CBS Sports Presents Stories From the Final Four

Matt Fulks, 2000-02-01 Journalists who have covered the NCAA Tournament known as March Madness over the past 25 years share their experiences and opinions in this collection of short stories.

The Game Behind the Game Terry O'Neil, 1989

You Are Looking Live! Rich Podolsky, 2021-10-15

You Are Looking Live! is about the genesis, success and magic of a live television show that in 1975 captured the excitement of the country, and launched four magnetic personalities to stardom: Brent Musburger, Phyllis George, Irv Cross and Jimmy The Greek Snyder. It was truly a piece of Americana. It was the first NFL studio show to go live and the first to have both a Black and female co-host. Those four personalities battled each other and the competition, and America loved them for it. This is the story of how Brent, Phyllis, Irv and Jimmy got there, their drama and front-page headlines, and what happened to them after the magic ended. Those headlines included Brent and The Greek's famous fight at Peartrees, Phyllis first marrying the man who produced *The Godfather*, then dropping him after two months for the next governor of Kentucky, and the shocking firing of Musburger on April Fool's Day, 1990. America had never seen a show like this before. On the East Coast and the Midwest, people would literally rush home from church to hear what they had to say, and on the West Coast fans loved waking up to it. The NFL Today became so popular that it not only dominated the ratings, but also won its timeslot 18 straight years, from 1975 to

1993, until CBS lost its NFL package to Fox. And today, looking back, these four personalities, like any family, had their own battles, and became even more famous for them.

Always by My Side Jim Nantz, 2008-05-06 The New York Times bestseller, now in paperback. America's most visible sports commentator recounts some of the most dramatic moments in American sports and pays tribute to the man who inspired him-his beloved father As vivid as an instant replay, Always by My Side gives readers an insider's look into an unprecedented sixty-three- day stretch from February through April of 2007, when Jim Nantz became the first broadcaster to call the Super Bowl, the Final Four, and the Masters. Though Nantz was unable to share the voyage with his dad, the devoted son felt his father's presence every step of the way, and used this championship odyssey to celebrate the people, venues, and moments that tapped into all the goodness that his dad-and his dad's generation-represent. In recounting the highlights of more than two thrilling decades with CBS Sports, Nantz recalls legendary voices of his youth-such as Jim McKay, Chris Schenkel, Pat Summerall, Jack Whitaker, and Dick Enberg-who sparked his imagination and shaped his style. Always by My Side traces Nantz's life and career, and along the way readers are treated to an array of memories, including Nantz's special relationship with former president George H. W. Bush and his friendships with such sports royalty as Arnold Palmer, Jack Nicklaus, Tiger Woods, Phil Mickelson, Peyton Manning, Tony Dungy, Tom Brady, Bill Belichick,

Mike Krzyzewski, John Wooden, and many others. Always by My Side turns every day into Father's Day.

Play by Play: Verne Lundquist, 2018-10-16 The SEC. The Masters. The Olympics. March Madness. The Dallas Cowboys. Yes sir, Uncle Verne has seen it all. Over the last fifty years, few voices have epitomized the sound of sports television quite like that of Verne Lundquist's. A fixture on air since the 1960s—first broadcasting University of Texas baseball and Dallas Cowboys football games on radio before eventually joining the legendary CBS Sports team—Verne has covered just about every sport there is, and in the process he's made some of the most enduring calls in the history of golf, football, figure skating—and everything in between. In Play by Play, Verne goes inside those calls and his remarkable career, telling the behind-the-scenes story of how he ended up with the best seats in the house, giving voice to history time and time again. From Christian Laettner's buzzer-beater in the 1992 NCAA tournament, to the saga of Nancy Kerrigan and Tonya Harding at the 1994 Olympics, to the shocking finish of the Iron Bowl in 2013, to Jack Nicklaus's and Tiger Woods's unforgettable victories at the Masters, Verne's five decades as a sportscaster routinely put him in the midst of greatness. With his trademark humility and his goal to make the athlete the legend, instead of the call itself, Verne details his view of the plays that have captured our collective imagination for two generations, featuring an incredible cast of characters that includes names

like Terry Bradshaw, Pat Summerall, John Madden, Scott Hamilton, and Tom Landry. What emerges is an invigorating portrait of the games that matter most, in life and on the field. A moving recollection of the moments that make sports worth watching, Play by Play reminds us all that sports are about more than games played—they're about the history that we share together and the voices that we remember long after the final whistle has blown.

