Lois on the Loose Lois Pryce,2007-03-20 Pryce spent her weekdays working at the BBC stuck in a career rut, but she also led a parallel life as a biker with overwhelming wanderlust. Follow her hilarious adventures as she travels by motorcycle from Alaska to the southernmost tip of Argentina.

Revolutionary Ride Lois Pryce,2017-02-21 In 2011, at the height of tension between the British and Iranian governments, travel writer Lois Pryce found a note left on her motorcycle outside the Iranian Embassy in London: ... I wish that you will visit Iran so you will see for yourself about my country. WE ARE NOT TERRORISTS!!! Please come to my city, Shiraz. It is very famous as the friendliest city in Iran, it is the city of poetry and gardens and wine!!! Your Persian friend, Habib Intrigued, Lois decides to ignore the official warnings against travel (and the warnings of her friends and family) and sets off alone on a 3,000 mile ride from Tabriz to Shiraz, to try to uncover the heart of this most complex and incongruous country. Along the way, she meets carpet sellers and drug addicts, war veterans and housewives, doctors and teachers - people living ordinary lives under the rule of an extraordinarily strict Islamic government. Revolutionary Ride is the story of a people and a country. Religious and hedonistic, practical and poetic, modern and rooted in tradition - and with a wild sense of humour and appreciation of beauty despite the comparative lack of freedom - this is real contemporary Iran.

Red Tape and White Knuckles Lois Pryce,2013-03-18 To most thirty-something women, walking across the street to get a skinny latte and the latest copy of heat in excruciating high heels is an all-terrain task in itself. But Lois Pryce isn't just any woman - nine to five and post-work white wine spritzers have never been her thing. Unafraid of a challenge - having already ridden her motorbike from Alaska to the southernmost tip of South America - she decided she could never be one to settle for a last minute package holiday in Viva Espana. So, she began the kind of adventure most of us could only ever dream of.

A Siberian Winter's Tale - Cycling to the Edge of Insanity and the End of the World Helen Lloyd,2015-12-16 A Journey of Discovery driven by the Call of the Wild. In the depth of winter, Helen Lloyd spent three months cycling solo across one of the most remote, coldest inhabited regions of the planet - Siberia. In temperatures down to -50 C, she battled against the cold, overcoming her fear of wolves and falling through the ice of a frozen lake. Alone in a hibernating land with little to stimulate the senses, the biggest challenges were with her mind as she struggled with the solitude. With flashes of humour and riveting, graphic descriptions that will have you living each moment with her, Helen Lloyd describes the fear, uncertainty and joy of riding through a frozen, icy world. Yet, A Siberian Winter's Tale is a touching story full of warm-hearted moments that are gifted to Helen by strangers along the Road of Bones.

Gleams From Japan S. Katsumata,2013-05-13 First published in 1937 this is a collection of articles written by the author under the pseudonym 'Waseda Eisaku' for the Japan Tourist Bureau's magazine over twenty five years. Intended to satisfy the intellectual curiosity of cultivated tourists from abroad by giving the insider's view of all things Japanese, it was published as a book just before the outbreak of World War II. Writing in the first person, Katsumata becomes both guide and confidante, writing about his own travel experiences in Japan and about Japanese customs and practices that interest him, such as traditional incense ceremonies, or fishing with rod and creel. This personal approach results in an unusual selection of topics and itineraries including tray landscapes, old Japanese clocks, hot springs, Japanese humour, sumo wrestling, pines in Japanese scenery, the Japanese sun flag and Buddhist temple bells. The author not only describes, but draws the reader into his own experiences - his joy on buying an antiquarian book he cannot really afford, the monotony he feels when travelling too long through snowy landscapes, the delight he takes in telling you that the best bait for carp fishing is sweet potato. Katsumata's unconventional choice of subjects and his informal and individualistic writing style make this a refreshingly different guide to Japan, and a valuable record of the period in which it was written.

