The Waker's Corridor Jonathan Thirkield,2009-04-01 I had a clock it woke all day, writes Jonathan Thirkield at the outset of *The Waker's Corridor*, a book that charts an assiduous attempt to recover lost time. Housed in elaborate and varied formal architectures, these poems navigate the disorder and gaps left by the violence of loss. All measures of time -- psychological, personal, historical, numerical -- collide and overlap in intensely lyrical verse. What results is a journey that winds through shifting lands and interiors, across theatrical stages and city streets, into voices and objects that emerge in sudden, vivid relief, and just as quickly disappear. By turns dreamlike and sternly rational, arcane and contemporary, intimate and dramatic, it is a book of blinding, austere, and beautiful awakenings.

Waker's Tragedy Solarn Shadow,2004-02 The apocalypse has passed, and it wasn't so bad. Energy has manifested to physicality, the mind has taken second to the workings of the heart, and the world is genuinely happy. But when death itself becomes inconsequential humanity turns to bloodshed, delving into the aesthetics and glory of battle. Amongst the ranks come the Wakers, the prophets of the end times who prevented self-destruction in unity of all people, through art, music, and the subcultures. Rend, the white swordsman with a five-foot blade and lavender eyes searches for meaning in a world without consequence, recalling how the days came to pass with those who cross his path. And on this path he will find a place called The Valley to protect...single handedly from ten thousand soldiers, a pinball playing lawyer turned general, and the unluckiest boy to ever live. And amidst the constant battle, somewhere music plays...

The Legend of Zelda: The Wind Waker HD - Strategy Guide GamerGuides.com,2015-11-07 Set hundreds of years after the events of *Ocarina of Time*, *The Wind Waker* finds the hero Link in a sea scattered with 49 islands, which necessitates frequent sailing and naval combat. Link lives with his grandmother and younger sister Aryll on Outset Island, one of the few inhabited islands in the Great Sea. The people of the Great Sea pass down a legend of a prosperous kingdom with a hidden golden power. An evil man found and stole this power, using it to spread darkness until a young boy dressed in green sealed the evil with the Blade of Evil's Bane. The boy became known as the Hero of Time and passed into legend. One day the sealed evil began to return, but the Hero of Time did not reappear. The inhabitants of the Great Sea are unsure of the kingdom's fate, but it is clear that this legend is the story of *Ocarina of Time* where the Hero of Time, Link, fought Ganondorf. Can you emerge as the new Hero of Time? Join us for this adventure with Link as we:

The Fire Waker Ben Pastor,2013-11-05 In the winter of 304 c.e., the Roman Empire is divided by Emperor Diocletian into four separate parts. Individual power struggles and manipulations make the once-stable empire a

breeding ground for corruption. In the midst of this, Aelius Spartianus, a high-ranking officer and Diocletian's official historian, is sent to Trier with a sensitive message for Emperor Constantius. En route, he receives a letter from a former enemy telling him of a strange miracle worker named Agnus, a Christian preacher who works in Trier. Agnus, known as the "fire waker," has recently resurrected a man from absolute death. In the hiatus from the ongoing religious persecutions, Agnus's wondrous act incites fury, awe, and speculation. Determined to uncover the truth behind this seeming miracle, Aelius looks for Agnus and his assistant, the deaconess Casta. Before his investigation begins, however, he discovers that the resurrected man has been murdered. What ensues is a testament to Ben Pastor's complex skill at interweaving the complicated plots of the Roman government and the treacherous social undercurrents that rise to the surface. Aelius, in pursuit of the truth behind the fire waker's miraculous ability, finds himself getting closer to the heart of the Empire's escalating problems: political deception, religious persecution, and whispers of a coup d'état. As Aelius moves from the city to the battlegrounds, secrets of life and death---and resurrection---are uncovered and challenged, leaving everyone involved changed forever. Power-hungry emperors, mysterious miracle workers, lovers, concubines, and religious radicals all play their part in this explosive, haunting historical saga. Readers hooked by *The Water Thief* will welcome internationally renowned and critically acclaimed author Ben Pastor's newest epic, where she once again brings her thematic skill to bear.

Rune Waker Jamie Hawke, When a company creates a VR simulation to find closure for those grieving over lost loved ones, they go too far and open a rift to the afterlife. What used to be worlds for the dead are changing... evolving. This is my story—a journey into the world beyond to find my lost fiancée, in the process changing myself and my understanding of this new reality. An adventure that involves leveling up, forming bonds with demons and spirits, and even going up against a very odd dungeon master. Warning: This story contains nudity and adult situations. It is part of a shared universe, some books of which might include harem elements. Enjoy!

The Waker Dreams Richard Matheson, 2016-03-10 There's nothing like exciting fantasy to escape boredom. The problem is to know whether it's actually a fantasy. Dipping low and weaving in and out among the glittering towers, one might see the moving walks, the studied revolution of the giant street ventilators, hot in the winter and cool in summer, the tiny doors opening and closing, the park fountains shooting their methodical columns of water into the air. Farther along, one would flit across the great open field on which the glossy spaceships stood lined before their hangars. Farther yet, one would catch sight of the river, the metal ships resting along shore, delicate froth streaming from their sterns caused by the never-ending operation of their vents. Again, one would glide over the city proper, seeking some sign of life in the broad avenues, the network of streets, the painstaking pattern of dwellings in the living area, the metal fastness of the commercial section. The search would be fruitless.
