Yuri Tama: From Third Wheel to Trifecta The First toshizou,2022-10-11 Yuna Momose and Rinka Aiba were made for each other, and their whole school knows it. Between Yuna's princess-like elegance and Rinka's prince-like charm, all their classmates see them as the ideal couple. Yotsuba Hazama is no exception to that, but she is exceptional in another way: she's somehow managed to become fast friends with both of them! Having the whole school's favorite ship as her two best friends isn't exactly easy, though. Not only does it make everyone treat Yotsuba like a particularly obnoxious third wheel, it makes her feel like one too! Or at least it does, until one day, Yuna asks her out. And then Rinka asks her out too! And Yotsuba, whose social anxiety never seems to kick in until after she's already messed something up...says yes to both of them, without sparing so much as a single thought for the consequences. Oops! Now Yotsuba only has one choice: keep her accidental two-timing under wraps and make both of her new girlfriends as happy as she possibly can!

Find Yuri Ty Hutchinson,2019-07-13 Solving a murder is like solving a puzzle, except the missing piece is an eyeball. SFPD thought they were chasing a burglar until he started taking his victims apart and piecing them back together. When FBI Agent Abby Kane is brought on board to help crack the puzzling murders, she determines the motivation behind the escalation is plain and simple. The killer's bored. As Abby digs deeper into the killer's motivation, she suspects he's not working alone but as the hired help for someone else. The items he stole aren't showing up on the black market, which suggests buyers were already secured. Oh, and one more thing, the missing eyeball belongs to a Russian mobster. Is Abby chasing a bored burglar, or is she hunting a disgruntled employee for the Russian mob? Fans of Sei and Mui will be thrilled to see them appear in Abby's world. Yuri Vella's Fight for Survival in Western Siberia Liivo Niglas,Eva Toulouze,2019-10-10 The book is centred on a fascinating personality, a Western Siberian indigenous poet, reindeer herder and ecological activist, who, in his 40s, made the choice to live in the forest with reindeer. There, he struggled with oil giant LUKoil to ensure his reindeer the possibility to live. A series of essays reflect on his awareness and construction of self and culture, his complex relations with the oil industry, and his native spirituality. It presents insights into what it means to be an indigenous intellectual in post-Soviet Russia at the beginning of the 21st century. Yuri Vella (1948-2013) is not an ordinary representative of his people, but he shows one of the possible forms indigenous leadership could take in Russia, if it aims at giving indigenous peoples the possibility in the near and far future to shape a sustainable relation to nature and their neighbours.

Extroversion/introversion in Foreign Language Learning Natsumi Wakamoto,2009 This book explores how learners' personalities influence foreign language learning in Japan. In particular, this volume investigates three main research questions: What are the learning strategies generally employed by Japanese college students? What are the characteristic learning strategies of extroverts and introverts? Do extroversion and introversion have an impact on English listening proficiency? In the analysis carried out in the volume, both quantitative and qualitative research methods have been used. As regards the former, various types of questionnaires have been employed, measuring strategy use, personality characteristics, and English proficiency. As regards the latter, the strategies students use both in the classroom and in a tutorial learning situation have been observed, integrated with interviews with the students themselves regarding their use of learning strategies. In the last part of the book, the pedagogical implications of this study are examined with suggestions for both teachers and learners.

Dreamers Yuyi Morales,2018-09-04 We are resilience. We are hope. We are dreamers. Yuyi Morales brought her

hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. From the author-illustrator of Bright Star, Dreamers is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrantes bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, Soñadores, is also available. Winner of the Pura Belpré Illustrator Award!
