapters explore the slapstick and gags of Laurel and Hardy and how the pair survived the transition to sound that left behind many actors of the day. It was only when they began to work for large studios, churning out cookie-cutter scripts, that their art began to

lose its way. The book takes the reader through the ups and downs of their careers and to a final comeback. A filmography lists works from 1917 to 1951 with information on availability.
