War Storm Victoria Aveyard, 2018-05-15 The #1 New York Times bestselling Red Queen series comes to a stunning conclusion in War Storm. VICTORY COMES AT A PRICE. Mare Barrow learned this all too well when Cal's betrayal nearly destroyed her. Now determined to protect her heart—and secure freedom for Reds and newbloods like her—Mare resolves to overthrow the kingdom of North once and for all . . . starting with the crown on Maven's head. But no battle is won alone, and before the Reds may rise as one, Mare must side with the boy who broke her heart in order to defeat the boy who almost broke her. Cal's powerful Silver allies, alongside Mare and the Scarlet Guard, prove a formidable force. But Maven is driven by an obsession so deep, he will stop at nothing to have Mare as his own again, even if it means demolish everything—and everyone—in his path. War is coming, and all Mare has fought for hangs in the balance. Will victory be enough to topple the Silver kingdoms? Or will the little lightning girl be forever silenced? In the epic conclusion to Victoria Aveyard's stunning series, Mare must embrace her fate and summon all her power . . . for all will be tested, but not all will survive. Plus don't miss Realm Breaker! Irresistibly action-packed and full of lethal surprises, this stunning fantasy series from Victoria Aveyard, #1 New York Times bestselling author of the Red Queen series, begins where hope is lost and asks: When the heroes have fallen, who will take up the sword?

Red Queen Victoria Aveyard, 2015-02-10 The #1 New York Times bestselling series! Red Queen, by #1 New York Times bestselling author Victoria Aveyard, is a sweeping tale of power, intrigue, and betrayal, perfect for fans of George R.R. Martin's Game of Thrones series. Mare Barrow's world is divided by blood—those with common, Red blood serve the Silver-blooded elite, who are gifted with superhuman abilities. Mare is a Red, scraping by as a thief in a poor, rural village, until a twist of fate throws her in front of the Silver court. Before the king, princes, and all the nobles, she discovers she has an ability of her own. To cover up this impossibility, the king forces her to play the role of a lost Silver princess and betroths her to one of his own sons. As Mare is drawn further into the Silver world, she risks everything and uses her new position to help the Scarlet Guard—a growing Red rebellion—even as her heart tugs her in an impossible direction. One wrong move can lead to her death, but in the dangerous game she plays, the only certainty is betrayal. Discover more wonders in the world of Red Queen with Broken Throne: A Red Queen Collection, a companion novel with stories from fan favorites and new voices, featuring never-before-seen maps, flags, bonus scenes, journal entries, and much more exclusive content! Plus don't miss Realm Breaker! Irresistibly action-packed and full of lethal surprises, this stunning fantasy series from Victoria Aveyard, #1 New York Times bestselling author of the Red Queen series, begins where hope is lost and asks: When the heroes have fallen, who will take up the sword?

War Storm Stephen Ricketts, 2014-06-09 Three Lords, one destiny. The taking of a child unleashes a storm that will ravage a continent with winds of destruction. A new nation, an old throne and the dark secrets of an ancient prophecy steer the fates of the three warrior brothers, who are the Lords of Destiny. Arc Saberlund leads his people to a new homeland, but a vengeful enemy threatens to engulf his fledgling nation unless he can find a way to hold back the might of a malevolent empire. War Storm is the second epic novel in the Lords of Destiny series and the eagerly awaited sequel to Exodus.

The Storm of War Andrew Roberts, 2011-05-17 “Gripping. . . . splendid history. A brilliantly clear and accessible account of the war in all its theaters. Roberts's prose is unerringly precise and strikingly vivid. It is hard to imagine a better-told military history of World War II.” -New York Times Book Review Andrew Roberts's acclaimed new history has been hailed as the finest single-volume account of this epic conflict. From the western front to North Africa, from the Baltic to the Far East, he tells the story of the war—the grand strategy and the individual experience, the brutality and the heroism—as never before. Meticulously researched and masterfully written, The Storm of War illuminates the war's principal actors, revealing how their decisions shaped the course of the conflict. Along the way, Roberts presents tales of the many lesser-known individuals whose experiences form a

panoply of the courage and self-sacrifice, as well as the depravity and cruelty, of the Second World War.

