The Vampires' Birthright Aiden James,2012-02-29 A birthright. It should be something no one can ever take away. But that's not how it works in the world of vampires. Especially when that

birthright involves a unique type of blood necessary for an elitist vampire society to remain young and beautiful. Welcome to the continued misadventure of nineteen-year-old Txema Ybarra. The earth's most privileged undead believe they deserve a stake in Txema's blood, and there is power and prestige for whoever controls her ancient bloodline. However, the vampire demon, Ralu, and his burgeoning Chupacabra army crave the same lofty status. Unlike his brother Gustav-ruler of the elite European vampires-Ralu desires the death of Txema, and with it the end of Gustav's two thousand-year reign. As this teenage mother-to-be fights for survival for her and her unborn daughter, the journey to elude Ralu and traitor vampires among Gustav's civilized allies takes Txema across the globe. The race is on to save or destroy two human lives...and determine the rightful holder of The Vampires' Birthright.

The Vampire Lucius Lafayette Sylynt Storme, 2012-12 Stories numbered 5, 6, 7 and 8 in The Misgivings of the Vampire Lucius Lafayette series. This four pack includes the following 4 stories: Death's Door is #5 in in The Misgivings of the Vampire Lucius Lafayette series. The vampire Lucius Lafayette has been shot 3 times by a member of Hell's Disciples. He's getting careless. However, he's just managed to make it back home to his mansions in New Orleans, present times. The wounds are severe and deadly, even to a vampire. A specialized vampire doctor from Austin, Texas must be rushed to New Orleans in order to save his life. But can the doctor save Lucius' life while his own son comes home drunk with murder on his mind. The house of Lafayette is being torn from within and with Lucius ailing and vulnerable is it time for change of leadership? And what about the human who dared attempt to murder a vampire, let alone a vrykolakas. Revenge must be meted out and it must be served warm. The sins of the mothers will also befall their offspring. Caged Heart is #6 in The Misgivings of the Vampire Lucius Lafayette series. The vampire Lucius Lafayette is recovering nicely, but he is still weak and needs more quenching of blood before he can get his full strength back. He must decide what will come of his youngest son who has been banished by his wife. Will the youngest son become a prodigal son or will he have to die for attempting to kill his father? But before that determination can be made, Lucius must find his next meal. A fifteen year veteran New Orleans Police Department Sergeant seems to fit the bill. Acquitted of sexual assault and statutory rape, no misdeeds must go unpunished. And what is this? A parcel delivered with a ransom note and a lock of Cage's hair. 3 million dollars is wanted for the safe return of Lucius' youngest son. They only have

three days to come up with that kind of money. Will it be enough, or will his son be killed? Broken Heart is #7 in The Misgivings of the Vampire Lucius Lafayette series. Coming up with 3 million dollars is a lot of money, and it's a lot of money to come up with even for a vampire worth over 100 million dollars. But when you're Lucius Lafayette, you have friends who can help you in a pinch. Besides, this is for family. At least for the safe recovery and return of Lucius' youngest son, Cage. Cage has been unrepentant lately and acting out. But he is still a vampire and as such he will be protected and saved, no matter the cost. This time it's personal, and the whole Lafayette Killing, including the ladies, Darina and Genevieve are going to get dirty in saving Cage. But there is more to this story than meets the eye. The ransom is paid but the message sent is unexpected. Now the Lafayette vampires must hunt down the kidnappers and save Cage, before it's too late. Warmongers is #8 in The Misgivings of the Vampire Lucius Lafayette series. Well, the ransom hijack didn't go over as well as planned. Seems that Cage has now escaped from his father's saving graces. Though the rest of the Lafayette Killing isn't sure if Lucius is intent on saving Cage or killing him. But more pressing things are bothering our narrator, like the mother who just killed her young children by drowning and shooting them. Can our narrator steer Lucius towards a quenching? A quenching of the narrator's vengeance? It might be possible. Though Lucius has more important things on his mind. Like heading to Nazi Germany and killing the alpha werewolf of one of the most hated and violent werewolf packs. You might know this werewolf as Adolf Hitler. Lucius is going to head on back to July 20, 1944 and see if he can't kill him during the botched bomb attempt on Adolf Hitler's life. Do the vampires really have to take care of all of humanity's

Vampire 1 Steve Elliott, 2021-10-25 Vampire Curse: Imagine waking up one morning to find that you'd unknowingly become a vampire during the night. Can you picture the shock, not to mention the

embarrassment of it all? Well, it happened to Leslie, a shy young girl, who now has to turn her whole life upside down to accommodate the inconveniences of being a dreaded and hated blood-sucking creature of the night. But worse is to follow. She discovers that she's being stalked by a senegar - a sinister and evil shadow entity - but for what purpose? Then, to compound her misery even further, her beloved uncle disappears, along with both of her parents. With the help of Samuel, her human friend, she enters an alternate dimension, filled with unimaginable horrors, in an attempt to locate her missing family. There is also the question of who, or what, is behind it all. One thing is for sure, however. If Leslie is somehow able to rescue her family and return alive from this land of vileness, then she'll be doomed to experience a lifetime of nightmares. Vampire Friendly: Leslie is beginning to accept the fact that she's destined to be a vampire for life. She doesn't like it, but decides that nothing can be done about the situation. Vampirism does have some benefits, however. After all, she is immensely strong; can visit other dimensions and is able to create living creatures. How many other humans would be able to do that? But a new threat emerges to shatter the peace. A stolen family treasure leads Leslie and her uncle to a magical world of fairies and dragons where they discover an underlying evil taking place - an evil that they both believed was long gone. The solution is to take a trip back to the dreaded dimension of the werefrights and try to investigate matters before a war of annihilation between the fairies and the dragons takes place. On the way, they meet an irascible, impulsive, mischievous fairy, who has a surprise in store for Leslie. In fact, this surprise is so amazing that it leaves the stunned young vampire at a loss as to how to react.

Varney the Vampire James Rymer,Thomas Prest,2015-06-29 Varney the Vampire; or, the Feast of Blood was a Victorian era serialized gothic horror story by James Malcolm Rymer (alternatively attributed to Thomas Preskett Prest). It first appeared in 1845-47 as a series of cheap pamphlets of the kind then known as penny dreadfuls. The story was published in book form in 1847. It is of epic length: the original edition ran to 876 double-columned pages divided into 220 chapters. Altogether it totals nearly 667,000 words. Despite its inconsistencies, Varney the Vampire is more or less a cohesive whole. It is the tale of the vampire Sir Francis Varney, and introduced many of the tropes present in vampire fiction recognizable to modern audiences to this day.