Land of the Long Wild Road Bob Goddard,2004-03 'Land of the Long Wild Road' is an off-beat, observant and humorous journey around New Zealand. Bob and Viv Goddard ride two small off-road motorcycles on gravel tracks, drovers' routes and four-wheel-drive trails into the wilderness of this fabulous and unspoilt country.

Morocco Overland Chris Scott,José Brito,Tim Cullis,Eric De Nadai,Franck Simonnet,Raf Verbeelen,2013-05 Covers over 10,000km from the High Atlas to the Mauritanian border, with detailed GPS off-road routes for 4WDs, motorcycles, campervans and mountain bikes.--Bertram.

World Economic and Financial Surveys International Monetary Fund,1990-01-01 This paper discusses commodity prices might serve as a useful leading indicator of inflation, based on the relative importance of flexible auction markets for the determination of these prices. They thus may have a tendency to respond relatively quickly, especially in response to monetary disturbances. Estimation of alternative commodity-price indexes, in which the weights are chosen so as to minimize the residual variance in aggregate inflation regressions, was not fully successful. The commodity prices do have a useful role to play as an aid in predicting inflation,

so long as one is careful to interpret the relationships qualitatively and in the context of more general macroeconomic developments. The ratio of consumer to commodity price movements' changes over time, and the relative price of commodities undergoes long sustained swings; nonetheless, the qualitative linkages are quite evident in the data. Perhaps most importantly, turning points in commodity-price inflation frequently precede turning points in consumer-price inflation for the large industrial countries as a group.

Desert Snow Helen Lloyd,2013-05-28 Desert Snow is the story of one girl, one bike and 1,000 beers in Africa. By daring to follow a dream and not letting fear prevail, Helen cycled across the Sahara, Sahel and tropics of West Africa, paddled down the Niger River in a pirogue, hitch-hiked to Timbuktu and spent three months traversing the Congo, which she thought she may never leave... A lot can change in 2 years, cycling 25,000km from England to Cape Town. So can nothing. Helen takes you with her on the journey through every high and low of her memories and misadventures. She describes a continent brimming with diversity that is both a world away from what she knows and yet not so different at all.

Rugged Road Theresa Wallach,2007-08-01 London to Cape Town overland by Panther and sidecar, pulling a trailer. No roads, no backup -- just straight across the Sahara through equatorial Africa, and South to the Cape -- in 1935, without even a compass! This is quite simply the most incredible Panther journey ever! Undeterred by nomads, sand drifts, heat, rain, rivers, breakdowns and politics, Theresa Wallach and Florence Blenkiron completed a journey that might well defeat a modern bike. From oasis to oasis arguing with the French Foreign Legion for permission to continue, and winning; fashioning a tow hitch for the trailer when it broke in the desert; rebuilding the entire engine from scratch in Agadez; meeting gorillas, lions and snakes on the road, staying in African villages and meeting an amazing variety of friendly and helpful people. Not to mention having an accident in Tanganyika (Tanzania) with the only car seen on the road for days!

Home By Seven Steph Jeavons,2020-11-18 One woman's solo journey to ride all seven continents on two wheelsWelsh girl Steph Jeavons ran away to see the world. She wanted to become the first person to circumnavigate the globe and ride a motorcycle on all seven continents - and to sing karaoke on the way.Steph's cravings for escapism manifest themselves in many ways throughout her life. The book begins in her late teens where she finds herself in prison by the age of twenty. She knows there is a whole world beyond that razor wire just calling out to be explored. Twenty years later, and armed only with a stern tone of voice she reserves for naughty dogs, drunk Turks, Iranian taxi drivers, semi-conscious British soldiers and Saudi truckers, she rides her trusty steed Rhonda the Honda solo around the world, to the highest, driest, wettest, hottest and coldest corners of the earth. This is a powerful and honest memoir written from the perspective of a liberated single woman taking on the world with a dogged determination to complete her mission at all costs.Home by Seven is told with honesty and wit and from a unique perspective.
