Valley Walls Glen Denny,2016-05-10 Half a century ago a rag-tag group of innovators was building a foundation for modern American rock climbing from a makeshift home base in Yosemite. Photographer Glen Denny was a key figure in this golden age of climbing, capturing pioneering feats on camera while tackling challenging ascents himself. In entertaining short pieces enlivened by his iconic black-and-white images of Yosemite's big wall legends, Denny reveals a young man's coming of age and provides a vivid look at Yosemite's early climbing culture. He relates such precarious achievements as hauling water in glass gallon jugs up the east face of Washington Column, nailing the 750-foot Rostrum in a punishing heat wave, and dangling overnight on El Capitan's Dihedral Wall in a lightning storm. Each true tale captures the spirit of historic Camp 4, where Denny and others plan the next big climb while living on the cheap and dodging park rangers.

*Haunted – Incredible True Stories of Ghostly Encounters 2-Book Bundle* Dorah L. Williams,2014-05-28 It was an irrational decision. Despite having just moved into a beautiful new house, the Williams family gave in to an odd, overwhelming desire to purchase and move into a Victorian home they had come upon by chance. They were curious, of course, as to why the house had in the past had such a high vacancy rate. But that curiosity didn't last long, because shortly after moving in, strange things began to happen. At first the family tried telling themselves there were logical explanations for the strange things they all were witnessing. But before long they came to accept the fact that they were sharing their home with ghosts. *Haunted* is the Williams family's story from the point of view of the mother, Dorah. Through her chilling reminiscences, we witness the all-too-real goings-on in the house. Upon writing *Haunted*, Dorah thought her situation was unique. What she didn't realize was how many others would relate to how it feels to be haunted, too. After being flooded by emails from people with similar experiences, Dorah began to realize this wasn't uncommon at all. So *Haunted Too* came to be. Not only will it entertain the reader, as good ghost stories always have, but it will also help the reader to better understand this phenomenon, with the inclusion of shared experiences, opinions, and advice of professionals in this field.

**Children's Stories and 'Child-Time' in the Works of Joseph Cornell and the Transatlantic Avant-Garde** Analisa Leppanen-Guerra,2017-07-05 Focusing on his evocative and profound references to children and their stories, *Children's Stories and 'Child-Time' in the Works of Joseph Cornell and the Transatlantic Avant-Garde* studies the relationship between the artist's work on childhood and his search for a transfigured concept of time. This study also situates Cornell and his art in the broader context of the transatlantic avant-garde of the 1930s and 40s. Analisa Leppanen-Guerra explores the children's stories that Cornell perceived as fundamental in order to unpack the dense network of associations in his under-studied multimedia works. Moving away from the usual focus on his box constructions, the author directs her attention to Cornell's film and theater scenarios, 'explorations',

'dossiers', and book-objects. One highlight of this study is a work that may well be the first artist's book of its kind, and has only been exhibited twice: Untitled (Journal d'Agriculture Pratique), presented as Cornell's enigmatic tribute to Lewis Carroll's Alice books.

**RIVER OF FIRE AND OTHER STORIES** Ed Robison, 2011-06-13 As he demonstrated in The Fox and Other Stories, (Turtle Press - 1996) and The Man Who Saw Himself (Xlibris -2002), Ed Robison continues to watch and listen closely to the world around him. This new collection reveals fresh poignancies and acutely observed quotidian mini-dramas that can easily burn into the consciousness of those willing to pause and listen. The River of Fire, the key story, is another unforgettable look at the horror of war. "It wouldn't be entirely out of line to characterize Ed Robison as a Damon Runyon of the resorts, retirement communities, logging towns and ... porch swings of the Northwest." -Jim Nisbet Author of Prelude to a Scream.

Anoka Stories Douglas Rainbow, 2023-05-26 Anoka, a little town Northwest of Minneapolis, Minnesota, is central to this collection of short stories. The stories span two centuries of history, including an Indian tribe's conflict with intruding white settlers, and a civil war veteran's souvenir that became a family heirloom. All of the stories have elements of truth; all have elements of fiction.
