**Whisper** Lynette Noni,2018-05-01 A compelling, addictive fantasy with romance and real-world resonance. Teenaged Jane Doe (aka Alyssa) has been locked in a secret underground government facility for over two years, as authorities have tried — unsuccessfully — to get her to speak. She knows her words have a dangerous power, and she’s vowed never to unleash it again. But now a young evaluator, Landon Ward, is assigned to break her resolve. The last thing she expects is for him to be keeping secrets of his own ... The act of speaking has never been more potent — or more potentially deadly.

**Whisper** Mark Batterson,2017-10-24 PUBLISHERS WEEKLY BESTSELLER • The question isn't whether God speaks. The question is what does He have to say to you? The New York Times bestselling author of The Circle Maker teaches readers how to listen to God. WINNER OF THE ECPA CHRISTIAN BOOK AWARD FOR CHRISTIAN LIVING The voice that spoke the cosmos into existence is the same voice that parted the Red Sea, and made the sun stand still in the midday sky. One day, this voice will make all things new, but it’s also speaking to you now! That voice is God’s voice, and what we’ve learned from Scripture is that He often speaks in a whisper. Not to make it difficult to hear Him, but to draw us close. Many people have a tough time believing God still speaks. Sure, in ancient times and in mysterious ways, God spoke to His people, but is He still speaking now? Mark Batterson certainly believes so. And he wants to introduce you to the seven love languages of God; each of them unique and entirely divine. Some of them you might suspect but others will surprise you. By learning to tune in to and decipher each language, you’ll be able to hear His guidance in simple as well as life-altering choices. God is actively speaking through: Scripture, Desires, Doors, Dreams, People, Promptings, and Pain. Batterson gives you the tools you need to unlock each of these languages. God’s whisper can answer your most burning questions, calm your deepest fears, and fulfill your loftiest dreams. Discover how simple it is to hear God’s voice in every aspect of your life! He’s speaking, make sure you know how to listen!

**The Whisper** Pamela Zagarenski,2015-10-06 The two-time Caldecott Honor artist shares “a sumptuously illustrated fable about the magic of storytelling and the power of imagination” (School Library Journal, starred review). When a little girl receives a curious book filled only with pictures, a whisper urges her to supply the words she cannot see. As the pages turn, her imagination takes flight and she discovers that the greatest storyteller of all might come from within. Pamela Zagarenski’s debut as an author reminds us that we each bring something different to the same book. Surreal, staggering mixed-media paintings make traveling across such beautifully varied and bizarre storyscapes exhilarating.—Kirkus, starred review

**Whisper** Chrissie Keighery,2012-07-01 Fifteen-year-old Demi's world is shattered when she is left profoundly deaf by a sudden illness. Everything is different now, and Demi must learn to adapt to a new school, new friends and even learn a whole new language. Whisper is a coming-of-age tale about discovering who you are and where you fit in life. About friendships and first love and, most of all, learning to love the person you are.

**Whisper to Me** Nick Lake,2016-05-03 A remarkable story of strange beauty and self-discovery from Printz Award winner Nick Lake. Cassie is writing a letter to the boy whose heart she broke. She's trying to explain why. Why she pushed him away. Why her father got so angry when he saw them together. Why she disappears some nights. Why she won't let herself remember what happened that long-ago night on the boardwalk. Why she fell apart so completely. Desperate for his forgiveness, she's telling the whole story of the summer she nearly lost herself. She's hoping that love-love for your family, love for that person who makes your heart beat faster, and love for yourself- can save both of them after all. Awards for There Will Be Lies A Boston Globe Best YA Book of 2015 A Texas TAYSHAS Pick

**I Can Hear You Whisper** Lydia Denworth,2015-02-24 “A skilled science translator, Denworth makes decibels, teslas and brain plasticity understandable to all.”—Washington Post Lydia Denworth’s third son, Alex, was nearly two when he was identified with significant hearing loss that was likely to get worse. Denworth knew the importance of enrichment to the developing brain but had never contemplated the opposite: deprivation. How would a child’s brain grow outside the world of sound? How would he communicate? Would he learn to read and write? An acclaimed science journalist as well as a mother, Denworth made it her mission to find out, interviewing experts on language development, inventors of groundbreaking technology, Deaf leaders, and neuroscientists at the frontiers of brain plasticity research. I Can Hear You Whisper chronicles Denworth’s search for answers—and her new understanding of Deaf culture and the exquisite relationship between sound, language, and learning.

**The Whisper** Emma Clayton,2015-02-01 Mika and Ellie have the ability to hear thoughts. Their mission: listening in on the mind of evil Mal Gorman, who's determined to use an age-resisting serum to stay forever young. Forced to play along with his plans, the telepathic twins may be the only people able to release his brainwashed army of children. That's when they begin to hear The Whisper, which tells them they should be fighting fire with fire. This could mean revolution \. or war.

