Scary Wendigo Horror Stories Marlon Quetzl, 2022-11-12 Every culture has frightening myths about wendigos, and Native Americans are no different. The Navajo mythology of the skinwalker is especially terrifying since so many people claim to have had real-life experiences with them. The majority of modern reports of encounters with wendigos take place in the American Southwest, although they have also been recorded as far afield as Australia. You may be wondering what a skinwalker is and why they are so terrifying. A skinwalker (also known as yee naaldlooshii) is a witch or medicine man who specializes in shapeshifting and uses supernatural abilities to prey on others. The stories of wendigos, which are sometimes confused with other myths such as werewolves or wendigos, present a separate story in which malevolent people may transform into any animal just by using that animal's skin. Some claim that the mythology of the skinwalker is true, while others hesitate to discuss it for fear of provoking them to emerge. Skinwalker legends may be scary, whether you believe them or not. If you're searching

for a new nightmare or two, check out these terrifying skinwalker tales and determine if the legends are genuine for yourself.

Perl One-Liners Peteris Krumins, 2013-11-13 Part of the fun of programming in Perl lies in tackling tedious tasks with short, efficient, and reusable code. Often, the perfect tool is the one-liner, a small but powerful program that fits in one line of code and does one thing really well. In Perl One-Liners, author and impatient hacker Peteris Krumins takes you through more than 100 compelling one-liners that do all sorts of handy things, such as manipulate line spacing, tally column values in a table, and get a list of users on a system. This cookbook of useful, customizable, and fun scripts will even help hone your Perl coding skills, as Krumins dissects the code to give you a deeper understanding of the language. You'll find one-liners that:

- * Encode, decode, and convert strings
- * Generate random passwords
- * Calculate sums, factorials, and the mathematical constants π and e
- * Add or remove spaces
- * Number lines in a file
- * Print lines that match a specific pattern
- * Check to see if a number is prime with a regular expression
- * Convert IP address to decimal form
- * Replace one string with another

And many more! Save time and sharpen your coding skills as you learn to conquer those pesky tasks in a few precisely placed keystrokes with Perl One-Liners.

The Engagement of Professional Services Barry Butcher, David Coker, 1995
Bent Heavens Daniel Kraus, 2020-02-25 "Kraus gets under your skin with brutal, elegant efficiency. Necessarily horrifying, devastatingly timely."—Kiersten White, New York Times—bestselling author of *The Dark Descent* of Elizabeth Frankenstein and *Slayer* From New York Times—bestselling author Daniel Kraus comes a breakneck, genre-defying YA thriller perfect for fans of Kiersten White, Neal Shusterman, and M. T. Anderson. Liv Fleming's father went missing more than two years ago, not long after he claimed to have been abducted by aliens. Liv has long accepted that he's dead, though that doesn't mean she has given up their traditions. Every Sunday, she and

her lifelong friend Doug Monk trudge through the woods to check the traps Lee left behind, traps he set to catch the aliens he so desperately believed were after him. But Liv is done with childhood fantasies. Done pretending she believes her father's absurd theories. Done going through the motions for Doug's sake. However, on the very day she chooses to destroy the traps, she discovers in one of them a creature so inhuman it can only be one thing. In that moment, she's faced with a painful realization: her dad was telling the truth. And no one believed him. Now, she and Doug have a choice to make. They can turn the alien over to the authorities...or they can take matters into their own hands. On the heels of the worldwide success of *The Shape of Water*, Daniel Kraus returns with a horrifying and heartbreaking thriller about the lengths people go to find justice and the painful reality of grief. "Bent Heavens is the darkest, angriest alien horror story that I've ever encountered. Hell. Yes."—Stephanie Perkins, New York Times bestselling author of *There's Someone Inside Your House*

The Buckland Romani Tarot Raymond Buckland, 2001-01-01 Finally there is a Tarot that embodies the spirit of the Gypsies. The Buckland Romani Tarot is a beautiful new deck that follows the traditional form of the tarot, but incorporates Gypsy forms and symbol. Drawing on his experiences with his Romani (English Gypsy) family, Raymond Buckland has teamed with artist Lissanne Lake to produce a beautiful deck that embodies the rich traditions and deep, earthy wisdom of these passionate people. Anyone who is familiar with the cards will enjoy this refreshing new approach, and anyone new to the tarot will enjoy the ease of use and down-to-earth nature of this attractive deck. The accompanying book presents a full set of fresh, insightful

interpretations written specifically to match this deck, along with traditional meanings. It also includes a Romani-English word list, historical background on the Gypsies, guidance on caring for and using the cards, and a selection of spreads. Many books on the tarot are so obscure and complex that they end up discouraging everyone but the advanced practitioner. In contrast, this book is written in simple language, that makes reading and studying the tarot a joy. In addition, it relays fascinating historical facts about the Gypsies. Although the exact origins of the tarot are shrouded in the mists of antiquity, we know one thing for certain—it is the Gypsies who are most directly responsible for keeping this ancient fount of wisdom from fading into obscurity. Now Raymond Buckland finally gives them the credit they are due. Discover how, in their wanderings, they have preserved the arcane wisdom of many lands and civilizations. Let the Romani Tarot help you see the world through Gypsy eyes.
