War Story Steven V. Elliott,2019 Everyone knows about Pat Tillman, the hero who didn't come home after a tragic encounter with friendly fire in Afghanistan. Aftermath is the untold story of what happened in the accident's wake--and the fall and unlikely redemption of Steven Elliot, a fellow soldier behind the bullets that killed Tillman. Though Elliott was only a young man in his first gunfight, following his superior officer's direction, the shame and regret over his actions wrecked his life. In the years that followed, he suffered from PTSD, depression, and alcohol addiction--and saw no way out beyond suicide. But then a supernatural encounter with God changed everything, restored his broken marriage, and set him on the path to a new mission of helping veterans through the trauma that too often comes in the aftermath of their service. A story of war and faith, love and tragedy, and ultimate healing--

War Story Jim Morris,2000-12-15 First published in 1979, *War Story* has deeply affected the hundreds of thousands who have read this classic account of the Vietnam War, making it one of the most popular memoirs to come from that period of history. Jim Morris tells his story as Executive Officer of a U.S. Army Special Forces A-Team and depicts the joint Green Beret/Montagnard combat operations.

War Stories Gordon Korman,2020-07-21 From the #1 New York Times bestselling author of *Restart*, a story of telling truth from lies -- and finding out what being a hero really means. There are two things Trevor loves more than anything else: playing war-based video games and his great-grandfather Jacob, who is a true-blue, bona fide war hero. At the height of the war, Jacob helped liberate a small French village, and was given a hero's welcome upon his return to America. Now it's decades later, and Jacob wants to retrace the steps he took during the war -- from training to invasion to the village he is said to have saved. Trevor thinks this is the coolest idea ever. But as they get to the village, Trevor discovers there's more to the story than what he's heard his whole life, causing him to wonder about his great-grandfather's heroism, the truth about the battle he fought, and importance of genuine valor.

Notes for a War Story Collector's Edition Gipi,2007-08-07 A graphic novel in which three young drifters are caught up in a nameless war in a Balkan country.

Women and the War Story Miriam Cooke,2023-09-01 In a book that radically and fundamentally revises the way we think about war, Miriam Cooke charts the emerging tradition of women's contributions to what she calls the War Story, a genre formerly reserved for men. Concentrating on the contemporary literature of the Arab world, Cooke looks at how alternatives to the master narrative challenge the authority of experience and the permission to write. She shows how women who write themselves and their experiences into the War Story undo the masculine contract with violence, sexuality, and glory. There is no single War Story, Cooke concludes; the standard narrative—and with it the way we think about and conduct war—can be changed. As the traditional time, space, organization, and representation of war have shifted, so have ways of describing it. As drug wars, civil wars, gang wars, and ideological wars have moved into neighborhoods and homes, the line between combat zones and safe zones has blurred. Cooke shows how women's stories contest the acceptance of a dyadically structured world and break down the easy oppositions—home vs. front, civilian vs. combatant, war vs. peace, victory vs. defeat—that have framed, and ultimately promoted, war.

Sheldon,1999 This volume contains writings of or about war from the following authors : Nina Macdonald, Rebecca West, Vera Brittain, Edith Wharton, Mary Borden, Ellen La Motte, Colette, Helen Zenna Smith, Dorothy Canfield Fisher, Amy Lowell, Willa Cather, Mary Lee, Elizabeth Shepley Sergeant, Gertrude Stein, Kathe Kollwitz, Charlotte Mew, Katherine Mansfield, Louise Bogan, Toni Morrison, Jane Addams, Emmeline Pethick-Lawrence, Edna St. Vincent Millay, Martha Gellhorn, Frances Davis, Dorothy Parker, Gertrud Kolmar, Virginia Woolf, Dorothy Thompson, Ding

War Stories Jeremy Bowen, 2012-09-27 Having joined the BBC as a trainee in 1984, Jeremy Bowen first became a foreign correspondent four years later. He had witnessed violence already, both at home and abroad, but it wasn't until he covered his first war -- in El Salvador -- that he felt he had arrived. Armed with the fearlessness of youth he lived for the job, was in love with it, aware of the dangers but assuming the bullets and bombs were meant for others. In 2000, however, after eleven years in some of the world's most dangerous places, the bullets came too close for comfort, and a close friend was killed in Lebanon. This, and then the birth of his first child, began a process of reassessment that culminated in the end of the affair. Now, in his extraordinarily gripping and thought-provoking new book, he charts his progress from keen young novice whose first reaction to the sound of gunfire was to run towards it to the more circumspect veteran he is today. It will also discuss the changes that have taken place in the ways in which wars are reported over the course of his career, from the Gulf War to Bosnia, Afghanistan to Rwanda.

