Little Blue and Little Yellow Leo Lionni, 2017-01-17 Beloved picture book creator and four-time Caldecott Honor-winner Leo Lionni's very first story for children, and a New York Times Best Illustrated Book of the Year. Little Blue and Little Yellow are best friends, but one day they can't find each other. When they finally do, they give each other such a big hug that they turn green! How they find their true colors again concludes a wonderfully satisfying story told with colorful pieces of torn paper and very few words. Leo Lionni launched his children's book career in 1959 with Little Blue and Little Yellow, and this 50th-anniversary edition, complete with Lionni's own explanation of how the book came to be, is sure to resonate with children today.

Sánchez, this gorgeously written and deeply moving novel is the YA debut from the award-winning author of *Inside Out & Back Again*. 4 starred reviews! In the final days of the Việt Nam War, Hông takes her little brother, Linh, to the airport, determined to find a way to safety in America. In a split second, Linh is ripped from her arms—and Hông is left behind in the war-torn country. Six years later, Hông has made the brutal

journey from Việt Nam and is now in Texas as a refugee. She doesn't know how she will find the little brother who was taken from her until she meets LeeRoy, a city boy with big rodeo dreams, who decides to help her. Hong is overjoyed when she reunites with Linh. But when she realizes he doesn't remember her, their family, or Việt Nam, her heart is crushed. Though the distance between them feels greater than ever, Hong has come so far that she will do anything to bridge the gap.

Dreaming In Yellow Harry Harrison, 2022-03-23 Emerging from Nottingham in the summer of 1989, the DiY Collective were one of the first house sound systems in the UK. Merging the anarchic lineage of the free festival scene, the cultural and political anger of bands like Crass with the new, irresistible electronic pulse of acid house, they bridged the idealistic void left by the moral implosion of the commercial rave scene. Written by Harry Harrison, one of DiY's founding members, this book traces their origins back to early formative experiences, describing in detail the seminal clubs, parties, festivals and records that forged the collective. *Dreaming In Yellow* is an attempt to distil the story of DiY's tumultuous existence and the remarkably eclectic, outrageous and occasionally deranged story

of them doing it themselves.

The Yellow Wall-Paper Charlotte Perkins Gilman, 2024-03-21 She has just given birth to their child. He labels her postpartum depression as »hysteria.« He rents the attic in an old country house. Here, she is to rest alone – forbidden to leave her room. Instead of improving, she starts hallucinating,

imagining herself crawling with other women behind the room's yellow wallpaper. And secretly, she records her experiences. The Yellow Wall-Paper [1892] is the short but intense, Gothic horror story, written as a diary, about a woman in an attic – imprisoned in her gender; by the story. Charlotte Perkins Gilman's feminist novella was long overlooked in American literary history. Nowadays, it is counted among the classics. CHARLOTTE PERKINS GILMAN (1860–1935), born in Hartford, Connecticut, was an American feminist theorist, sociologist, novelist, short story writer, poet, and playwright. Her writings are precursors to many later feminist theories. With her radical life attitude, Perkins Gilman has been an inspiration for many generations of feminists in the USA. Her most famous work is the short story The Yellow Wall-Paper [1892], written when she suffered from postpartum psychosis.

Yellow Wife Sadeqa Johnson, 2021-01-12 A Best Book of the Year by NPR and Christian Science Monitor Called “wholly engrossing” by New York Times bestselling author Kathleen Grissom, this “fully immersive” (Lisa Wingate, #1 bestselling author of Before We Were Yours) story follows an

enslaved woman forced to barter love and freedom while living in the most infamous slave jail in Virginia. Born on a plantation in Charles City, Virginia, Pheby Delores Brown has lived a relatively sheltered life. Shielded by her mother's position as the estate's medicine woman and cherished by the Master's sister, she is set apart from the others on the plantation, belonging to neither world. She'd been promised freedom on her eighteenth birthday, but instead of the idyllic life she imagined with her true love, Essex Henry, Pheby is forced to leave the only home she has ever known. She unexpectedly finds herself thrust into the bowels of slavery at the infamous Devil's Half Acre, a jail in Richmond, Virginia, where the enslaved are broken, tortured, and sold every day. There, Pheby is exposed not just to her Jailer's cruelty but also to his contradictions. To survive, Pheby will have to outwit him, and she soon faces the ultimate sacrifice.

The Yellow Wallpaper and Other Stories Charlotte Perkins Gilman, 2022-05-16 In the Longsellers collection, you will find the most read and loved books of all time. Lonely and having her life closely controlled by her husband, she begins to obsess over the wallpaper in her room. Charlotte Perkins Gilman is regarded as pioneer in American feminism. Also known for the utopian feminist novel *Herland* and its sequel, *With Her in Ourland*. This book includes 10 short stories by the author, including *The Yellow Wallpaper* and an essay by the author about her creative process, called *Why I Wrote The Yellow Wallpaper*. We hope you'll love this book as much we do, and don't forget to check the rest of the collection for more beloved classics.

The Secret of the Yellow Death Suzanne Jurmain, 2014-05-20 "Extremely interesting . . . Young people interested in medicine or scientific discovery will find this book engrossing, as will history students" (School Library Journal). [He had] a fever that hovered around 104 degrees. His skin turned yellow. The whites of his eyes looked like lemons. Nauseated, he gagged and threw up again and again . . . Here is the true story of how four Americans and one Cuban tracked down a killer, one of the world's most vicious plagues: yellow fever. Journeying to fever-stricken Cuba in the company of Walter Reed and his colleagues, the reader feels the heavy air, smells the stench of disease, hears

the whine of mosquitoes biting human volunteers during surreal experiments. Exploring themes of courage, cooperation, and the ethics of human experimentation, this gripping account is ultimately a story of the triumph of science. “[A] powerful exploration of a disease that killed 100,000 U.S. citizens in the 1800s.” —Kirkus Reviews Includes photos

Yellow Star Jennifer Rozines Roy, 2009 In 1939, the Germans invaded the town of Lodz, Poland, and moved the Jewish population into a small part of the city called a ghetto. As the war progressed, 270,000 people were forced to settle in the ghetto under impossible conditions. At the end of the war, there were 800 survivors. Of those who survived, only twelve were children. This is the story of Sylvia Perlmutter, one of the twelve.
