A Small Town Zombie Story Merlene Smith,2021-07-29 A zombie outbreak has finally happened, and it is a fight for survival. A sister and brother team up to get their families to a safe and secure place. They run into dangerous and challenging situations that make them think of new ways to survive. They figured out how to get by the zombies and only by accident did they find it. When they used a radio station to broadcast for other survivors, they find a scientist and a doctor, and with the help of the doctor and scientist, they create a resistance to the virus. Their quest for survival takes them on a dangerous and action-packed adventure across the US in search for a cure. They run into some pretty strange people that put them into some situations that no sane person would want to be in. Together they fight zombies, other survivors, and the government; and with the help of their family and friends, they continue to search for answers.

All Together Now Robert Kent,2013-09-29 Fifteen-year-old Ricky Genero is writing a journal of the zombie apocalypse. His high school has burned to the ground ... and his best friend died saving his six-year-old brother Chuck from a zombie horde. When Chuck is bitten and infected with the zombie virus, Rick must travel among the walking dead in search of a cure--Title page verso.

All Right Now Robert Kent,2014-06-30 How can you sneak past a horde of the dead with a screaming baby? The day Charlie Macomber is born is the first day of the zombie apocalypse. When the hospital in Harrington, Indiana is overrun by reanimated corpses, Charlie's dad must carry his son through the walking dead to safety. But when zombies roam the earth, can anyplace be safe? A companion novella to ALL TOGETHER NOW: A ZOMBIE STORY, ALL RIGHT NOW features familiar characters and sets the stage for the novel. WARNING This novella is mean and nasty and intended for a mature audience. It is absolutely not appropriate for younger readers. ALL RIGHT NOW: A SHORT ZOMBIE STORY is a gruesome, repugnant tale featuring horrific acts of violence sure to warp young minds. PRAISE FOR ALL TOGETHER NOW: A ZOMBIE STORY ALL TOGETHER NOW: A ZOMBIE STORY is by turns disgusting, terrifying, funny, and heartbreaking. Fans of THE WALKING DEAD will eat it up like, well, zombies munching fresh brains. A stellar debut from a novelist to watch! -Mike Mullin, award-winning author of ASHFALL, ASHEN WINTER, and SUNRISE Robert Kent's ALL TOGETHER NOW: A ZOMBIE STORY explodes with action, near escapes, flying guts (and other body parts), and bad luck for the main characters followed by even worse luck. In other words, a perfect zombie book. But the heart of this story is its realistic characters. I found myself staying up late over several nights, unable to put Ricky's tale down. -Darby Karchut, author of GRIFFIN RISING and FINN FINNEGAN When I say I found this book horrifying, I mean that in a good way. I mean it in the best way there is. There were moments in this book that completely spun me out. I read the disclaimer, but I wasn't expecting it to be as intense as it was. -Anniki's Bookcase ALL TOGETHER NOW: A ZOMBIE STORY is a book that is fast-paced, well-written and thought-provoking while still filling its pages with plenty of action, suspense, and, of course, zombie carnage. If you like zombie action combined with dark humor and a twinge of romance than ALL TOGETHER NOW is definitely for you. -Blood, Sweat, and Books This story is seriously fun, really easy to read, and the characters are easy to cheer for. And there are some fabulous one liners in this, seriously... for a zombie book, I think I laughed much more than I cringed! Well, maybe a bit, maybe not more. -Creating Serenity I was absolutely glued to my kindle till the early hours. The short chapters make it easy to read for those who just want to pick it up and put it down, but I bet you can't stop once you start. Every chapter is action-packed, fast-paced and full of suspense, but still maintaining believability even from a 15-year-old's perspective. The action is heart-pounding, gripping, and in some places I actually found myself holding my breath while I speedily read through the pages to find out what was going to happen next... and... breathe. -Gadget Girl Reviews I found no faults with this book, it flows well, is edited well and it is wickedly smart. There are also some very good moral lessons which gives us a very good reason to share this book with the young adults in our lives. It is guaranteed to warp their young minds, and hey, isn't that how we all started to love the genre? I really cared for Ricky and Michelle, I loved the originality of the story and it was never predictable. In my opinion that deserves 5 stars. Whether you love zombies or not, I think you will really enjoy ALL TOGETHER NOW: A ZOMBIE STORY! -Horror-Web Kent doesn't pull any punches. This is a violent story, that not only shows the zombie carnage, but also how humans can be just as nasty and dangerous as zombies, if not more so. -Pearls Cast Before A McPig

