Giving and Taking Voice in Learning Disabled Theatre Tony McCaffrey,2023-04-26 Giving and Taking Voice in Learning Disabled Theatre offers unique insight into the question of ‘voice’ in learning disabled theatre and what is gained and lost in making performance. It is grounded in the author's 18 years of making theatre with Different Light Theatre company in Christchurch, New Zealand, and includes contributions from the artists themselves. This book draws on an extensive archive of performer interviews, recordings of rehearsal processes, and informal logs of travelling together and sharing experience. These accounts engage with the practical aesthetics of theatre-making as well as their much wider ethical and political implications, relevant to any collaborative process seeking to represent the under- or un-represented. Giving and Taking Voice in Learning Disabled Theatre asks how care and support can be tempered with artistic challenge and rigour and presents a case for how listening learning disabled artists to speech encourages attunement to indigenous knowledge and the cries of the planet in the current socio-ecological crisis. This is a vital and valuable book for anyone interested in learning disabled theatre, either as a performer, director, dramaturg, critic, or spectator.

When Serena Green accepted the role of housekeeper for wealthy widower Hayden Ramsay, she never imagined her new home would be Ramsay Hall, an ancient, sprawling mansion in Northern England. Serena quickly becomes an integral part of the household, making friends with Hayden’s younger son Hugh, despite Jack, his older brother’s, coldness towards her and Lana. But the hall’s beautiful exterior hides many ugly secrets. Though Serena and Jack begin to grow closer, she’s confused by his behaviour around Lana. What is he guilty of? And is there more to their mother’s death than the Ramsay men will admit, even to themselves? As the harrowing past of Ramsay Hall unravels, Serena fresh start becomes a fresh horror. Making modern mothers Thomson, Rachel,Kehily, Mary Jane,2011-06-22 What does motherhood mean today? Drawing on interviews with new mothers and intergenerational chains of women in the same family, this exciting and timely book documents the transition to motherhood over generations and time. Exploring, amongst other things, the trend to later motherhood and the experience of teenage pregnancy, a compelling picture emerges. Becoming a mother is not only a profound moment of identity change but also a site of socio-economic difference that shapes women's lives.

Almost Dysfunctional Larry Hubbell,2002-02 Walter Stanley, a middle-aged, mildly obsessive and slightly above average American political science professor, thinks he may have made a mistake. Why did he choose Russia as the site for his sabbatical? He's tired of the drunken camaraderie; he finds the crowded buses a Hobbesian world writ small; and he frequently becomes irate

stepping in dog feces in the halls of his apartment. Away from his wife and family, he meets Lientjies Steenkamp, a beautiful, young South African Communist, who he becomes infatuated with upon their first meeting. Can a slightly burned out, tenured college professor find happiness in a dreary society with a woman fifteen years his junior?

COLD CASE SQUAD John F. Nolan,2014-07-15 Detective Sergeant Patricia (Patti Mac) McAvoy’s career was turned upside down when an undocumented Mexican teen-aged boy was found strangled, floating in a 55 gallon drum in South Oyster Bay, Long Island. Inspection revealed he was carrying rosary beads and wearing a diaper. Simultaneously, McAvoy was transferred to Nassau County, NY, Homicide Squad South as a public relations ploy. Following a hostile reception from woman hating Detective Captain Peter J. Brennan, Patti was handed a cold case squad and exiled to an attic stacked floor to ceiling with cold cases. Brennan saddled Patti with four detectives, culled from his bad boy list, turning her assignment into a set up for failure. Outwitting Brennan by using guile and ingenuity, Patti led her team to a daring manslaughter arrest. Taking note of Patti’s leadership, a detective confided about his case of a murdered boy in a floating barrel, inexplicably removed from the active murder list and placed in the dead file as a special investigation. Patti attempted to re-open the case and ran into the infamous police “Blue Wall of Silence.” Patti browbeat Brennan into releasing the case. Breaching the “Wall,” cold case squad yielded two “persons of interest,” a prosperous attorney and a Roman Catholic Monsignor who was the Police Commissioner’s twin brother. Patti discovered the meaning of the ‘loneliness of command’ as she descended into the squalid world of sexism, racism, corruption and worst of all, pedophilia. The gruesome trail took her to the pillars of society. Patti found herself in the crosshairs of vile violent men, who would love to put a bullet between her eyes. The investigation exposed a massive political cover-up leading to the top of the food chain and ripped open a sleepy suburban county with the arrests of a powerful figure and Brennan.

