Matthias Finger, Juan Montero

1917 and the Consequences Gerhard Besier, Katarzyna Stokłosa, 2019-09-30 The Russian Revolution of 1917 has been one of the most important events of modern history. It changed the course of the events not only in Russia but, on a wider scale, across the world while it influenced the flow of history throughout the twentieth century until the fall of the Soviet Union and, to some extent, well beyond this time. Radical change in Russia triggered social revolutions and reforms across Europe, while authoritarian systems shaped their societies according to the Russian model. This book analyses these forces, particularly at the European periphery which has been underexplored until this volume.

*Youth in Putin's Russia* Elena Omelchenko, 2021-12-02 This edited volume sheds light on the lives of young people in various central and peripheral regions of Russia, including youth belonging to different ethnic and religious groups and who have differing views on contemporary politics. While the literature continues to grow regarding the inclusion of youth in global contexts, the specific cultural, political, and economic circumstances of being young in Russia make the Russian case unique. Chapter authors focus on four key aspects that characterize the youth experience in contemporary Russia: cultural practices and value affiliations, citizenship and patriotism, ethnic and religious diversity, and the labor market. This collection will appeal to readers interested in contemporary life in Russia and looking for the latest empirical material on youth identities and cultures, as well as those looking to learn about the critical viewpoint of local academics regarding the ongoing processes in contemporary Russian society.

*Strategic Planning in Local Communities* Călin Emilian Hînțea, Marius Constantin Proftiroiu, Tudor Cristian Țiclău, 2019-01-29 This is a comparative international study of the patterns of planning in local governments. While strategic planning has been a field of interest for public management and administrative science for over half a century there are very few cross-national studies of the specifics of planning in local governments. The book analyses the planning activities of local authorities in 7 diverse countries: France, Hungary, Romania, Russia, Spain, Turkey and USA. Although theoretical models of strategic planning are used, the book's findings point to a very diverse and interesting environment with cultural, political and legal factors playing a significant role in shaping how planning is done in each country.

**SARS-CoV-2 and Coronacrisis** Fr archpriest Evgeny I. Legach, Konstantin S. Sharov, 2021-07-28 This book is useful for administrators of different levels involved in counteracting COVID-19, surveillance professionals, clinicians, researchers specializing in epidemiology, microbiology, and infectious diseases, and politicians / legislators engaged in public health sector. We use an innovative approach of combining both epidemiological and sociological analyses, as the very problem is mainly an issue of correct governance. A team of authors from Europe, Russia and China summarizes their experience and knowledge useful for containing SARS-CoV-2 and overcoming social and managerial consequences of the pandemic. The editors are sure that sharing our different experience would help to elaborate necessary strategies, protocols, and principles that may be effectively applied in the future to avoid dramatic consequences of not only COVID-19 but also any possible epidemiological hazards for people and medicine.

*Green Finance and Investment Promoting Clean Urban Public Transportation and Green Investment in Kazakhstan* OECD, 2017-10-24 This report discusses the main results of a project on how to reduce air pollution from urban public transport in Kazakhstan, by providing an analysis for designing a green public investment programme in this sector.

Emigration and Diaspora Policies in the Age of Mobility Agnieszka Weiner, 2017-07-05 This volume examines the ways different countries around the world have responded to rising numbers of mobile citizens. Complete with detailed case studies, it provides a groundbreaking and global analysis of emigration and diaspora policies in the 21st century. First, an introduction considers factors that determine a state's policy choices. It draws on rich empirical material to present readers with information on the determinants of policy definition and implementation, reactions to emigration, and converging and diverging trends. Next, the volume offers detailed case studies from 15 countries around the world, including Argentina, Vietnam, Senegal, the Russian Federation, Denmark, and Turkey. Coverage for each country critically analyzes its emigration or diaspora policies as well as how these policies affect its mobile citizens. The contributors also place the policies in context and explore the consequences of pertinent rules and provisions. In addition, a conclusion presents a comparative analysis of all case studies as well as details a set of best practices. Emigration and immigration are two sides of the same coin that every country experiences and, in one way or the other, must face. This book offers readers a new look on diaspora and emigration governance across the globe and explores the future paradigm of reactions to emigration.

*Diaspora Engagement in Times of Severe Economic Crisis* Othon Anastasakis, Manolis Pratsinakis, Fotini Kalantzi, Antonis Kamaras, 2022-06-19 How does a severe economic crisis impact on diaspora-homeland relations? The present volume addresses this question by exploring diaspora engagement in Greece during the protracted post-2009 eurozone crisis. In so doing, it looks at the crisis as a critical juncture in Greece's relations with its nationals abroad. The contributors in this book explore aspects of diaspora engagement, including transnational mobilisation, homeland reform, the role of diasporic institutions, crisis driven migration, as well as, comparisons with other countries in Europe. This book provides a compelling and original interdisciplinary study of contemporary diaspora issues, through the lens of an advanced economy and democracy facing a prolonged crisis, and, as such, it is a significant addition to the literature on European diasporas.

