An Unwanted Guest Shari Lapena, 2018-08-07 AN INSTANT NEW YORK TIMES BESTSELLER! Another thrilling domestic suspense novel from the New York Times bestselling author of *The Couple Next Door* and *Not a Happy Family* "A gripping mystery perfect for fans of Agatha Christie." -Good Housekeeping "Another nail-biter perfect for an all-nighter." -Entertainment Weekly A weekend retreat at a cozy mountain lodge is supposed to be the perfect getaway . . . but when the storm hits, no one is getting away It's winter in the Catskills and Mitchell's Inn, nestled deep in the woods, is the perfect setting for a relaxing--maybe even romantic--weekend away. It boasts spacious old rooms with huge woodburning fireplaces, a well-stocked wine cellar, and opportunities for cross-country skiing, snowshoeing, or just curling up with a good murder mystery. So when the weather takes a turn for the worse, and a blizzard cuts off the electricity--and all contact with the outside world--the guests settle in and try to make the best of it. Soon, though, one of the guests turns up dead--it looks like an accident. But when a second guest dies, they start to panic. Within the snowed-in paradise, something--or someone--is picking off the guests one by one. And there's nothing they can do but hunker down and hope they can survive the storm--and one another.

The Weekend Retreat Tara Laskowski, 2023-12-26 A wealthy family's vacation at their lush winery estate becomes a weekend to kill for in this deliciously twisted novel of suspense "Absolutely captivating! A riveting and immersive puzzle for fans of Lucy Foley and Ruth Ware." -Hank Phillippi Ryan Every year, the illustrious Van Ness siblings, heirs to a copper fortune, gather at their secluded winery estate for a joint birthday celebration. It's a tradition they've followed nearly all their lives, and now they are back with their significant others for a much-needed weekend of rest and relaxation, away from the public spotlight. With lavish comforts, gorgeous scenery, and indulgent drinking, the trip should be the perfect escape. But it soon becomes clear that even a remote idyllic getaway can't keep out the problems simmering in each of their lives. As old tensions are reignited, the three couples are pushed to the edge. Will their secrets destroy them, or will they destroy each other first? And who's been watching them from beyond the vineyard gates? When a torrential rainstorm hits, plunging them into darkness, the answers prove all too deadly... "Clever... [A] satisfying mash-up of *Succession* and Agatha Christie." -Publishers Weekly

Nights in Rodanthe Nicholas Sparks, 2014-07-01 Adrienne Willis is 45 and has been divorced for three years, abandoned by her husband for a younger woman. The trials of raising her teenage children and caring for her sick father have worn her down, but at the request of a friend and in hopes of respite, she's gone to the coastal village of Rodanthe in North Carolina to tend the local inn for the weekend. With a major storm brewing, the time away doesn't look promising...until a guest named Paul Flanner arrives. At 54, Paul is a successful surgeon, but in the previous six months his life has unraveled into something he doesn't recognize. Estranged from his son and recently divorced, he's sold his practice and his home and has journeyed to this isolated town in hopes of closing a painful chapter in his past. Adrienne and Paul come together as the storm brews over Rodanthe, but what begins between them over the weekend will resonate throughout the rest of their lives, intertwining past and future, love and loss.

Storm Siren Mary Weber, 2014-08-26 The award-winning novel that started it all. "A riveting tale from start to finish. Between the simmering romance, the rich and inventive fantasy world, and one seriously jaw-dropping finale, readers will clamor for the next book—and I'll be at the front of the line!" —Marissa Meyer, New York Times bestselling author of the Lunar Chronicles In a world at war, a slave girl's lethal curse could become one kingdom's weapon of salvation. If the curse—and the girl—can be controlled. "I raise my chin as the buyers stare. Yes. Look. You don't want me. Because, eventually, accidentally, I will destroy you." As a slave in the war-weary kingdom of Faelen, seventeen-year-old Nym isn't merely devoid of rights, her Elemental kind are only born male and always killed at birth—meaning, she shouldn't even exist. Standing on the auction block beneath smoke-drenched mountains, Nym faces her fifteenth sell. But when her hood is removed and her storm-summoning killing curse revealed, Nym is snatched up by a court advisor and given a choice: be trained as the weapon Faelen needs to win the war or be killed. Choosing the former, Nym is unleashed into a world of politics, bizarre parties, and rumors of an evil more sinister than she's being prepared to fight . . . not to mention the trainer whose dark secrets lie behind a mysterious ability to calm every lightning strike she summons. But what if she doesn't want to be the weapon they've all been waiting for? Set in a beautifully eclectic world of suspicion, super abilities, and monsters, *Storm Siren* is a story of power. And whoever controls that power will win. "Intense and intriguing. Fans of high stakes fantasy won't be able to put it down." —CJ Redwine, New York Times bestselling author of the Ravenspire series "Mary Weber has created a fascinating, twisted world. *Storm Siren* sucked me in from page one—I couldn't stop reading! This is a definite must-read, the kind of book that kept me up late into the night turning the pages!" —Lindsay Cummings, author of the Androma Saga "A riveting read! Mary Weber's rich world and heartbreaking heroine had me from page one. You're going to fall in love with this love story." —Josephine Angelini, internationally bestselling author of the Starcrossed trilogy "Elegant prose and intricate world-building twist into a breathless cyclone of a story that will constantly keep you guessing. More please!" —Shannon Messenger, author of the Sky Fall series