No Easy Hope James N. Cook,2013-03-21 Eric Riordan was once a wealthy man leading a comfortable, easy life. Until one day Gabriel--his oldest friend, a Marine Corps veteran, and a former mercenary--told him how the world was going to end. He did his best to prepare. He thought he was ready for anything. He was wrong. As the dead rise up to devour the living, one man finds himself struggling to survive in the ruins of a shattered world. Alone, isolated, and facing starvation, his only chance is to flee to the Appalachians and join forces with Gabriel. But the journey will not be easy, and along the way his humanity, his will to live, and his very soul will be tested. This is the beginning. This is his story.

Moldilocks and the Three Scares Lynne Marie,2020-02-28 A zombie-tastic take on a favorite fairy tale! “A horror spoof with a big heart: Lorenzo’s acrylic and colored pencil cartooning offers a warm glow, and readers will cheer for this undead family that finally feels complete.” —Publishers Weekly Forget Goldilocks and the three bears—MOLDILOCKS and the THREE SCARES are here, in a delightful new version of the popular story. Papa Scare (a monster), Mama Scare (a mummy), and Baby Scare (a vampire) live in a haunted house where they eat finger sandwiches and alpha-bat soup. One night, they go out to walk their dog (a bloodhound, of course) to let their soup cool down. While they’re away, in walks the zombie Moldilocks, looking for food, a chair, and a bed that’s just right. Kids will love this hauntingly funny story with its surprise ending!

Dead That Walk Chairman of Chime the European Foundation for Chinese Music Research Leverhulme Research Fellow at the School of Oriental and African Studies Stephen Jones,2010-09 Of all the monstrous threats to humanity' zombies are the most horrific. That's because they are not uncommon or alien - they're human. (Or more correctly' were human.) Anywhere that there are humans' there are zombies' and they can never be completely annihilated because by breeding more humans we breed more zombies. In The Ultimate Book of Zombies' these decomposing monsters are demolished' decapitated' and destroyed. The gore flows as humans and zombies dispatch each other in blood - curdling battles fought in big - city alleys' high school playgrounds' and even suburban living rooms. In addition' the living dead are fully deconstructed in these wide - ranging and fascinating stories. More than just brain - eating assaults and acid - bath retaliations' the tales in this book explore all elements of zombie existence and their interaction with the humans they live among.

The Key to Survival Kate L. Mary,2017-02-10 After finding her fiancé in a compromising position, Jane heads to a private island resort in Key West to clear her head. There she meets Austin, six years younger than she is and the exact opposite of her fiancé in every way, he seems like the perfect prescription to cure her heartbreak. But everything changes when the virus that had previously only been a minor nuisance morphs into a full-blown epidemic. Four miles from the mainland and surrounded by ocean, Austin and Jane believe they're safe from what's happening in the world, but a virus no knows borders and it isn't long before other guests start coming down with the illness. Zombie isn't a word that anyone likes to throw around, but it's the only explanation the couple can think of when one of the other hotel guests tries to eat Austin's face off. As things go from bad to worse and Jane leans on Austin more and more, she soon finds herself wondering if her little trip to Florida wasn't just the key to her survival, but also the key to finding a man who will love her the way she deserves.

Zombie Elementary Howard Whitehouse,2014-09-09 Larry Mullet is your typical fourth grader. He's not the biggest kid or the smartest kid or the best looking kid. He rides his bike, plays baseball, takes the school bus, avoids cafeteria food, and--oh yeah, he's a zombie hunting expert. Larry was just doing his usual thing when Alex Bates from Ms Hoag's class tried to eat him. Sadly, that was only the beginning. Something odd was going on at Brooks Elementary... and it was up to Larry and his friends to take charge (for some reason). Hilariously told interview-style as a record of the REAL story, and peppered with zombie tips and facts, zombie cheerleaders and plenty of gore, this book will be a surefire hit for anyone interested in a ghoulishly good life-or-death comedy.

