The Girl in the Plain Brown Wrapper John D.

MacDonald,2013-06-18 From a beloved master of crime fiction, *The Girl in the Plain Brown Wrapper* is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. He had done a big favor for her husband, then for the lady herself. Now she's dead, and Travis McGee finds that Helena Pearson Trescott had one last request of him: to find out why her beautiful daughter Maureen keeps trying to kill herself. But what can a devil-may-care beach bum do for a young troubled mind? McGee makes his way to the prosperous town of Fort Courtney, Florida, where he realizes pretty quickly that something's just not right. Not only has Maureen's doctor killed herself, but a string of murders and suicides are piling up—and no one seems to have any answers. Just when it seems that things can't get any stranger, McGee becomes the lead suspect in the murder of a local nurse. As if Maureen didn't have enough problems, the man on a mission to save her will have to save himself first—before time runs out. "The Travis McGee novels are among the finest works of fiction ever penned by an American author."—Jonathan Kellerman Featuring a new Introduction by Lee Child

IT ALL STARTED WITH A GUM WRAPPER Joshua Lopez,2019-05-13 Many blessings pass by us every day. All we have to do is acknowledge this and believe that they are meant for us and take them as they are given. Whether big or small, significant or insignificant, expected or unexpected, every blessing is freely given to us from our Heavenly Father who loves us dearly. This author describes how a blessing, in the form of a

gum wrapper, changed his life forever after being released from criminal charges for the fourth consecutive time. He accepted Christ as his Lord and Savior in a six-by-twelve-foot cell and was set free both spiritually and physically. With many tasks ahead of him, he describes that change starts where you are, and that Christ is the foundation of it all. Whoever can be trusted with very little can also be trusted with much, and whoever is dishonest with very little will also be dishonest with much Luke 16:10. Artist credit: Zachary Miles Martinez

Wrappers Delight Jonny Trunk, 2020-01-21 A nostalgia trip through the sweet wrappers of our childhoods: a massive, magical blast from our pasts - all in one beautiful graphic book This is a very exciting book crammed full of the sweetest memories of all - a favourite gum, those addictive chews, that sparkling drink you can't remember the name of, those stickers you collected and of course your lolly of choice (until they stopped making it). Think Cider Barrel, Cresta, Tip Top, Pacemakers, Lollygobblechocbomb, Kung Fueys, Fizz Bang, UFO sweet cigarettes and loads of other TV tie-ins, Furry Friends and even Fingammies! And then there are the treats you'll only recall when you see the packaging for the first time in decades. Wrappers Delight catalogues the amazing, lifetime collection of John Townsend, a man who

collected the most disposable of wrappers: sweet cigarette boxes, wax gum papers, empty bags of crisps, drink cans, rock labels, stamps, transfers, coupons, recipe cards, tickets, odd boxes, badges, cards, stickers ... and more. All these items have been carefully documented and reproduced here in the highest quality. Presented in alphabetical order by manufacturer, and with over 500 full colour examples, this book is the first and only overview of the drinks and confectionary industry during this period