Nutrition and HIV/AIDS Nancy Dumais, 2020-04-29 This edited volume, "Nutrition and HIV/AIDS - Implication for Treatment, Prevention and Cure", is a collection of reviewed and relevant research chapters, offering a comprehensive overview of recent developments in the field. The book comprises single chapters authored by various researchers and edited by an expert active in the research area. All chapters are complete in themselves but united under a common research study topic. This publication aims at providing a thorough overview of the latest research efforts by international authors and opening new possible research paths for further novel developments.

*Bringing Global Governance Home* Laura A. Henry, Lisa McIntosh Sundstrom, 2021-10-07 The world's problems--climate change, epidemics, and the actions of multinational corporations--are increasingly global in scale and beyond the ability of any single state to manage. Since the end of the Cold War, states and civil society actors have worked together through global governance initiatives to address these challenges collectively. While global governance, by definition, is initiated at the international level, the effects of global governance occur at the domestic level and implementation depends upon the actions of domestic actors. NGOs act as mediators between global and domestic political arenas, translating and adapting global norms for audiences at home. Yet the role of domestic NGOs in global governance has been neglected relatively in previous research. Bringing Global Governance Home

examines how NGO engagement at the global level shapes domestic governance around climate change, corporate social responsibility, HIV/AIDS, and sustainable forestry. It does so by comparing domestic reception of global standards and practices in the BRICS states (Brazil, Russia, India, China, and South Africa). These newly emerging global powers, representing a range of regime types, aspire to become global policy makers rather than mere policy takers and have banded together through periodic summits to devise alternative approaches to economic development and global challenges. Nevertheless, these countries still engage the world primarily through existing global governance institutions that they did not create themselves. Ultimately, this book explores the interplay of international and domestic factors that allow domestically-rooted NGOs to participate globally, and the extent to which that participation shapes their ability to mediate and promote global governance perspectives within the borders of their own countries with varying regimes and state-society relations.

**The Donbas Conflict in Ukraine** Daria Platonova, 2021-09-28 This book examines why, when the conflict in eastern Ukraine began in 2014, fighting broke out in the Donetsk region, whereas it did not in Kharkiv city, despite the city, like the Donetsk region, being geographically proximate to Russia and similar in ethnic and linguistic make up. Based on extensive original research, the book argues that a key factor was the nature and behaviour of local elites, with those in Kharkiv having diffuse ties to the centre and therefore being more capable of adapting to sudden, profound regime change at the centre, whereas the elites in the Donetsk region had much more concentrated ties to the centre, were dependent on one network, and therefore were much less able to cope with change. The book thereby demonstrates how crucial for Ukraine are patronal politics, patronage networks, and informal centre-region relations, and that it was these local political circumstances, rather than Russia, which brought about the conflict.

**China and Georgia: the Belt and Road Construction and Development** 李, 2021-06-01 本书从地缘政治、经济、文化、历史、宗教、语言、民族、社会、政治、军事、外交、国际法等角度，全面、系统、深入地分析了中、吉两国在“一带一路”倡议下的合作现状、存在问题及未来发展前景。本书不仅是一部学术著作，也是一部政策参考书，对于研究“一带一路”倡议下的中、吉两国关系具有重要的参考价值。

**Handbook on Railway Regulation** Matthias Finger, Juan Montero, 2020-09-25 Taking a global approach, this insightful Handbook brings together leading researchers to provide a comprehensive overview of the state-of-the-art in railway regulation with a particular focus on countries that rely heavily on railways for transportation links. The Handbook also considers the most pressing issues for those working in and with railway systems, and outlines future trends in the development of rail globally.

**Popular Biopolitics and Populism at Europe's Eastern Margins** Andrey Makarychev, 2022-03-16 In this groundbreaking book, Andrey Makarychev approaches populism through a critical biopolitical lens and shows that populist narratives are grounded intrinsically in corporeality, sexuality, health, bodily life and religious practices. The author demonstrates that populism is a phenomenon deeply rooted in mass culture. He compares three countries -- Estonia, Ukraine and Russia--that all share post-Soviet experiences offering a broad spectrum of populist discourses. The three case studies display the interconnection between biopower and populism through references to culture, media, art, theatrical performances and literature, raising new questions and directions for understanding traditional accounts of populism. This work was supported by European Union's Horizon 2020 research and innovation programme under grant agreement No. 822682: Populist rebellion against modernity in 21st-century Eastern Europe: neo-traditionalism and neo-feudalism – POPREBEL.

