Zombie Storm ,2019-09-26 In *Zombie Storm* the zombies attack your burger van and the reader's adventure begins. Every page requires the reader to choose the next course of action in the story. One of a trilogy of books in the Pick Your Path series, *Zombie Storm* offers a fresh take on the traditional 'Choose your own adventure' format. These are short, strong, fast-moving stories, offering short, low-level texts. These are not just books; they are fully interactive adventures that will have the reader guessing and guessing - what happens next? The reader decides! With strong, 'unbook-like' layouts, these black and white illustrated are perfect for building reading stamina: if the reader is 'killed' the first time, they can keep reading it until they find the route. Note: some of the content of this book is not appropriate for readers under the age of eleven.

Once Upon a Zombie Storm Stoker, 2012-10-01 What would you do if you turned on the news tomorrow morning and learned there was a *Zombie Apocalypse*? There are at least seven people who would not be surprised. In fact, they've been waiting their whole lives for this event. These over-educated, under-employed misfits have spent years watching old horror films about zombies, playing zombie video games and discussing what they would do if zombies invaded. They are ready. In the real world, they are labeled as freaks and outcasts. They have dead-end jobs and are looked down on by their families and society. The real world is about to end. Is it possible the least likely people to survive in the normal world could triumph in a zombie apocalypse? Is this their chance to move from the bottom to the top of the food chain?

Everyday Normal Zombies - Cookin' Up a Storm Brent Williams, 2016-06-08 The dead walk. It's no big deal. They started eating us so we killed them all. But now when we die, we get back up. Join us for some extremely violent atrocities in *Everyday Normal Zombies - Cookin' Up a Storm*!

Storm Clouds Rising David Spell,2020-09-14 Praise for The Zombie Terror War Series!I waited until I read the last book in the series. This book series kept me engrossed in it as much as Dirk Patton's Voodoo Plague series. It is never ending action with a lot of Zombie killing. Was it all about just zombies? No, but it has you thinking about tightening up our border to be safer.Grabs you from the beginning and takes you on a ride. Zombies, terrorists and romance what more could you want? Good character development.Fantastic from book one until the last. I enjoyed them all, the action, humor, including the romance. This series had it all in spades and never got boring!Chuck McCain is back in an exciting new series! After the former SWAT-cop-turned-CIA-agent and his elite team are sent to eliminate a notorious child sex trafficker, things begin to come unravelled at the Agency. A vicious assassination attempt on Assistant Director Sandra Dunning leaves her crippled and confined to a wheelchair. When all the evidence for the attack points to a Mexican cartel, McCain and his partner Kevin Clark decide to take matters into their own hands. With no governmental backing, they risk everything to bring the cartel killers to justice. At the same time, back in the United States a covert plot is underway to steal the next election and place a man with an ominous agenda in the White House. There are no zombies in this series, but the action is fast and furious as Chuck confronts sinister terrorists, depraved cartel gangsters, and treacherous politicians. If you like fast-paced, heart-stopping action with an amazing cast characters you'll love Storm Clouds Rising!

Surviving the Storm Kate Mary,2018-04-26 Four months before the world ended, Melanie met Logan, the guy of her dreams. Too bad her younger sister's drama screwed things up - again. Now, with most of the population dead and the future uncertain, Melanie isn't sure what to think when he pops up. She's level headed enough to know that romance can't cure heartache or protect her from zombies, but that doesn't mean it can't help distract her from how horrible things are...

The Transcendent Zombie System A Hundred Battles In Green Armor, After transmigrating into the apocalypse, he acquired a Super Fusion System.Two Level 1 Zombies can be combined into a single Level 2 Zombie, the combined zombie would also be completely loyal.The higher the zombie's level, the better it looked.The zombies also possessed unique skills and techniques. Viral Storm Skyler Rankin,2019-11-17 The sores forming with unholy speed on Harley's arms and legs confirmed the infection was spreading. Its poison surged through her veins with such momentum that she could feel its sting in the current of her pulse. Unrelenting pain seared every cell, and she struggled to maintain focus, despite the fever raging in her blood. - Viral StormI didn't see that twist coming. What happened in the first chapter surprised me. It just kept twisting from there. - Sarah L., Beta ReaderViral Storm continues the story of Casey Williams and her friends attempting to flee the country and expose the evil work of BioGenetics, creators of the virus that spawned the zombie apocalypse. Euthanizing her best friend, who'd been infected with the virus, was

the most soul-crushing thing Casey could have imagined, but that was nothing compared to what happens next... Like the first book in the series, *Viral Dawn*, *Viral Storm* has gore, violence, and dark themes common in zombie apocalyptic fiction, but the book focuses more on the characters' lives than other elements. The story centers on strong, young adult female characters as do similar books in female-centered dystopian fiction like *The Hunger Games*, *Twilight*, *Divergent*, and *The Year of the Flood*. Join Casey as her struggle for survival continues in *Viral Storm*.

The Coming Storm C. Che Bhalin, B. T. Mienore, 2014-02-19 After the Zompoc a group of survivors joins ranks in Lower Manhattan. A motley crew of neighbors in a luxury high rise at the foot of the Brooklyn Bridge now need to think about what comes next and whether to stay or go. Luckily there is plenty of weed, plenty of guns, and enough sharp metal objects to keep the Zombies at bay. If they can just stop arguing long enough to pass the bowl, they might just make it through alive. Along the way, the group expands as they encounter new people, new places, and new ideas. A reminder - anyone and anything is fair game for us to poke fun at. Absolutely nothing is sacred! So sit back, do whatever works for you to free your mind and don't take this too seriously. It's mental masturbation... not the end of the weed, uh, world,

And for years, the remnants of the U.S. military have struggled to defeat them. No more. After U.S. forces cripple the enemy's ability to wage war, the North Koreans and their allies make a last-ditch effort to save themselves by building internment camps where thousands of Americans are held hostage. To end this reign of terror, Caleb Hicks, Gabriel Garrett, Tyrel Jennings, and Raymond Grabovsky will join forces with loyal resistance fighters who have spent years battling the North Koreans. To complete their mission, they will have to utilize a secret weapon even the U.S. government has been afraid to use. Until now...

The survivors of the destruction of Daneswall seek shelter from the oncoming storm, while soldiers of Baron Northreach are sent to investigate the strange message sent by the Baron's son. Captured in one bucket here, the read is dizzying and dramatic... and worrying with regard to the future.