The Ice Storm Rick Moody, 2015-11-10 The national bestseller and basis for the Ang Lee film is a "powerful" novel of two troubled families during a blizzard in 1970s suburban Connecticut (Newsday). A potentially devastating blizzard approaches New Canaan, Connecticut, while internal forces of desire, frustration, and ennui threaten to

tear apart two quintessentially affluent, suburban families. Elena Hood rightfully suspects her husband, Benjamin, is having an affair with neighbor Janey Williams, while Benjamin resents Elena and his mounting feelings of ineptitude. As the snow begins to fall, Benjamin and Elena, as well as Janey and her husband, attend a neighborhood "key party," where they and other respectable suburbanites agree to go home with whomever's keys they draw from a bowl. Meanwhile, the Hoods' and Williams's teenage children are caught up in their own experimentations with sex and drugs as they test the boundaries of their structured upbringing. With author Rick Moody's sharp eye for the nuances of suburban life and allusions to 1970s America from Watergate to the Fantastic Four, the novel's landscape is vivid and immersive. This timeless, unforgettable novel is a compassionate portrayal of flawed characters and reflects Rick Moody's sharp eye for the contradictions of suburban life. This ebook features an illustrated biography of Rick Moody including rare images from the author's personal collection.

Emotional Storm Michael Eigen, 2005-05-19 Penetrating look at human relatedness by one of the field's most innovative thinkers. When two personalities meet, an emotional storm is created. This provocative quote by renowned psychoanalyst W.R. Bion is the point of departure for Eigen's new work. In the tradition of Martin Buber, Eigen explores the broad spectrum of emotions we experience in our relatedness to others, from feelings of longing, plenitude, and fulfillment to starvation, suffocation, and blind rage. Unlike authors of easy self-help books, Eigen embraces the storms of life as a critical aspect of our human bond. For Eigen, the emotional storm is not pathological, but rather integral to our humanity and instrumental to our growth and development. For this reason, he looks critically at our attempts to blunt our emotional response to the world around us. Like Eigen's other work, *Emotional Storm* weaves case studies, literary references, and psychoanalytic theory into an integrated, complex understanding.

Isaac's Storm Erik Larson, 2000-07-11 From the bestselling author of *The Devil in the White City*, here is the true story of the deadliest hurricane in history. National Bestseller September 8, 1900, began innocently in the seaside town of Galveston, Texas. Even Isaac Cline, resident meteorologist for the U.S. Weather Bureau failed to grasp the true meaning of the strange deep-sea swells and peculiar winds that greeted the city that morning. Mere hours later, Galveston found itself submerged in a monster hurricane that completely destroyed the town and killed over six thousand people in what remains the greatest natural disaster in American history--and Isaac Cline found himself the victim of a devastating personal tragedy. Using Cline's own telegrams, letters, and reports, the testimony of scores of survivors, and our latest understanding of the science of hurricanes, Erik Larson builds a chronicle of one man's heroic struggle and fatal miscalculation in the face of a storm of unimaginable magnitude. Riveting, powerful, and unbearably suspenseful, *Isaac's Storm* is the story of what can happen when human arrogance meets the great uncontrollable force of nature.

September Storm Brenda Jernigan, 2012-11-02 It's the wrong time . . . It's the wrong place . . . to fall in love. When Danielle Kapur, an advertising rep in San Antonio, decides to fly to Sea Horse Island, North Carolina. She figures two things might happen ... she will have one last fling with her ex-fiance who she hasn't seen in eighteen months or they will figure out their problems and live happily ever after. She wants someone who will comm ... not another playboy. What she doesn't expect is drinking too much and ending up in bed with a stranger. Adrian Massimino, CEO of Mass Enterprises, stands on the balcony of his beachfront home staring at the dark clouds

massing on the horizon. This is typical of the way his life has been going lately: a beautiful new home, a white sandy beach, and it's going to rain like hell all weekend. At least he doesn't have a nagging female wanting commitment from him ... which usually stems from his money. He's had one cheating wife. From now on it's no-strings attached. Hurricane Fran hits the North Carolina coast forcing Adrian and Dani to spend the weekend together. Their passionate natures are building much like the storm outside until neither can resist the intensity of their attraction.