Children of the Wind Ed Sundt,2012-11 On a scorching, dusty road in south-central Illinois in the late 1930's, Doc finds Cully, eleven, running from his father's death in the fields. He takes Cully in, as he had taken in other stray creatures, and teaches him the life of a rural veterinarian. Thus the boy gains an understanding that death, a commonplace in nature's cycle, reaches animals and people, young and old, by accident or intent. One day a letter from Connecticut, three-months delayed, arrives for the boy Cully from the mother who had abandoned him two years earlier. The letter, an old out-of-tune piano, a curling photograph, and some names buried deep in his vanished youth draw Doc with Cully eastward on the National Road, Cully toward his future and Doc toward his forgotten youth. With quiet, poetic force, the journal-told story emerges like the gradual focusing of an old stereopticon, the two pictures blending to reveal an unsuspected three-dimensional depth as the lost boy searches for his mother and Doc tries to piece together a repressed and catastrophic past. Cully and Doc's odyssey of discovery is steeped in knowledge of and love for the land across which they journey. It is a true American myth, yet it reverberates with echoes of the Arthurian legend, of Henry Hudson, of the orphan trains, of traumatic conflagrations, and of the dying rooms where waifs' bodies are sold for cash. The dramatic and surprising ending is at once a tearful defeat and a smile-producing victory.

Cole and His Dog Edward Kendrick,2017-04-15 Kicked out of his home at eighteen, Cole ends up at The Haven, a drop-in spot for homeless teens, run by Adam Franks. Cole also meets, and is attracted to, Ky, a friend of Adam's, who twice saves Cole from more attackers. After the second attack, things suddenly change in Cole's life when he finds out why someone seems to be after him. Will Ky be able to convince Cole he's told him is the truth, while dealing with his own attraction to Cole? And can Ky and his friends keep Cole safe from a man who claims to be Cole's real father?

Fight Dustin Bass,2014-07-18 Why would you avenge the murder of someone you hardly know? For a small time criminal like Fight, the answer is simple: principle. After hearing his father has been knocked off by the city's biggest crime boss, Fight, joined by several friends, goes on a violent rampage to settle the score. New to the game of high stakes crime, their rookie criminal mistakes start to catch up to them when they accidentally double-cross another crime boss. With nothing to live for in a city shot to hell, he decides to engage in an all-out war, but soon finds he is fighting for a lot more than just principle.

At the Heart of the Universe Samuel Shem,2016-06-28 The story of two mothers and a father in love with the same daughter, Samuel Shem's *At the Heart of the Universe* is an epic novel set deep in rural China against the backdrop of an ancient mountain monastery during the time of the one-child-per-family policy. Inspired by the author's experiences as parent of an adopted child, it describes the drama of adoption and the journey of loss and rebirth that can happen when a daughter brings together her adopted mother and father with her birth mother high on a mountaintop. Set in 1991 in Changsha, capital of Hunan province, as a Chinese woman abandons her one-month-old daughter in a pile of celery in a busy market, and then shifting to Changsha ten years later as the daughter returns with her adopted American parents, the story moves across southern China until, high atop Emei San, one of China's sacred mountains with a Buddhist temple, the four are brought together in the wilderness—a perilous and explosive time that unleashes their heartbreak and suffering and, remarkably, transcends it to shared compassion, and new beginnings.
