The Great Realization Tomos Roberts (Tomfoolery),2020-09-01 Selected by Today as a book to ease kids’ anxiety about coronavirus.” We all need hope. Humans have an extraordinary capacity to battle through adversity, but only if they have something to cling onto: a belief or hope that maybe, one day, things will be better. This idea sparked The Great Realization. Sharing the truths we may find hard to tell but also celebrating the things—from simple acts of kindness and finding joy in everyday activities, to the creativity within us all—that have brought us together during lockdown, it gives us hope in this time of global crisis. Written for his younger brother and sister in response to the Covid-19 pandemic, Tomos Roberts’s heartfelt poem is as timely as it is timeless. Its message of hope and resilience, of rebirth and renewal, has captured the hearts of children and adults all over the globe—and the glimpse it offers of a fairer, kinder, more sustainable world continues to inspire thousands every day. With Tomos Roberts’s heartfelt poem and beautiful illustrations by award-winning artist Nomoco, The Great Realization is a profound work, at once striking and reassuring, reminding readers young and old that in the face of adversity there are still dreams to be dreamt and kindnesses to be shared and hope. There is still hope. We now call it The Great Realization and, yes, since then there have been many. But that’s the story of how it started . . . and why hindsight’s 2020.

Radiant Child Javaka Steptoe,2016-11-08 Winner of the Randolph Caldecott Medal and the Coretta Scott King Illustrator Award Jean-Michel Basquiat and his unique, collage-style paintings rocketed to fame in the 1980s as a cultural phenomenon unlike anything the art world had ever seen. But before that, he was a little boy who saw art everywhere: in poetry books and museums, in games and in the words that we speak, and in the pulsing energy of New York City. Now, award-winning illustrator Javaka Steptoe's vivid text and bold artwork echoing Basquiat's own introduce young readers to the powerful message that art doesn't always have to be neat or clean--and definitely not inside the lines--to be beautiful.

When the Sky Falls Phil Earle,2022-04-05 A boy and a gorilla create an unbelievable bond in this powerful WWII tale for young readers, for fans of Alan Gratz and Michael Mordugo. “A wonderful story of hurt, kindness, and what it means to be human in an inhumane world.” -The Times of London, Children's Book of the Year In 1940, with his father off to war, Joseph is sent on a train out of his British town into the care of Mrs. F., a gruff woman with no great fondness for children. But he soon discovers her softer side when she takes him to the rundown city zoo and he learns she is the only one who ever checks in on it. Many of the animals have escaped, been released, or have sadly starved . . . but not Adonis, a huge silverback gorilla. Adonis is strong and ferocious-and a danger to the whole city if a bomb should fall and damage the fence that keeps him in. But as Joseph struggles in his new school and starts to spend more time at the zoo, he finds, unexpectedly, Adonis becoming a loyal new friend. From acclaimed author Phil Earle comes a touching historical fiction story of how a boy and a gorilla find redemption in each other amid the toughest of circumstances.

Video Meera Nair,2007-12-18 The ten exquisitely crafted stories in Video introduce a gifted new writer whose straight-forward, elegant prose and bewitching storytelling talent combine in brilliant miniatures of contemporary Indian life. In the title story, an Indian man’s chance exposure to a Western-style porn film affects not only his marriage—his wife hides for hours, then days, then weeks at a time from his renewed desire—but also his neighborhood, as traditional notions of marriage, intimacy, and propriety confront the unspeakable, and the tacitly alluring. In “The Sculptor of Sands,” a superbly imagined mystical tale with the depth and resonance of legend, a slight young man’s sensuous sand sculptures transfix a seaside community and, despite their evanescence, leave an indelible impression on the women of the town. In “My Grandfather Dreams of Fences,” an aging landlord, convinced that his worker is stealing his land, desperately clings to the vestiges of a rigid class system, erecting fences with fervor while his dignity falls into disrepair. And in “The Lodger in Room 726,” a boy who daily brings breakfast to the new tenant in a rooming house unleashes a cascade of emotions previously unknown to him when he pursues his fantasy that the man is a well-known murderer on the lam. An astonishing debut, written with a wry intelligence and an irresistible blend of humor, wit, and pathos, Video masterfully evokes traditional Indian culture as it confronts the onrush of change. In subtle gestures and keenly ob-served details, Meera Nair reveals an entire world of gleaming particularity and transcendent emotional power.

A Narrative Approach to Social Media Mourning Korina Giaxoglou,2020-06-04 This book investigates how social media are reconfiguring dying, death, and mourning. Taking a narrative approach, it argues that dying, death, and mourning are shared online as small stories of the moment, which are organized around transgressive moments and events with motivational, participatory, or connective scope. Through the different case studies discussed, this book presents an empirical framework for analyzing small stories of dying, death and mourning as practices of sharing which become associated with specific modes of affective positioning, i.e. modulations of different degrees of distance or proximity to the death event and the dead, the networked audience(s), and the affective self. The book calls for the study of affect as integral to narrative activity and opens up broader questions about how stories and emotion are mobilized in digital cultures for accruing audiences, value (social or economic), and visibility. It will be of interest to researchers in narrative analysis, the anthropology and sociology of emotion, digital communication, media and cultural studies, and (digital) death and dying.

Resources and Lesson Plans for Teaching Art & Design Students Z Smith,2023-06-13 Are you supporting international students of creative disciplines to develop their English language skills? Perhaps you are teaching on a preparatory college course or maybe you need some original ideas on themes such as plastic waste and upcycling for your teenage learners. When it comes to published materials to help develop language skills for international students on English for academic purposes (EAP) courses, they are often rather dry and too limited for developing the ability of art & design students to switch deftly between concrete and abstract ideas. This book provides content for up to 50 lessons. It covers the fundamentals of communicating in higher education contexts and introduces many original and relevant topics, with recurring emphases on sustainability and student-centeredness. The material can be used face-to-face and/or online, and can be flexibly supplemented according to need.

100 Days of Sunlight Abbie Emmons,2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.