**Whisper** Ayesha Faruki,2021-08-12 A class field trip unlocked a whole new world. The Gift may have skipped a generation — but now it has come back, stronger than ever. Although, it’s not the only thing that has returned to the cities of the lost. More and more Gifteds and Nons alike are disappearing, and now it’s up to a handful of “average” kids to find out who’s behind the series of abductions — and most importantly, to get these people back. Eleven-year-old Zarina, along with five other girls previously living the average Non life, tumbles into a new reality that she’s expected to accept. But there’s simply one problem: no matter what happens, this world seems to be anything but normal. Will she be able to juggle both lives? All of her Gifts? And before anything else — will they be able to face the dark force abducting people? Ayesha wrote this book as an eleven-year-old herself. She was able to publish the book when she was thirteen.

**God Doesn't Whisper** Jim Osman,2020-07 In God Doesn't Whisper, Pastor Jim Osman examines the assumptions, practices, and Scriptural citations of those who promote Hearing the Voice of God theology. This book provides a thorough examination of the Scriptures often used to promote the practice of listening for the voice of God. What is the still small voice? Does God speak through signs? What about open doors, dreams, and feeling led? What is the biblical model for decision-making? Scripture is clear: God Doesn't Whisper.

**Why We Whisper** David J. Woodard,Jim DeMint,2007-12-06 Why Whisper? calls on Americans who believe in traditional values to resist the urge to stay silent and thus safe under the shameless onslaught of pressure, intimidation, and ridicule from the San Francisco-loving, NY Times reading, multicultural, anti-business, French-first, tree-hugging secular progressives and liberal political elites.

**Whisper** Carolyn Doty,1992

**The Roar** Emma Clayton,2014-08-01 Twelve-year old twins, Mika and Ellie, live in a future behind a wall \- safe from the plague animals beyond. Or so they've been told. But when one of them disappears, and the other takes part in a sinister virtual reality game, they begin to discover their concrete world is built on lies. As they go in search of the truth, and a strange sound in their heads grows to a roar, they find out that children and the planet have

never mattered more.

**Whisper** Lynette Noni,2018-05-01 A girl known as Jane Doe who has the power to change reality has been held in a secret government facility for more than two years, but everything changes when she gets a new handler, the mysterious but kind Landon Ward.

**The Whisper of Spirit** Antony F. Campbell,2008-01-29 The Whisper of Spirit is a searching reflection on faith in a God both far above us and personally close to us.--Back cover.

**Whisper** Yu-Ko Chang,2021-10-15 Victims all describe hearing a voice before they die gruesomely. Sometimes it's singing an old Taiwanese song, sometimes it's in Japanese, and sometimes it's an anguished call for help from a loved one. Can Wu Shih-Sheng, a degenerate taxi driver in Taipei, hunt down the source of the voice that killed his wife before he becomes the next victim? Whisper is a plot-driven, Taiwanese horror story. As well as being a chilling read, Chang Yu-Ko cleverly combines Taiwanese folklore, the Japanese occupation of Taiwan, and the long-term mistreatment of the country's aboriginal people into a story of how the past can still kill.

**A Whisper's Tale** Robert Hoffman,2013-12 Lightning struck close by; it was raining, windy, and cold. Whisper reached urgently for a nearby boulder to catch her balance. The labor of her reckless escape had taken an incredible toll on her already weary and battered frame. Whisper's vision had become so blurred that she could barely tell where the sky ended and the ground began. Fatigue was sweeping throughout her entire body and threatening to overwhelm her. She reminded herself that she was too angry to die, that she still had too much to do before Death could drag her to whatever afterlife awaited her. A Valor Infinity the Role-Playing Game Spotlight Book, this short is a supplement storyline to the Masarai character race. Struggling to uphold the vows of her commission in the Royal Hunter Regiment, Whisper, a Masarai Hunter, leads a team of three hunters on a mission to quell the demon uprising that is systematically hunting her people towards extinction.

*Whisper* Chris Struyk-Bonn,2014-04-01 Sixteen-year-old Whisper, who has a cleft palate, lives in an encampment with three other young rejects and their caregiver, Nathanael. They are outcasts from a society (in the not-too-distant future) that kills or abandons anyone with a physical or mental disability. Whisper’s mother visits once a year. When she dies, she leaves Whisper a violin, which Nathanael teaches her to play. Whisper’s father comes to claim her, and she becomes his house slave, her disfigurement hidden by a black veil. But when she proves rebellious, she is taken to the city to live with other rejects at a house called Purgatory Palace, where she has to make difficult decisions for herself and for her vulnerable friends.

The Whisper Aaron Starmer,2015-03-17 Twelve-year-old Alistair continues his quest to find his missing friend Fiona in Aquavania, a world where wishes can nearly come true, but he learns that the Whisper, once a boy named Charlie from his own world, has plans for Alistair and has used Fiona to try to lure him in. On the first day of school, it doesn’t take Sidney long to realize she stands out like a sore thumb. After accidentally bumping into a classmate in the hall, the bullying begins, and it’s aimed right at Sydney. Although Sydney was used to being the bully at her old school, the tables have turned, and she is now on the other side. A chance encounter with a boy in the lunchroom turns into a close friendship. Her new friend Finn, who is gay, is also the target of bullies. Sydney begins to feel ashamed of her past behavior.