Storm Force to Narvik Alexander Fullerton, 2017-07-17 From a British author known for “superb” action sequences, a WWII navel thriller set during the German campaign against Scandinavia (The Observer). Everard is returns in a new global conflict. British Captain Nick Everard’s destroyer is crippled by Nazi gunfire in the German invasion of Norway. Nothing seems able to stop the advance across Europe and the Royal Navy is in a tight situation. Desperately attempting to repair his ship hidden in a remote fjord, Everard is unaware that his son is part of an Allied naval flotilla converging on Norway, and the two are fated to join forces in a deadly arctic battle. Moving into a new and explosive phase of Everard’s career, *Storm Force to Narvik* takes us deep into the action and danger of the Second World War. Praise for Alexander Fullerton: “Impeccable in detail and gripping in impact.” —Irish Independent “The research is unimpeachable and the scent of battle quite overwhelming.” —Sunday Times “Has the ring of truth and the integrity proper to a work of art.” —The Daily Telegraph “The prose has a real sense of urgency, and so has the theme. The tension rarely slackens.” —Times Literary Supplement

Storm Over Iraq Richard Hallion, 2015-05-26 An incisive account of the Persian Gulf War, *Storm Over Iraq* shows how the success of Operation Desert Storm was the product of two decades of profound changes in the American approach to defense, military doctrine, and combat operations. The first detailed analysis of why the Gulf War could be fought the way it was, the book examines the planning and preparation for war. Richard P. Hallion argues that the ascendancy of precision air power in warfare—which fulfilled the promise that air power had held for more than seventy-five years—reflects the revolutionary adaptation of a war strategy that targets things rather than people, allowing one to control an opposing nation without destroying it.

The Storm on Our Shores Mark Obmascik, 2020-08-04 This “engrossing” (The Wall Street Journal) national bestseller and true “heartbreaking tale of tragedy and redemption” (Hampton Sides, bestselling author of *Ghost Soldiers*) reveals how a discovered diary—found during a brutal World War II battle—changed our war-torn society’s perceptions of Japan. May 1943. The Battle of Attu—called “The Forgotten Battle” by World War II veterans—was raging on the Aleutian island with an Arctic cold, impenetrable fog, and rocketing winds that combined to create some of the worst weather on Earth. Both American and Japanese forces tirelessly fought in a yearlong campaign, with both sides suffering thousands of casualties. Included in this number was a Japanese medic whose war diary would lead a Silver Star-winning American soldier to find solace for his own tortured soul. The doctor’s name was Paul Nobuo Tatsuguchi, a Hiroshima native who had graduated from college and medical school in California. He loved America, but was called to enlist in the Imperial Army of his native Japan. Heartsick, wary of war, yet devoted to Japan, Tatsuguchi performed his duties and kept a diary of events as they unfolded—never knowing that it would be found by an American soldier named Dick Laird. Laird, a hardy, resilient underground coal miner, enlisted in the US Army to escape the crushing poverty of his native Appalachia. In a devastating mountainside attack in Alaska, Laird was forced to make a fateful decision, one that saved him and his comrades, but haunted him for years. Tatsuguchi’s diary was later translated and distributed among US soldiers. It showed the common humanity on both sides of the battle. But it also ignited fierce controversy that is still debated today. After forty years, Laird was determined to return it to the family and find peace with Tatsuguchi’s daughter, Laura Tatsuguchi Davis. Pulitzer Prize-winning journalist Mark Obmascik “writes with tremendous grace about a forgotten part of our history, telling the same story from two opposing points of view—perhaps the only way warfare can truly be understood” (Helen Thorpe, author of *Soldier Girls*).