War and Remembrance Thomas H. Conner, 2018-10-05 No soldier could ask for a sweeter resting place than on the field of glory where he fell. The land he died to save vies with the one which gave him birth in paying tribute to his memory, and the kindly hands which so often come to spread flowers upon his earthly coverlet express in their gentle task a personal affection.—General John J. Pershing To remember and honor the memory of the American soldiers who fought and died in foreign wars during the past hundred years, the American Battle Monuments Commission (ABMC) was established. Since the agency was founded in 1923, its sole purpose has been to commemorate the soldiers' service and the causes for which their lives were given. The twenty-five overseas cemeteries honoring 139,000 combat dead and the memorials honoring the 60,314 fallen soldiers with no known graves are among the most beautiful and meticulously maintained shrines in the world. In the first comprehensive study of the ABMC, Thomas H. Conner traces how the agency came to be created by Congress in the aftermath of World War I, how the cemeteries and monuments the agency built were designed and their locations chosen, and how the commemorative sites have become important outposts of remembrance on foreign soil. *War and Remembrance* powerfully demonstrates that these monuments—living sites that embody the role Americans played in the defense of freedom far from their own shores—assist in understanding the interconnections of memory and history and serve as an inspiration to later generations.

American War Stories Brenda M. Boyle, 2020-11-13 *American War Stories* breaks down the American perception of wars and focuses on how and why we conceptualize the war story. It is one of the first studies to ask readers to contemplate what constitutes a war story and how that constitution obscures the normalizing of militarism in American culture.

Only Cry For The Living Hollie S. McKay, 2021-03-04 Only once in a lifetime does a war so brutal erupt. A war that becomes an official genocide, causes millions to run from their homes, compels the slaughtering of thousands in the most horrific of ways, and inspires terrorist attacks to transpire across the world. That is the chilling legacy of the ISIS onslaught, and *Only Cry for the Living* takes a profoundly personal, unprecedented dive into one of the most brutal terrorist organizations in the world. Journalist Hollie S. McKay offers a raw, on-the-ground journey chronicling the rise of ISIS in Iraq—exposing the group's vast impact and how and why it sought to wage terror on civilians in a desperate attempt to create an antiquated "caliphate."

War Story David Richardson, 2019-04-16 Major Clay Steerforth, USMC, and Lieutenant Colonel Abdul Mujeed, Iraqi Defense Forces, are two men

willing to gamble their lives in pursuit of an ideal. Separated by culture but united by war, they cross paths in war-torn Iraq and unwittingly aid each other in their divergent pursuits of victory—both in combat and in personal fulfillment. Destiny makes them friends. Their bond is cemented after pondering the meaning of war, grasping at the promise of love, and sharing the knowledge that chance and death are woven into the fabric of their profession. “You will find yourself completely immersed...transported to a war zone in Ramadi and Fallujah. From the very preface—so gripping and extraordinary is this captivating narrative from a bona fide American hero who clearly writes from experience.” George Wayne, *Vanity Fair* and *R.O.M.E.* “A gripping inside look at the psychological challenges of modern war. The riveting dialogue, brutal honesty, and keen insight into the nature and history of warfare make this a must read.” Rita Cosby, Emmy-Winning Journalist & Bestselling Author

Close Quarters Larry Heinemann, 2010-03-31 From the moment his first novel was published, Larry Heinemann joined the ranks of the great chroniclers of the Vietnam conflict--Philip Caputo, Tim O'Brien, and Gustav Hasford. In the stripped-down, unsullied patois of an ordinary soldier, draftee Philip Dosier tells the story of his war. Straight from high school, too young to vote or buy himself a drink, he enters a world of mud and heat, blood and body counts, ambushes and firefights. It is here that he embarks on the brutal downward path to wisdom that awaits every soldier. In the tradition of *Naked and the Dead* and *The Thin Red Line*, *Close Quarters* is the harrowing story of how a decent kid from Chicago endures an extraordinary trial--and returns profoundly altered to a world on the threshold of change.

