Whipped Alex Marland,2020-09-15 Canadians often see politicians as little more than trained seals who vote on command and repeat robotic talking points. Politicians are torn by dilemmas of loyalty to party versus loyalty to voters. Whipped examines the hidden ways that political parties exert control over elected members of legislatures. Drawing on extensive interviews with politicians and staffers across Canada, award-winning author Alex Marland explains why Members of Parliament and provincial legislators toe the party line, and shows how party discipline has expanded into message discipline. This book exposes how democracy works in our age of instant communication and political polarization. Whipped is a must-read for anyone interested in the real world of Canadian politics.

Whipped Jenika Snow,2019-07-25 There wasn't much I wanted out of life but having my bakery succeed, being able to continue doing what I loved to do, and finding a woman who could make me feel whole.And then the moment she walked into my bakery, I knew there would be no other for me.For months, I watched her sit at that little table in the corner and read. For months, I thought of a million different things I wanted to say to her.I might not have stalked her, but I sure as hell wanted to. I thought about it. Finding more out about Zara, and all the things I wanted to do to her, had become an obsession. Zara was gorgeous and curvy ... exactly the type of woman I fantasized about having by my side.But finding the courage to man up and go after what I wanted-her-was harder than I thought. I guess when you find the perfect person for you, the idea of being rejected could turn anyone into a coward.Until one day I wasn't willing to let her walk by without me saying something to her. I couldn't stay away. I wanted more.Whipped, that's what I was, but only for Zara.

Whipped I. J. Miller,2011-06 Carla Peters is nearly immobilized by her empty, malaise-filled, affluent suburban lifestyle. No love in her life, strained relationships with both her daughter and second husband, Carla is desperate to move forward in some way, to connect to her family again, to find the intensity of love, to get off the Valium prescribed for her as a cure-all magic carpet. Carla's one salvation seems to be her strong, powerful alter ego: Mistress Domina ... a leather-booted, stiletto-heeled sex goddess who discovers a talent for rendering men as vulnerable as she feels in

real life. There's a sound in her house she can't identify, a knife in her tire, a forbidden videotape, deviant demands from an unknown stranger. Who is the stalker? Her second husband ... the bouncer at the brothel ... a client ... or any of the men she has depended on all her life who claim the right to control her? A handsome detective is hired to keep her safe. But he won't let her become dependent on him and insists she rely on herself. Their connection inspires a new sense of self-worth in Carla, opening the door for greater intimacy. Yet the stalker's deadly presence continues to block her way. Will she crumble, or rise up against him to complete her journey forward?

Sugar Whipped Dez Marie, 2016-03-11 Alex isn't like the other girls. Alex has secrets that only Alex knows, and she intends to keep them that way. That is, until those secrets stop her in her tracks, leading her to the dark and macabre world of BDSM to cash in on the money she needs to keep up with her addictions, as well as living the proper life of a snobby sorority girl. Alex's main infatuation goes from Elle, the love of her life, to money and power. Taking newly learned techniques and her broken moral compass, Alex goes through a whirlwind of ventures and struggles, hitting rock bottom and clawing her way out, all while battling her inner demons--and the real life ones in the dungeon as well. Can a young woman living so dangerously, so hazardously, with so many risks and so much to lose, choose the path that leads her away from the coaxing temptation of the exquisitely beautiful women she works with, away from the wads of greenbacks and the name she'd made for herself, the infamous Dolce DeMaul? Or will she live happily ever after with the only person who's ever shown her what affection is? Only time will tell, as it usually does--catching up and breaking open secrets, unveiling the true wrath of a woman addicted to the sweeter things in life. A woman with a beautiful mind and broken heart, enslaved in her own ways.

Crack of the Whip Lawrence Wilson, 2019-03-14 A cruel and sadistic father beat his son with a whip from his early age through his teenage years. Anger, bitterness, and hatred grew as he grew. He developed a use for the gun, becoming proficient with speed and accuracy. He traveled west, meeting good people along the way who turned around his thinking about good against evil. He used his gun to help good people and law enforcement as he traveled through Oklahoma, Kansas, Nebraska, and finally settled in Wyoming—the state he longed to see—and started a family. But he wasn't satisfied. With tireless energy, ingenuity, and the help of his family and good friends, he developed an empire that stretched from Wyoming to California.

The Money-Whipped Steer-Job Three-Jack Give-Up Artist Dan Jenkins, 2002-05-07 The best golf writer on the planet returns with his funniest book ever. Dan Jenkins virtually invented the golf novel with *Dead Solid Perfect*, his rollicking account of the life and times of touring pro Kenny Lee Puckett. After thirty years of waiting for the follow-up, Jenkins returns to the world of big-time golf in *The Money-Whipped Steer-Job Three-Jack Give-Up Artist* and finds a world where endorsements and course fashion matter more than the side bet. His hero, Bobby Joe Grooves, is a hell-raising two-iron-wielding rogue trying to turn his one annual tournament win and considerable Texas charm into a spot on the Ryder Cup team. Standing between Bobby Joe and his little spot of golf heaven are two ex-wives, a girlfriend, various pious PGA officials, and his embarrassing lack of a career major. A book that will teach you more about golf history than any weepy sunset-over-the-eighteenth-green retrospective, *The Money-Whipped Steer-Job Three-Jack Give-Up Artist* is an uproarious portrait of what it's really like to play on the PGA Tour. It's vintage Dan Jenkins.

The Whipped Parent Kimberly Abraham,Marney Studaker-Cordner,Kathryn O'Dea,2003-04 A practical, realistic and easy-to-understand resource to help parents deal with out-of-control adolescents' frustrating behaviors - behaviors that can leave even the most experienced parents whipped. It is written in everyday language, with humor and hope. Provides answers to help parents meet the challenge of raising an out-of-control teen. From the book- Out-of-control teens include those who are described by mental health professionals as being oppositional-defiant and conduct disordered. Oppositional-defiant kids are negative, defiant, disobedient and hostile toward authority figures. They lose their tempers, argue and refuse to comply with the requests of parents, teachers, therapists, even the local librarian. Any adult who tries to set a limit is fair game. This type of adolescent is often angry, resentful, spiteful and vindictive. They deliberately annoy people and blame others for their poor choices and negative behavior. Conduct disordered kids are all of the above and then some. They engage in severely dangerous and illegal behaviors. They are often the school bullies, threatening peers and adults. They fight, carry weapons and do drugs. They lie, steal, set fires and deliberately destroy other people's property. They are often truant from school, stay out past curfew and run away from home, despite their parents' efforts to stop them. These teens consistently and seriously violate the rules and laws of society. The Whipped Parent can help parents of oppositional-defiant and conduct disordered adolescents find ways to stay centered while dealing correctly with school and court authorities. The authors do not believe in using boot camps as a tool to control bad behavior. Includes appendixes, worksheets for parents, suggested reading and an index.
