### **100 Days of Sunlight** Abbie Emmons, 2019-08-07

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him - - and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100

Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

Geisler, 2018-04-03 Lu won't go with just anyone! Lu is waiting to be picked up after school. She stands on the sidewalk, all alone, and it starts to rain. Ms. Smith walks by, and offers to take her home. Ms. Smith lives in Lu's neighborhood—but does Lu really know her? Lu asks herself, what's her first name? Does she dye her hair red? What's her dog's name? And she says, "I don't know you, so I won't go with you! And besides, Mama said I should wait." As other adults—all of whom Lu has met in some capacity before—offer to take her home, Lu continues to consider if she really knows them. One by one, she refuses to go with them. Until, finally, the person Mama said she should go home with shows up—though his appearance is a surprise to the reader! The ending includes a prompt for readers to create their own similar "safe" list, and a list of resources for parents.
