Dragon Storm Lindsay Buroker,2017-12-26 Dragons have been gone from the world for over a thousand years. Now they're back.

Dragon Storm Lindsay Buroker, Born with a secret power he must hide... Telryn “Trip” Yert has always been a little odd, with hunches that are too accurate to explain. Magic is feared and forbidden in Iskandia, so he’s struggled his whole life to hide his eccentricities. As a boy, he was forced to watch his mother’s execution. Her crime? Witchcraft. Understandably, Trip wants nothing to do with the power that lurks within him, always threatening to reveal itself. Instead, he dedicates himself to serving as an officer in the king’s army, to battling pirates and imperial conquerors. He longs to become a soldier as respected and renowned as the legendary General Zirkander. But his country is in need of more than a soldier. After disappearing for over a thousand years, dragons have returned to the world. A few of them are willing to be allies to mankind, as they were millennia before, but far more want to destroy or enslave humans and claim the world for themselves. There are few people left with the power to fight dragons. For reasons he doesn’t understand, Trip may be one of those people. But if he chooses to learn more about his heritage and the power he can wield, he risks losing everyone he loves and everything he longs to be.

Finding those allies is key, but who can they trust? With the most recent attack, the likelihood of defeat looms close, and without help, they will certainly fail.Worse, not all is as it seems. The war that has raged for centuries has left a far more lasting effect than any have ever known. Dragon Storm Katie MacAlister,2015-11-24 TURN ON THE CHARM According to some (including himself), Constantine is one of the greatest heroes of dragonkin who ever lived. Too bad he's now lonelier than ever and his biggest adventure involves a blow-up sheep-until he has an opportunity to save his kind once again. All Constantine has to do is break into a demon's dungeon, steal an ancient artifact, and reverse a deadly curse. The plan certainly does not involve rescuing a woman . . . TURN UP THE HEAT Bee isn't sure whether to be infuriated or relieved when Constantine pops up in her prison. The broody, brawny shifter lights her fire in a way no one ever has before, yet how far can she really trust him? Their chemistry may be off the charts, but when push comes to shove, Constantine will have to make a crucial choice: to save the dragons or the woman he's grown to love with fierce intensity.

Dragon Storm J.E. Taylor,2021-09-01 My goal: make the last dragon rue the day he crossed me. When the monsters broke their deal for humanity’s surrender, the last dragon saved me from certain death. Unfortunately, Mikhail St. Clare played me like a professional grifter, making me think he was on our side, and not aligned with the Serpent King, who wants to stomp out humans like we were pesky insects. Mikhail’s special power to shift into human form aided his infiltration of my defenses, and ultimately coerced me into revealing my secret weapon against the monsters. Then I stupidly led him right to our headquarters. I should have known. He was a dragon, after all. One that had facilitated the destruction of our ability to fight back on any mass scale against the Serpent King and his army of leviathans. With nothing left to defend, I’m on a mission to make that bastard pay for what he has done. But before I can find him and put a bullet in his brain, I have to cross a leviathan-patrolled city where every corner hides a hideous death.

A Collection of Dragons C.M. Simpson,2021-06-21 Dragons. Every dragon piece I’ve written to date, is in this collection—and some can only be found in this collection. Whether they’re burning towns or bringing down starships, offering shelter or indulging in politics of the state, there’s a dragon present. Sometimes it’s in the background and sometimes it’s right up front where dragons belong, but it’s there. If you love dragons as much as I do, then this collection is created with you in mind.
