Melania G. Mazzucco

Vita Melania G. Mazzucco,2005-09-15 In April 1903, the steamship Republic spills more than two thousand immigrants onto Ellis Island. Among them are Diamante, age twelve, and Vita, nine, sent by their poor families in southern Italy to make their way in America. Amid the chaos and splendor of New York, the misery and criminality of Little Italy, and the shady tenants of Vita's father's decrepit Prince Street boarding house, Diamante and Vita struggle to survive, to create a new life, and to become American. From journeys west in search of work to journeys back to Italy in search of their roots, to Vita's son's encounter with his mother's home town while serving as an army captain in World War II, Vita touches on every aspect of the heartbreaking and inspiring immigrant story. The award-winning Italian author Melania G. Mazzucco weaves her own family history into a great American novel of the immigrant experience. A sweeping tale of discovery, love, and loss, Vita is a passionate blend of biography and autobiography, of fantasy and fiction.

Vita João Biehl,2013-05-01 Zones of social abandonment are emerging everywhere in Brazil's big cities—places like Vita, where the unwanted, the mentally ill, the sick, and the homeless are left to die. This haunting, unforgettable story centers on a young woman named Catarina, increasingly paralyzed and said to be mad, living out her time at Vita. Anthropologist João Biehl leads a detective-like journey to know Catarina; to unravel the cryptic, poetic words that are part of the dictionary she is compiling; and to trace the complex network of family, medicine, state, and economy in which her abandonment and pathology took form. An instant classic, Vita has been widely acclaimed for its bold fieldwork, theoretical innovation, and literary force. Reflecting on how Catarina's life story continues, this updated edition offers the reader a powerful new afterword and gripping new photographs following Biehl and Eskerod's return to Vita. Anthropology at its finest, Vita is essential reading for anyone who is grappling with how to understand the conditions of life, thought, and ethics in the contemporary world.

Creative Caring Renée Wallace,2010-02 Creative Caring is the story of one determined family whose son, Ricky, had intellectual disabilities so severe that the typical resources of a community were not available to him. Finding that situation intolerable, they fought relentlessly to create a caring community for Ricky and hundreds of others. Vita Living fought bureaucratic hurdles, abuse from the community, and serious economic challenges so it

was brought to the edge of collapse. The goal was to obtain a coveted license to open the first small community-based home in Texas to provide life long care for people with severe mental retardation and behaviors. Despite being told it was impossible, Renee successfully pursued her dream. This memoir, a reflection on her over 40 years of working with children and adults with intellectual disabilities, is a call to action for our society to consider the welfare of all, not only the able bodied. Creative Caring is the story of how Renee and Stan turned the challenges their family faced into triumph. But even more, it's the story of how they succeeded in creating a more generous and nurturing environment for an entire population who has much to contribute to the world around them

A Story Is a Promise & the Spirit of Storytelling Bill Johnson,2014-03-01 Bill Johnson's writing workbook has three sections, each designed to help new and experienced authors alike to better understand the craft of storytelling. A Story is a Promise explores the mechanics of how a story transports an audience. Deep Characterization explores what happens when story characters are an extension of authors. The Spirit of Storytelling suggests techniques for authors to create characters with fully realized inner lives; characters who are vibrant, dynamic, and resonate with readers. The book includes an outline of The Lovely Bones and detailed reviews of Romeo and Juliet (the play), The Heidi Chronicles (play), The Shawshank Redemption The Usual Suspects (movies), and The Exorcist (novel). These reviews are meant to help writers understand the underlying process that creates popular stories. From author Carolyn J Rose, Bill's work made me take a longer look at what matters to readers - and what matters to me as a reader - at the emotional core. I feel my characters are deeper and more memorable because of what I learned.

Zero Local: Next Stop: Kindness Ethan Murrow,Vita Murrow,2020-04-14 Board the train for a story of art, diversity, and community in a near-wordless tale told through masterful, sumptuously detailed black-and-white illustrations. Eventually the artistic traveler stops riding the Zero Local line, and discord begins to creep back into the train car. Will the regular passengers find a way to restore the sense of camaraderie they once felt? Inspired by a true story, Ethan and Vita Murrow share with us a tender ode to the power of art and its ability to foster friendship and community in the most unlikely of places.

Vita Aeterna / Outliers Jay Allan Storey,2022-02 With the fate of the world in the balance, one outlier could tip the scales towards salvation or disaster. Book 1: Vita Aeterna On his sixteenth birthday, Alex Barret is scheduled for a medical procedure called Appraisal. Meant to moderately extend life, Appraisal is unpredictable, and in rare cases, like for Alex's dad, can actually shorten it. Alex has heard of every Appraisal scenario over the years - on the day of his treatment, he knows what to expect. So how is it possible that Alex's outcome is 'none of the above'? Now he's on the run from a ruthless army led by the most powerful man in the world, and his only hope is to track down his long-lost uncle - who's supposed to be dead. Book 2: Outliers Since his 'death' forty years ago, Alex Barret has been hiding deep in the Dregs, with only a trio of dogs: Shake, Rattle, and Roll, as his

companions. During his absence, the Elite and the Corps have regained control after the short lived Rebel incursion into the First Circle. A mysterious message reaches Alex from an unknown source, implying that there may be another 'Outlier' with his incredible response to the Appraisal process - a girl. The message also claims that Vita Aeterna, supposedly crushed by the revolt forty years ago, is still alive. If you like gritty dystopian worlds, fast-paced action, and captivating stories of survival, then you'll love Jay Allan Storey's dark and edgy tales.