Ravens in the Storm Carl Oglesby, 2008-02-11 In 1964, Carl Oglesby, a young copywriter for a Michigan-based defense contractor, was asked by a local Democratic congressman to draft a campaign paper on the Vietnam War. Oglesby’s report argued that the conflict was misplaced and unwinnable. He had little idea that its subsequent publication would put him on a fast track to becoming the president of the now-legendary protest

movement Students for a Democratic Society (SDS). In this book, Oglesby shares the triumphs and tribulations of an organization that burgeoned across America, only to collapse in the face of surveillance by the U.S. government and infighting. As an SDS leader, Oglesby spoke on the same platform as Coretta Scott King and Benjamin Spock at the storied 1965 antiwar demonstration in Washington, D.C. He traveled to war-ravaged Vietnam and to the international war crimes tribunal in Scandinavia, where he met with Jean-Paul Sartre and Simone de Beauvoir. He helped initiate the Venceremos Brigade, which dispatched thousands of American students to bring in the Cuban sugar harvest. He reluctantly participated in the protest outside the 1968 Democratic National Convention and was a witness for the defense at the trial of the Chicago Seven the following year. Eventually, after extensive battles with those in SDS who saw its future more as a vanguard guerrilla group than as an open mass movement, Oglesby was drummed out of the organization. Shortly after, it collapsed when key members of its leadership quit to set up the Weather Underground. This beautifully written and elegiac memoir is rich in contemporary echoes as America once again must come to terms with an ill-conceived military adventure abroad. Carl Oglesby warns of the destructive frustrations of a peace campaign unable to achieve its goals. But above all, he captures the joyful liberation of joining together to take a stand for what is right and just -- the soaring and swooping of a protest movement in full flight, like ravens in a storm.

War Storm Various, 2016-08

The Romulan War: To Brave the Storm Michael A. Martin, 2011-10-25 The Romulan Star Empire engages in all out war against Earth, determined once and for all to stop the human menace from spreading across the galaxy. Earth stands alone. The Coalition of Planets has shattered, with Vulcan, Andor, and Tellar abrogating the treaty. Their pledge to come to the mutual defense of any power that is attacked has been shunted aside. Horrified by how easily the Romulans can seize control of their advanced starships, turning them into weapons, Andor and Tellar have joined Vulcan on the sidelines. Humanity is now the only thing that stands between the Romulan Star Empire and total domination of the galaxy. To drive humans from the stars, the Romulans employ ruthless and murderous tactics...and even dare to strike on the Vulcan homeworld with the hopes of demoralizing their Vulcan brethren. Heartened by their victories, the Romulans carry their all-out war assault closer to the heart of humanity—Earth. But the tattered remains of Starfleet stand unwavering, with the resolution that never again would any enemy strike ever reach Earth. On the front lines of the Earth-Romulan War is the United Earth flagship, the Starship Enterprise. Her captain, Jonathan Archer, has seen his vessel of exploration become a battleship. Once hailed for his work bringing the Coalition of Planets into existence, Archer is now a pariah. Undaunted, the captain keeps fighting, searching for allies and determined to do his duty: to save Earth and forge a new federation of planets.

Eye of the Storm Charles F. Bryan, Jr., Nelson D. Lankford, 2002-05-07 In this historical treasure, now restored to posterity, text and drawings by a Union cartographer record the daily life of Civil war soldiers, the firsthand observation of officers, and the battles he witnessed from Yorkville to Bull Run. 85 full-color illustrations.

Vipers in the Storm: Diary of a Gulf War Fighter Pilot Keith Rosenkranz, 2002-05-15 During Operation Desert Storm, Captain Keith Rosenkranz piloted his F-16 Viper in 30 combat missions. Here he recounts these experiences in searing, you-are-there detail, giving readers one of the most riveting depictions ever written of man and machine at war.

Star Trek: Enterprise: The Romulan War: To Brave the Storm Michael A. Martin, 2011-10-25 Based upon Star Trek created by Gene Roddenberry and Star Trek: Enterprise created by Rick Berman & Brannon Braga.

