The Illustrated Boat Dictionary in 9 Languages Adlard Coles,Vanessa Bird,2014-03-27 An invaluable visual reference when sailing in foreign waters, this highly illustrated boat dictionary in nine languages focuses on all the topics boaters will need to refer to when abroad.

Atlantic Spain and Portugal Henry Buchanan,2019-05-04 Atlantic Spain and Portugal is the classic guide to this varied coast which includes the rias of of Galicia, the estuaries of the Douro and Tejo with Lisbon, the Algarve and then the coast of Andalusia down to Gibraltar. It's the essential companion for yachts making passage to the Mediterranean or onwards to the Canaries before an Atlantic crossing and also a comprehensive cruising companion for anyone visiting the delightful cruising grounds of Galicia and beyond. There are new photos and most of the plans incorporate changes accumulated over the four years since the last edition was published. The fact that this guide is now in its eighth edition shows how popular it has become with cruising folk... all right up to Imray's normal standards and it would make no sense to cruise the area without this book by the navigator's hand. Yachting Monthly

Atlantic Islands Anne Hammick,Hilary Keatinge,Linda Lane Thornton,2022-07-18 Atlantic Islands is a long-established cruising guide to the five island groups of the North Atlantic, commonly visited by those sailing the popular Atlantic crossing routes but increasingly enjoyed as cruising destinations in their own right. From the sun-baked lagoons of Bemuda to the verdant slopes of the Azores and Madeira, from the fiery landscapes of the Canaries to the less visited coastlines of the Cape Verdes, this seventh edition has thoroughly updated text and plans and is illustrated with numerous new photographs. Co-authors of the sixth edition, Anne Hammick and Hilary Keatinge, have been joined by Linda Lane Thornton who lives on and cruises in the Azores. Together they enrich the coverage overall with their first-hand knowledge of each of the island groups. An essential companion for those planning a cruise any of the North Atlantic island groups, even more so for anyone planning an Atlantic crossing or circuit. The seventh edition of Atlantic Islands builds on solid foundations...The co-authors know their group of islands inside-out and it shows in the depth of content and recommendations within the guide.....If you are planning on crossing the Atlantic and don't yet have a copy, then this new seventh edition should be on your pre-departure shopping list. "It is difficult to fault this pilot. It is clearly and consistently laid out- the navigational directions are concise and accurate, the Introductions and History of each archipelago and each island are interesting and whet one's appetite for exploration. It is an excellent, informative and enjoyable companion for any Atlantic cruising sailor." Flying Fish Magazine (Ocean Cruising Club)

Reeds 9-Language Handbook Bloomsbury Publishing,2021-02-18 Being able to communicate with the local people is very important - whether it is to ask for a berth, a spare part or where the nearest chandlery or supermarket is. So, with this book, even if your pronunciation is a bit out, you should still be able to make yourself understood, quickly and efficiently, which makes this dictionary a vital part of your cruising kit. The pocket dictionary is centred around clear, colour, annotated diagrams, such as parts of the rig and engine, in each nautical subject area, and makes it very easy and convenient to translate between nine languages (English, French, German, Dutch, Spanish, Italian, Danish, Portuguese and Greek). The diagrams can easily be used to show someone what is meant (or what is broken!) without having to worry about the language barrier. It covers general terms, such as 'port' and 'starboard', as well as technical words relating to engine and rigging repair and maintenance. Other topics include navigation, weather, seamanship, requesting help, medical emergencies, safety equipment, numbers and time. Whether you're a keen offshore sailor, motorboater or even an armchair boating enthusiast, Reeds 9-Language Handbook is a handy reference tool that will help expand both your ability to communicate and your horizons.