You Negotiate Like a Girl Amy Trask, Michael Freeman, 2016-09-15 The Princess of Darkness. Former NFL team executive Amy Trask has held many titles during her career &— including chief executive, analyst, and author &— but this nickname is what she is first and foremost known by to Raiders fans. Trask joined the Raiders as an intern during law school after the team moved from Oakland to Los Angeles &— the position the result of a cold call she made to the team. From there, she worked her way up through the ranks of the organization, to the post she would eventually hold as chief executive. Along the way, Trask worked extremely closely with the late Al Davis, a man who treated her and others on his team without regard to gender, race, and age. Trask may have been the highest-ranking female executive in the NFL during her tenure with the Raiders, but in *You Negotiate Like a Girl: Reflections on a Career in the National Football League*, she shares how she found success by operating without regard to gender. Replete with insider tales about being part of the Raiders' front office, behind the closed doors of NFL owners meetings, and Davis

himself, Trask's book is a must-read not only for football fans, but anyone who wants to succeed in business.

Bearing the Cross Irv Cross, 2017-10-31 Born into poverty in Hammond, Indiana, not much was expected from Irvin Acie Cross. But with much hard work and dedication, he put together one of the most incredible life stories imaginable. After being drafted by the Philadelphia Eagles in 1961 out of Northwestern University, Cross went on to have a nine-year career in the NFL, appearing in two Pro Bowls. After retiring, he joined the Eagles as a coach, and did so until 1971 when a rare opportunity came along. With his player career over and without any experience, Cross hired by CBS sports as an analyst and commentator, becoming the first African American to work full-time as a sports analyst on national television. He then joined NFL Today in 1975 with Brent Musburger, former Miss America Phyllis George, and sports bookie Jimmy "The Greek" Snyder, and the show would go on to win thirteen Emmy Awards that first year. Throughout his life, Irv Cross has shown off his signature smile. With his strong spiritual belief, he has accomplished more than most people could ever dream of. His hard work and dedication have led him on a storied journey, and in 2009 he was awarded the Pete Rozelle Radio and TV Award from the Pro Football Hall of Fame. Bearing the Cross is Irv at his finest. From childhood to retirement, he shares an incredible life; the friends he's made, the people he's helped, and the lives he's changed. With the help from longtime journalist Clifton Brown, Bearing the Cross will

not only give you an inside look into this incredible man, but teach you the life lessons that have warmed his life.

Always by My Side Jim Nantz, Eli Spielman, 2008 One of America's most visible sports commentators relives some of the most dramatic moments in sports and pays tribute to his beloved father, the man who inspired him to pursue his broadcasting dream. 8-page b&w photo insert.

Now, broadcasting legend Pat Summerall is granting you more intimate access into his extraordinary life. This is the voice of Pat Summerall as you've never heard it before. Personal. Revealing. And willing to share with you equally his career victories and private defeats. Here, Summerall calls the plays of his own life story. It is a story of sports, celebrity, and alcoholism. But, ultimately, the story that Pat Summerall shares from his life is one of spiritual healing and redemptive faith.

The Political Economy of Sports Television

William M. Kunz, 2020-04-23 Drawing from theories of the political economy of communication, this book offers readers a comprehensive data-rich assessment of contemporary sports television and its evolution. Providing an in-depth look at the ownership and regulation of sports television in the United States, William M. Kunz analyzes a range of platforms, networks, and sports, with particular focus on the way ownership has become concentrated in five conglomerates: AT&T, CBS, Comcast, Disney and Fox. The end result of years of media consolidation is that broadcast networks are now married to cable and streaming services under a single conglomerate, which has implications for the cost of contracts and the negotiation of distribution deals. Examining multiple platforms, networks and sports in an all-inclusive manner, this volume documents the evolution and current state of affairs of sports television. With historic and current data on rights fees for sports television leagues and events as well as carriage fees and subscription levels for sports-related cable and satellite services, this comparative study offers critical information for students and scholars conducting research on sports television.

The Comprehensive Guide to Careers in Sports

Glenn M. Wong, 2013 Provides an overview of what students should consider and expect from the varied career options available to them in the sports industry. This book answers the questions students are most likely to have, including what courses they should take, the areas of study available to them, the salary they can expect to

earn after graduation, and how they can get the job of their dreams. This essential guide will help increase students' likelihood of finding careers in the highly competitive sports industry.-

Play by Play Verne Lundquist, 2018-10-09 Synopsis coming soon.....

Up Close and Personal Jim Spence, 1988 The former Senior Vice-President of ABC Sports provides a blistering first-time expose of the hardball world behind the TV sports. Here are the giants under the microscope--Howard Cosell, Boone Riedle, Jim McKay, Frank Gifford, O.J. Simpson, Al Michaels, and more.