Back from the Dead Anita Croy,2021-08 What happens if the dead don't stay buried? When an unknown woman came limping through the village of Ennery, Haiti, townspeople didn't know what to make of her pale, gray skin or the rag she kept covering her eyes. Even stranger, she looked like someone they recognized--a woman who had been dead and buried for 30 years. Explore the terrifying encounter with a zombie in this graphic adventure based on a true story. Then, learn about other zombies from around the world and find out the connection between voodoo and the undead.

Z: Zombie Stories J. M. Lassen,2011-09-01 When the zombie apocalypse comes, it's not just those crusty old folks who will struggle against the undead, it's the young people. What happens when you come of age during the zombie apocalypse? Z: Zombie Stories has the answer to that question. Z: Zombie Stories gathers together some of the hottest zombie fiction of the last two decades, from authors including Kelly Link, Jonathan Maberry, and Catherynne M. Valente. These stories focus on those who will inherit a world overrun with the living dead: a young man who takes up the family business of dealing with the undead, a girl struggling with her abusive father...who has become a zombie, a poet who digs up the wrong grave, and a Viking maiden imprisoned with the living dead... Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Rotten Bodies MR Steven Jenkins,2015-05-13 We all fear death's dark spectre, but in a zombie apocalypse, dying is a privilege reserved for the lucky few. There are

worse things than a bullet to the brain-much worse. The dead are walking, and they're hungry. Steven Jenkins, bestselling author of Fourteen Days and Burn The Dead, shares six zombie tales that are rotten for all the right reasons. Meet Dave, a husband and father with a dirty secret, who quickly discovers that lies aren't only dangerous...they're deadly. Athlete Sarah once ran for glory, but when she finds herself alone on a country road with an injured knee, second place is as good as last. Working in a cremation facility, Rob likes to peek secretly at the faces of his inventory before they're turned to ash. When it comes to workplace health and sanity, however, some rules are better left unbroken. Howard, shovelling coal in the darkness of a Welsh coalmine, knows something's amiss when his colleagues begin to disappear. But it's when the lights come on that things get truly scary. Six different takes on the undead, from the grotesque to the downright terrifying. But reader beware: as the groans get louder and the twitching starts, you'll be dying to reach the final page. Utterly hair-raising, in all its gory glory! CATE HOGAN - Author of One Summer

Waste Not Rhonda Parrish,2014-05-09 Although completely discordant on the surface, zombies and comedy complement one another immensely and have a long history of doing so. This collection of three funny zombie stories nods to that tradition and continues it. Waste Not - The coming of zombies forces humankind back to the land, to a simple lifestyle where 'Waste Not, Want Not' becomes more than a motto, it becomes the key to survival. And revenge. Feeders - The zombie apocalypse will affect more than just humans, explore the repercussions of walking dead through the eyes of a cat in this story guaranteed to make you smile. ...Oh My! - What if the Wicked Witch of the West wasn't killed by Dorothy's house? What if she couldn't be, because she was a zombie. Dun dun dun!

Ten Little Zombies Andy Rash,2012-07-27 A man and woman fight and count their way through a zombie horde in this twisted, illustrated parody of a children's counting book. When being chased by ten little zombies (no matter how cute they are), your only option is to systematically destroy them one by one, or else become zombie number eleven. In this love story wrapped in a tale of zombie mayhem, a resourceful couple flees from and picks off their undead pursuers with fast-paced ingenuity and an entertaining range of zombie-thwarting tools. As the zombies shuffle and stumble their way toward a variety of gruesome ends, our heroes must come up with new ways to escape sticky situations and stay together. This darkly funny illustrated tale—think meets Edward Gorey meets Hallmark—celebrates the romantic side of a zombie plague, with plenty of BRAINS and a lot of heart.
