*A Kids Book About Racism* Jelani Memory, 2023-07-04 A clear explanation of what racism is and how to recognize it when you see it. As tough as it is to imagine, this book really does explore racism. But it does so in a way that's accessible to kids. Inside, you'll find a clear description of what racism is, how it makes people feel when they experience it, and how to spot it when it happens. Covering themes of racism, sadness, bravery, and hate. This book is designed to help get the conversation going. Racism is one conversation that's never too early to start, and this book was written to be an introduction on the topic for kids aged 5-9. *A Kids Book About Racism* features:

- A friendly, approachable, and kid-appropriate tone throughout.
- Expressive font design; allowing kids to have the space to reflect and the freedom to imagine themselves in the words on the pages.
- An author who has lived experience on the topic of racism.

Tackling important discourse together! The *A Kids Book About* series are best used when read together. Helping to kickstart challenging, empowering, and important conversations for kids and their grownups through beautiful and thought-provoking pages. The series supports an incredible and diverse group of authors, who are either experts in their field, or have first-hand experience on the topic. A Kids Co. is a new kind of media company enabling kids to explore big topics in a new and engaging way. With a growing series of books, podcasts and blogs, made to empower. Learn more about us online by searching for A Kids Co.

**The Histology and Histochemistry of Man** Heinrich Frey, 1874

How I Met My Monster Amanda Noll, 2019-11-03 One night, when Ethan reaches under his bed for a toy truck, he finds this note instead: Monsters! Meet here for final test. Ethan is sure his parents

are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep—which as everyone knows, is the real reason for monsters under beds. With its perfect balance of giggles and shivers, this silly-spooky prequel to the award-winning *I Need My Monster* and *Hey, That's MY Monster!* will keep young readers entertained.

Home of the Brave Katherine Applegate, 2014-12-23 Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter – cold and unkind. In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means family in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. Bestselling author Katherine Applegate presents a beautifully wrought novel about an immigrant's journey from hardship to hope. *Home of the Brave* is a 2008 Bank Street - Best Children's Book of the Year.

*The Bench* Meghan, The Duchess of Sussex, 2021-06-08 #1 NEW YORK TIMES BESTSELLER • Meghan, The Duchess of Sussex's first children's book, *The Bench*, beautifully captures the special relationship between father and son, as seen through a mother's eyes. The book's storytelling and illustration give us snapshots of shared moments that evoke a deep sense of warmth, connection, and compassion. This is your bench Where you'll witness great joy. From here you will rest See the growth of our boy. In *The Bench*, Meghan, The Duchess of Sussex, touchingly captures the evolving and expanding relationship between father and son and reminds us of the many ways that love can take shape and be expressed in a modern family. Evoking a deep sense of warmth, connection, and compassion, *The Bench* gives readers a window into shared and enduring moments between a diverse group of fathers and sons—moments of peace and reflection, trust and belief, discovery and learning, and lasting comfort. Working in watercolor for the first time, Caldecott-winning, bestselling illustrator Christian Robinson expands on his signature style to bring joy and softness to the pages, reflecting the beauty of a father's love through a mother's eyes. With a universal message, this thoughtful and heartwarming read-aloud is destined to be treasured by families for generations to come.

Proceedings of the American Academy of Arts and Sciences , 1875

Entangled Life Merlin Sheldrake, 2021-04-13 NEW YORK

**TIMES BESTSELLER • A “brilliant [and] entrancing” (The Guardian)** journey into the hidden lives of fungi—the great connectors of the living world—and their astonishing and intimate roles in human life, with the power to heal our bodies, expand our minds, and help us address our most urgent environmental problems. “Grand and dizzying in how thoroughly it recalibrates our understanding of the natural world.”—Ed Yong, author of *An Immense World* **ONE OF THE BEST BOOKS OF THE YEAR**—Time, BBC Science Focus, The Daily Mail, Geographical, The Times, The Telegraph, New Statesman, London Evening Standard, Science Friday When we think of fungi, we likely think of mushrooms. But mushrooms are only fruiting bodies, analogous to apples on a tree. Most fungi live out of sight, yet make up a massively diverse kingdom of organisms that supports and sustains nearly all living systems. Fungi provide a key to understanding the planet on which we live, and the ways we think, feel, and behave. In the first edition of this mind-bending book, Sheldrake introduced us to this mysterious but massively diverse kingdom of life. This exquisitely designed volume, abridged from the original, features more than one hundred full-color images that bring the spectacular variety, strangeness, and beauty of fungi to life as never before. Fungi throw our concepts of individuality and even intelligence into question. They are metabolic masters, earth makers, and key players in most of life’s processes. They can change our minds, heal our bodies, and even help us remediate environmental disaster. By examining fungi on their own terms, Sheldrake reveals how these extraordinary organisms—and our relationships with them—are changing our understanding of how life works. Winner of the Wainwright Prize, the Royal Society Science Book Prize, and the Guild of Food Writers Award • Shortlisted for the British Book

Award • Longlisted for the Rathbones Folio Prize
