Liliana and the Relics of Power Geoffrey M. Noblitt,2019-07-24 Morgoth was once a good man, a heroic leader with many followers. Under the evil influence of the Wolf, a dark figure from the past, Morgoth dons the name the Black Knight. Now he seeks the relics of power to give him control of the elements of the realm. In his search, Morgoth terrorizes all the races in the land of Worthia. There is only one person in history with the power to stop him. One heroine who has defeated the Wolf before, a twelve-year-old girl named Liliana from another world. Liliana's secret council calls her back from normalcy to, once again, save the realm from Morgoth and the Wolf. But first she must choose her companions: a giant, a dwarf, an elf, a pixie, a witch, and a talking mouse. A quest for relics, a uniting of races, and a building of friendships leads Liliana and her six friends into an epic battle against the Black Knight and his Riders.

Sonichu #0 C. C.,2005-03-24 Sonichu #0 is the first issue of Christian Weston Chandler's magnum opus. At this initial stage, the comic was almost entirely about Sonichu and Rosechu, although bits of Chris's life still managed to find their way in.The hand-drawn premiere issue is a special zero issue. In the comics industry, zero issues are used as either a sales-enhancing gimmick (Image Comics is a notable user of this) or a special preview of work that will not truly begin until issue #1. Given that it previews nothing, which one Chris was going for is probably the former, though given that it's not legally able to be sold, it fails even that.The comic consists of Sonichu's first three adventures. In Sonichu's Origin, the core cast of the series is introduced as Sonichu and Rosechu are created. Then, in Genesis of the Lovehogs, the two protagonists meet and immediately fall in love. Finally, in Sonichu vs. Naitsirhc, our yellow hero does battle with his first real villain, who but foreshadows the challenges awaiting the hedgehogs in the following issue. Bonus material in Sonichu #0 includes various advertisements for imaginary Sonichu products, classic Sonichu comic strips drawn outside of the narrative of the main comic book, and the first Sub-Episode.

A Letter to Jo Joseph Sieracki,2020-01-22 As Leonard fights on the front lines of World War II, memories of Josephine and home help keep him alive. As Josephine contends with life, family, and work in Cleveland, letters from Leonard sustain her. But official censorship forces him to leave out much of the most significant action he sees. Finally, with the war coming to an end, Leonard is able to tell his full story. In a quietly beautiful letter to Josephine, Leonard writes of the loneliness he felt, the camaraderie he experienced, and the terrible violence he witnessed. Now, Josephine and Leonard's grandson Joseph Sieracki has carefully researched the battles Leonard describes and expanded the letter into a moving tale of a young man's fears and bravery far from home. Brought to heart-wrenching life by the paintbrushes of Kelly Williams (Creepy, Eerie), A Letter to Jo is at once a tender love story and a harrowing battlefield memoir.