Storm of Steel Ernst Junger, 2016-01-26 Presenting the desperate conflict of the First World War through the eyes of an ordinary German soldier, Ernst Jünger's *Storm of Steel* is translated by Michael Hofmann in Penguin Modern Classics. 'As though walking through a deep dream, I saw steel

helmets approaching through the craters. They seemed to sprout from the fire-harrowed soil like some iron harvest.' A memoir of astonishing power, savagery and ashen lyricism, *Storm of Steel* depicts Ernst Jünger's experience of combat on the front line - leading raiding parties, defending trenches against murderous British incursions, and simply enduring as shells tore his comrades apart. One of the greatest books to emerge from the catastrophe of the First World War, it illuminates like no other book not only the horrors but also the fascination of a war that made men keep fighting for four long years. Ernst Jünger (1895-1998) the son of a wealthy chemist, ran away from home to join the Foreign Legion. His father dragged him back, but he returned to military service when he joined the German army on the outbreak of the First World War. *Storm of Steel* (*Stahlgewittern*) was Jünger's first book, published in 1920. Greatly admired by the Nazis, Jünger remained at a distance from the regime, with books such as his allegorical work *On the Marble Cliffs* (1939) functioning as a covert criticism of Nazi ideology and methods. If you enjoyed *Storm of Steel*, you might like Edward Blunden's *Undertones of War*, also available in Penguin Modern Classics. 'To read this extraordinary book is to gain a unique insight into the compelling nature of organized, industrialized violence' Niall Ferguson, author of *War of the World* 'Hofmann's interpretation is superb' *The Times* 'Unique in the literature of this or any other war is its brilliantly vivid conjuration of the immediacy and intensity of battle' *Telegraph* 'Storm of Steel is what so many books claim to be but are not: a classic account of war' *Evening Standard*

The Final Storm Jeff Shaara, 2012-01-10 NEW YORK TIMES BESTSELLER With the war in Europe winding down in the spring of 1945, the United States turns its vast military resources toward a furious assault on the last great stepping-stone to Japan—the heavily fortified island of Okinawa. The three-month battle in the Pacific theater will feature some of the most vicious combat of the entire Second World War, as American troops confront an enemy that would rather be slaughtered than experience the shame of surrender. Meanwhile, stateside, a different kind of campaign is being waged in secret: the development of a weapon so powerful, not even the scientists who build it know just what they are about to unleash. Colonel Paul Tibbets, one of the finest bomber pilots in the U.S. Army Air Corps, is selected to lead the mission to drop the horrific new weapon on a Japanese city. As President Harry S Truman mulls his options and Japanese physician Okiro Hamishita cares for patients at a clinic near Hiroshima, citizens on the home front await the day of reckoning that everyone knows is coming.

The Final Storm Jeff Shaara, 2011-05-17 *The Final Storm* opens a new front in Jeff Shaara's gripping chronicle of World War II as soldiers, sailors, and marines sacrifice all for one final push toward decisive victory in the fierce maelstrom of the Pacific theater. As the war in Europe winds down in the wake of the Normandy invasion, the United States has turned its vast military resources toward an all-out effort against the Japanese. In the spring of 1945, Japan's empire has been pressed slowly back toward its home islands, and the Americans mount a furious assault on the last great stepping-stone to Japan itself—the heavily fortified island of Okinawa. The three-month battle will feature some of the most vicious combat of the entire war, as American troops confront an enemy that would rather be slaughtered than experience the shame of surrender. With a narrative dexterity befitting his status as a master storyteller, Shaara relates the story of the struggle for Okinawa through the eyes of combatants on both sides: Private Clay Adams, a young marine whose brother Jesse has already earned his share of glory as a paratrooper with the 82nd Airborne in Europe; Admiral Chester Nimitz, who must unite rival army and marine commanders into a cooperative effort; General Simon Bolivar Buckner, Jr., the American ground commander trying to live up to the legacy of his father, who led Confederate troops during the Civil War; and General Mitsura Ushijima, the Japanese general in charge of defending the island, who understands what Tokyo will not believe: that his own fight to the death will only delay the inevitable—as the Americans continue their advance toward the home islands and ultimate victory. With the fights raging across the Pacific, a different kind of campaign is being waged in extraordinary secrecy: the development of a weapon so powerful, not even the scientists who build it know just what they are about to unleash. Colonel Paul Tibbets, one of the finest bomber pilots in the U.S. Army Air Corps, is selected to lead the mission to drop the horrific new

weapon on a Japanese city. As the new president, Harry S Truman, mulls his options, and a Japanese physician named Okiro Hamishita cares for patients at a clinic near the city of Hiroshima, citizens on the home front await the day of reckoning that everyone knows is coming. A fitting conclusion to one of the most riveting sagas in military fiction, *The Final Storm* illuminates the heroism and sacrifice that defined the war in the Pacific, bringing the conflict to life as only Jeff Shaara can.