War Story Sara Hely, 2013-10-17 When war breaks out in 1939 guns and fat barrage balloons invade Hyde Park. The Dulcimer grandchildren are sent into Sussex and they find life at Dulcimer Hall as humdrum as ever - with no excitements or worries about a German invasion and no inkling at all of the dramas developing in the lives of the adults around them. Into their world comes Maggie Dunlop a Scottish girl taken on as a nursery maid. Having escaped her violent father soon she's thriving adored by the children well liked by both staff and family. Little does she know that her popularity is sowing dangerous seeds of jealousy or that feelings of affection can grow into a deep yet impossible love.

War Stories Gary Kulik, 2009-10-31 War stories are mostly innocent fables and understood as such by both the teller and the hearer. However, they have long been used for political and national purposes, and those about the war in Vietnam were no exception, as painfully evidenced in the 2004 presidential campaign. John Kerry campaigned as a war hero. His opponents cast him as a liar and a traitor and their war story prevailed. *War Stories* delves into the myths associated with the Vietnam veteran's experience and looks at them through the war stories they told and continue to tell. Kulik conducts an extremely thorough review of the Vietnam literature and interviews participants wherever possible, poking holes in the war myths of people throughout the political spectrum. *War Stories* discusses how returning Vietnam vets were treated and delves into the myths that atrocities were commonplace, that all veterans of that war suffer from PTSD, and that all are guilt ridden. Kulik's research and analysis of such stories lies at the heart of this book's originality and provides a new perspective on the Vietnam War for scholars, students, and general readers. His purpose in exposing such stories is not to deny or minimize American war crimes in Vietnam but to cut through the cant of false stories so that we retain our outrage at those that are true. As we are faced with future war stories from Iraq and Afghanistan and their likely exploitation, the moral stance and the lessons learned in this book will be especially important.

Three War Stories David Mamet, 2020-04-07 Spanning centuries and continents, Mamet uses war and its players to explore, among other themes, redemption and forgiveness as they unfold in the context of conflict in the form of three novellas. In *The Redwing*, the first of the three novellas, a 19th-century Secret Service naval officer turned prisoner, then novelist, and finally memoirist recounts his own transformations during the course of his service and imprisonment. The protagonist in *Notes on Plain Warfare* examines religion through the prism of the American Indian wars. Finally, *The Handle and the Hold* is a vivid, dialogue-driven tale of two ex-military men who steal a plane in the month before the Israeli War of

Independence.

The Greatest War Stories Ever Told Lamar Underwood, 2004 From soldier to journalist, twenty-four epic tales of war from those who know it best.

The Avengers Rich Cohen, 2013-10-02 Riveting, poignant and uplifting, *The Avengers* is a powerful exploration of resistance and revenge, of courage and dedication, and an inside look at some of the intrepid individuals who fought against the Holocaust and the Nazi occupation of Europe. Rich Cohen, author of the acclaimed *Tough Jews*, again narrates a little-known episode of Jewish history, this time altering what we thought we knew about the Holocaust. Abba Kovner, Vitka Kempner, Ruzka Korczak-comrades, lovers, friends. In the Lithuanian ghetto of Vilna, they were the heart of a breathtakingly courageous underground movement, and when the ghetto was liquidated, they fled to the forests and joined other partisans in continued sabotage and resistance.

The Story of World War II Donald L. Miller, Henry Steele Commager, 2001 *The Story of World War II* is a completely rewritten, expanded, and updated version - more than 75 percent new - of the classic narrative of the war that captures all the immediacy of the original work and contains hundreds of new firsthand accounts. *The Story of World War II* contains more than 130 photographs and 22 maps.--BOOK JACKET. War Story Gwen Edelman, 2002 In a faded bohemian hotel, two people begin an obsessive and all-consuming affair.
