**Wolf Storm** Dee Garretson, 2011-08-30 This is Stefan's big break. He's on location in the mountains far from home for his first movie role, filming a blockbuster sci-fi adventure. The props, the spaceships, and the trained wolves on set should add up to a dream job, but acting turns out to be much tougher than he ever imagined, and he feels like his inner loser is all that's showing through. From the way his famously stuck-up co-star, Raine, treats him, he's pretty sure she thinks so too. And worst of all, no one will believe his claim that there are wild wolves haunting the forest around the set. When a blizzard strikes, isolating the young co-stars and bringing hungry feral wolves into the open, Stefan must take on his biggest role yet—working together with his co-stars to survive. With no second takes, they only have one chance to get it right. Lights, Camera, Action! Dee Garretson takes suspense and danger to new heights with her thrilling tale of friendship and survival against all odds.

**Storm Wolf** Stephen Morris, 2016-09 Libahunt! His grandfather's magical wolf-pelt was meant to protect their rural village in 1880s Estonia by fighting the terrible storms in the sky that could devastate the farms and fields and instead it drives Alexei to kill with impunity. Heartbroken at what he has become, Alexei flees his home and wanders through Estonia, Latvia, Lithuania, Poland, and Bohemia. He encounters the Master of Wolves who controls all the wolves and werewolves, a monster who steals children to turn them into killer-wolves, and the legendary Frau Bertha with her belt of sailor-skin to trap those who anger

her in animal form. Dare he hope to ever find an enchanter who can free him from the curse?