Wolves of War Adam Conlon, 2021-04-18 Attacked and outnumbered upon arriving in Kendala, Tourm's small, peaceful envoy is forced to flee through the expansive Sea of Trees. Ambushed and afraid, they are unable to send word to the Crown regarding Kendala's betrayal. While they are hounded by monsters and highwaymen, the Kendalan army-led by their new power-mad monarch-strikes the seaside duchy of Nin. With their land conquered, the royal family struggles to maintain control. The King is unsure. The Crown Prince worries. Citizens panic. Warrior guilds, thirsty for blood and hungry for gold, squabble for a chance at the frontlines. Amidst total war, Orrick looks to his senior officers for guidance. But not all enemies fight under foreign banners, and blood washes away naught but disgrace. Relishing in violence, killing to reclaim Nin, can Orrick balance valor and bloodlust, or will madness and betrayal tear him apart?

King's Cage Victoria Aveyard, 2019-03-05 The #1 New York Times bestselling series! In this breathless third installment to Victoria Aveyard's #1 New York Times bestselling Red Queen series, rebellion is rising and allegiances will be tested on every side. Mare Barrow is a prisoner, powerless without her lightning, tormented by her lethal mistakes. She lives at the mercy of a boy she once loved, a boy made of lies and betrayal. Now a king, Maven Calore continues weaving his dead mother's web in an attempt to maintain control over his country—and his prisoner. As Mare bears the weight of Silent Stone in the palace, her once-ragtag band of newbloods and Reds continue organizing, training, and expanding. They prepare for war, no longer able to linger in the shadows. And Cal, the exiled prince with his own claim on Mare's heart, will stop at nothing to bring her back. When blood turns on blood, and ability on ability, there may be no one left to put out the fire—leaving Norta as Mare knows it to burn all the way down. Perfect for fans of George R.R. Martin's Game of Thrones series, *King's Cage* is the third high-stakes installment in the #1 New York Times bestselling Red Queen series. And don't miss *War Storm*, the thrilling final book in the bestselling Red Queen series!

Desert Storm Michael J. Mazarr, 2019-04-01 From Saddam Hussein's first bold threats in 1990 to the stunning ground phase of Desert Storm in early 1991, the crisis in the Gulf captured the world's attention. This high-tech, low-cost war was televised nightly from beginning to end, accompanied by on-the-spot interpretations of strategy and its implications. But what did we learn from this crisis? Did the United States bungle its attempts at discouraging Saddam's aggressive actions, or is deterrence simply not a reliable foreign policy tool? Are chemical weapons truly the poor man's atom bomb? Does the war represent a good model for future crises, or did circumstances make this war more of an anomaly than a precedent? How did the ill-volunteer U.S. force perform? By combining exciting, detailed vignettes of the crisis with insightful discussions of its consequences, this book opens up an informed debate concerning the true military and geopolitical lessons of the conflict. Representing a distillation of the best thinking on defense and foreign policy in Washington, *Desert Storm* also incorporates the testimony of the inside players during the crisis—the people who actually planned and fought the war. Combining academic rigor and in-depth military expertise, the authors challenge the complacency of the emerging conventional wisdom regarding the conflict, taking us beyond mere chronicling and instant analysis to a riveting reenactment of the war and the serious consideration of its long-term implications.

Red Storm Rising Tom Clancy, 1987-07-01 From the author of the Jack Ryan series comes an electrifying #1 New York Times bestseller—a standalone military thriller that envisions World War 3... A chillingly authentic vision of modern war, *Red Storm Rising* is as powerful as it is ambitious. Using the latest advancements in military technology, the world's superpowers battle on land, sea, and air for ultimate global control. It is a story you

will never forget. Hard-hitting. Suspenseful. And frighteningly real. “Harrowing...tense...a chilling ring of truth.”—TIME