The Sociology of Sports-Talk Radio Robert L. Kerr, 2017-09-20 The Sociology of Sports-Talk Radio is the latest sports-media scholarship from the author of *How Postmodernism Explains Football and Football Explains Postmodernism*, winner of the 2017 Outstanding Book Award from the National Communication Association's Communication and Sport Division. The book provides a descriptive analysis of the social interaction transpiring in what the author has conceptualized as the "the hyper-mediated marketplace of sports narratives." It examines the social structures and processes that make sports-talk radio such a vibrant societal milieu, and seeks to identify the essential sociological dynamics that make all that endless chatter so vital to listeners. A qualitative, descriptive analytical focus on this remarkable platform—where people come together to interact insistently, colorfully, and often with stunning ferocity—highlights key processes by

which human communicators construct meaning.

Getting to Us Seth Davis, 2019-03-12 What makes a coach great? How do great coaches turn a collection of individuals into a coherent “us”? Seth Davis, one of the keenest minds in sports journalism, has been thinking about that question for twenty-five years. It’s one of the things that drove him to write the definitive biography of college basketball’s greatest coach, John Wooden, *Wooden: A Coach’s Life*. But John Wooden coached a long time ago. The world has changed, and coaching has too, tremendously. Seth Davis decided to embark on a proper investigation to get to the root of the matter. In *Getting to Us*, Davis probes and prods the best of the best from the landscape of active coaches of football and basketball, college and pro—from Urban Meyer, Dabo Swinney, and Jim Harbaugh to Mike Krzyzewski, Tom Izzo, Jim Boeheim, Brad Stevens, Geno Auriemma, and Doc Rivers—to get at the fundamental ingredients of greatness in the coaching sphere. There’s no single right way, of course—part of the great value of this book is Davis’s distillation of what he has learned about different types of greatness in coaching, and what sort of leadership thrives in one kind of environment but not in others. Some coaches have thrived at the college level but not in the pros. Why? What’s the difference? Some coaches are stern taskmasters, others are warm and cuddly; some are brilliant strategists but less emotionally involved with their players, and with others it’s vice versa. In *Getting to Us*, we come to feel a deep connection with the most successful and iconic coaches in all of sports—big winners

and big characters, whose stories offer much of enduring interest and value.

Playing Ball with the Boys Betsy Ross, 2010-10-25
The use of female sideline reporters is the fastest-growing new aspect of televised broadcasts of professional and college football. Names like Suzy Kolber, Erin Andrews, and Andrea Kremer are now as well known as any of the men in the booth. In recent years women have been sports columnists and reporters, talk-show hosts, even coaches and team administrators. And yet there has never been a book about this phenomenon. Former ESPN news anchor Betsy Ross fills this void with *Playing Ball with the Boys*, a fascinating, behind-the-scenes look at the emerging role that women play in sports broadcasting and reporting as well as in the business of sports. Ross interviews a number of the biggest names--from Kolber and Kremer to USA Today columnist Christine Brennan and Lesley Visser and many others--who offer first-hand accounts of the struggles and the triumphs of women playing what has always been a man's game. She provides a history of this unique facet of the sports world, from pioneering female newspaper sports reporters to the celebrated breakthrough into televised sports by former Miss America Phyllis George, who is interviewed in the book. Ross covers the controversial moments, from locker room confrontations between players and female reporters to the infamous sideline interview in which Joe Namath attempted to kiss Suzy Kolber during a live broadcast. Readers also learn of women who played pro sports on male teams or coached men's teams. They meet a woman who runs a

professional baseball team and another who is a team doctor. Through this tale, Ross weaves her own story, recalling how she went from a small town in Indiana to the anchor's chair at the largest sports network in the world, ESPN. She explains what it's like for a woman to succeed in the male-dominated world of sports broadcasting.

Baseball's Comeback Players Rick

Swaine, 2014-03-28 This book profiles forty major league ballplayers who engineered remarkable comebacks to salvage fading careers. Details of each comeback is provided along with a summary of the player's career. The comeback players range from Hall of Famers like Ted Williams and Stan Musial; to near-greats like Tommy John and Luis Tiant; to journeyman performers like George McQuinn and Tony Cuccinello. In the absence of statistical standards to evaluate or even define comebacks, the selection of the top comeback players was based on the following criteria: historical significance, uniqueness, dramatic content, degree of difficulty, and the player's overall reputation and standing.
