Paratextualizing Games Benjamin Beil, Gundolf S. Freyermuth, Hanns Christian Schmidt, 2021-11-30 Gaming no longer only takes place as a ›closed interactive experience‹ in front of TV screens, but also as broadcast on streaming platforms or as cultural events in exhibition centers and e-sport arenas. The popularization of new technologies, forms of expression, and online services has had a considerable

influence on the academic and journalistic discourse about games. This anthology examines which paratexts gaming cultures have produced - i.e., in which forms and formats and through which channels we talk (and write) about games - as well as the way in which paratexts influence the development of games. How is knowledge about games generated and shaped today and how do boundaries between (popular) criticism, journalism, and scholarship have started to blur? In short: How does the paratext change the text?

Lost in New Orleans Lynn Kear, 2022-12-15 Katty Stewart, Elizabeth (Moosie) White, Walker Ellis and Walter Stauffer were socialites born in New Orleans around the turn of the 20th century. Among their ancestors were Confederate soldiers, plantation owners, self-made millionaires and even a U.S. President. This book tells the story of four flawed, socially connected people who used newspaper society columns to craft highly curated images of themselves. But the newspapers of the time did not include the more salacious, messy, complicated and secretive details of their lives. This is also a social history of New Orleans during the Jazz Age, including descriptions of queer culture, the French Quarter, European travel, and life in the social circles of Kay Francis, Zelda and F. Scott Fitzgerald, Waldo Peirce, Caresse and Harry Crosby, Gerald and Sara Murphy and many others. Full of humorous anecdotes, drama, romance and tragedy, this book is an insightful chronicle of a fascinating time in New Orleans' LGBTQ history.

Handbook for Mortals Lani Sarem, 2017-08-15 Zade Holder has always been a free-spirited young woman, from a long dynasty of tarot-card readers, fortunetellers, and practitioners of magick. Growing up in a small town and never quite fitting in, Zade is determined to forge her own path. She leaves her home in Tennessee to break free from her overprotective mother Dela, the local resident spellcaster and fortuneteller. Zade travels to Las Vegas and uses supernatural powers to become part of a premiere magic show led by the infamous magician Charles Spellman. Zade fits right in with his troupe of artists and misfits. After all, when everyone is slightly eccentric, appearing 'normal' is much less important. Behind the scenes of this multimillion-dollar production, Zade finds herself caught in a love triangle with Mac, the show's good-looking but rough-around-the-edges technical director and Jackson, the tall, dark, handsome and charming bandleader. Zade's secrets and the struggle to choose between Mac or Jackson creates reckless tension during the grand finale of the show. Using Chaos magick, which is known for being unpredictable, she tests her abilities as a spellcaster farther than she's ever tried and finds herself at death's door. Her fate is left in the hands of a mortal who does not believe in a world of real magick, a fortuneteller who knew one day Zade would put herself in danger and a

The First Date Prophecy Kate Tamberelli, Danny Tamberelli, 2023-06-27 A fiercely funny and heartfelt Brooklyn-set rom-com featuring two talented romantic misfits whose first date ends with a psychic's prophecy that is equal parts great fortune and certain doom—and sends them on a search for answers to some of life's big questions, including whether they'll throw caution—and fate—to the wind, trust their instincts and write their own futures? From co-authors and real-life partners Kate and Danny Tamberelli. Brooklyn-based aspiring writer Lucy Minninger has no trouble putting the comedy in her rom-coms. It's the romance part of the equation that's the problem. But even as the rejection slips pile up, and her second dates dwindle, Lucy refuses to give up hope—or her HeartThrobs™ dating profile . . . Former child star Rudy Riziero made his mark on some of the most popular kids shows of the 1990s. But that early success has pigeonholed him into a stand-up routine riffing on his past work, while the slick single life he envisioned was clearly a fantasy. He's actually ready for a relationship, if he could just find someone uninterested in who he used to be . . . When Lucy and Rudy match online, they're eager to meet. But after their first date ends in a psychic's prophecy that is equal parts great fortune and certain doom, their flirty quips end and their search for answers to some of life's big questions begins: Is there really one person for everyone? Do destinies really intertwine? Where can you find the best tacos in Brooklyn? And when it matters most, will they throw caution—and fate—to the wind, trust their instincts—and write their own futures? “Romance, comedy, tacos, psychics, life, death, and love—The First Date Prophecy has it all. A beautiful, fun, and complex love story told by a beautiful, fun, and complex couple.” –Screenwriters Emily V. Gordon and Kumail Nanjiani (The Big Sick)

Sid and Marty Krofft Hal Erickson, 2015-03-13 H.R. Pufnstuf, Lidsville, Sigmund and the Sea Monsters, Land of the Lost: For a generation of children growing up in the late sixties and early seventies, these were some of the most memorable shows on Saturday morning television. At a time when television cartoons had lost some of their luster, two puppeteers named Sid and Marty Krofft put together a series of shows that captivated children. Using colorful sets and mysterious lands full of characters that had boundless energy, the Kroffts created a new form of children's television, rooted in the medium's earliest shows but nevertheless original in its concept. This work first provides a history

of the Kroffts' pretelevision career, then offers discussions of their 11 Saturday morning shows. Complete cast and credit information is enhanced by interviews with many of the actors and actresses, behind-the-scenes information, print reviews of the series, and plot listings of the individual episodes. The H.R. Pufnstuf feature film, the brothers' other television work, and their short-lived indoor theme park are also detailed.

Conveniently for Sage, it's located next door to her Ground Rules Roastery. That makes it easy for her to pitch in with Bax's employee team-building event. The plan is to boost morale with a scavenger hunt. And it seems to be going well—until Robbie, a programmer known for being a prankster, turns up dead in Sage's roastery . . . There are two suspects so far: Sage, who has no idea how the victim ended up in her space; and Bax, who was allegedly spotted arguing with Robbie the day before. But could it be a disgruntled employee? After all, Robbie's sense of humor was known to have rubbed some coworkers the wrong way. Now, it's up to Sage to find the culprit—before another life grinds to a halt.