**THE CROATIAN ORTHODOX CHURCH Was, Is, And Shall Be** Croatian Archbishop Alexander, 2019-12-03 For over a century, facts have been silenced, documents and historical monuments falsified, and whole parts of history fabricated, with the aim of creating a glorious Serbo-Yugoslav history, and to demean Croatian history and freedom of thought. The falsifiers made every effort to break the unity of the Croatian people, and thus imposed a model whereby all Orthodox Christians were Serbs. The deepest hidden secret in modern-day democratic Croatia is that the Orthodox faith and Orthodox Church of the Croatian people did indeed exist. This book disproves the accumulated lies, points to facts and historical truth and allows for a better understanding of the historic course of the restoration of the Croatian Orthodox Church. On December 1, 2013, Patriarch Nicolas signed a Tomos granting autocephaly to the Croatian Orthodox Church. This book provides readers with answers to why the Croatian Orthodox Church is unlawfully being prevented registration in the Republic of Croatia.

**Russian Information Warfare** Bilyana Lilly, 2022-09-15 Russian Information Warfare: Assault on Democracies in the Cyber Wild West examines how Moscow tries to trample the very principles on which democracies are founded and what we can do to stop it. In particular, the book analyzes how the Russian government uses cyber operations, disinformation, protests, assassinations, coup d'états, and perhaps even explosions to destroy democracies from within, and what the United States and other NATO countries can do to defend themselves from Russia's onslaught. The Kremlin has been using cyber operations as a tool of foreign policy against the political infrastructure of NATO member states for over a decade. Alongside these cyber operations, the Russian government has launched a diverse and devious set of activities which at first glance may appear chaotic. Russian military scholars and doctrine elegantly categorizes these activities as components of a single strategic playbook –information warfare. This concept breaks down the binary boundaries of war and peace and views war as a continuous sliding scale of conflict, vacillating between the two extremes of peace and war but never quite reaching either. The Russian government has applied information warfare activities across NATO members to achieve various objectives. What are these objectives? What are the factors that most likely influence Russia's decision to launch certain types of cyber operations against political infrastructure and how are they integrated with the Kremlin's other information warfare activities? To what extent are these cyber operations and information warfare campaigns effective in achieving Moscow's purported goals? Dr. Bilyana Lilly addresses these questions and uses her findings to recommend improvements in the design of U.S. policy to counter Russian adversarial behavior in cyberspace by understanding under what conditions, against what election components, and for what purposes within broader information warfare campaigns Russia uses specific types of cyber operations against political infrastructure.

**THE CHANGING PERSPECTIVES AND 'NEW' GEOPOLITICS OF THE CAUCASUS IN THE 21ST CENTURY** SERDAR YILMAZ, MURAT YORULMAZ, 2021-03-08 The change of the geopolitical realities and dynamics, the latest regional developments and the emergence of a new perception of security due to the new situation in Karabakh have changed current perspectives in the South Caucasus region. This book will provide a comprehensive introduction for students, academics, media representatives, business persons and those who are interested in the region. It will guide you through in a very readable and engaging style as it covers all the salient points and issues of the North Caucasus (the autonomous republics) succinctly and the South Caucasus (Azerbaijan, Georgia, Armenia) in detail. After the last development and Russian direct involvement in the Karabakh issue, the world's attention has focused

increasingly on the Caucasus region. Thus, THE CHANGING PERSPECTIVES AND ‘NEW’ GEOPOLITICS OF THE CAUCASUS IN THE 21ST CENTURY book will be an excellent introduction to the complexities of a little-known the Caucasus region and make a significant contribution to the understanding of fundamental issues of the region. As the editors, we would like to dedicate this book to the heroic Azerbaijani soldiers who were martyred during the struggle for the liberation of the Karabakh lands from the Armenian occupation.

**Circassia and Ukraine** Adel Bashqawi,2023-08-23 In light of the war of extermination that waged against Ukraine, the aggression is a typical scorched-earth policy. Genocide, ethnic cleansing, and forced deportation committed in the nineteenth century in Circassia are similar to Russia’s war in Ukraine since February 24, 2022. The book reminds of dozens of peoples and nations eager to restore their confiscated rights since the dissolution of the Soviet Union until now. It is divided into time periods (chapters). It touches on articles, studies, prominent occasions, developments, events, and commemorations that occurred during the mentioned period. What happened in the past and is developing nowadays necessitated the documentation, showing and exposing facts and events, which will set the record straight. Where actions speak louder than words, this confirms an undeniable reality. With peoples deprived of their rights, the Russian state did not care so far for mending fences and reconciling for peace and fairness. That confirms an undeniable fact, which is that the Russian state has not cared so far to carry out the duty entrusted to it in order to correct what the successive Russian regimes have committed against the Circassian nation and other victims of wars, occupation, genocide, deportation, and forced annexation.

**SME Policy Index: Western Balkans and Turkey 2022 Assessing the Implementation of the Small Business Act for Europe** OECD,2022-07-08 Small and medium-sized enterprises (SMEs) are essential drivers of sustainable economic growth in the Western Balkans and Turkey, where they make up 99% of all firms, generate 65% value added and account for 75% of employment. Nevertheless, SMEs across the region continue to face obstacles such as difficulties accessing financing, low levels of digital uptake, regulatory barriers and relatively low participation in international trade.

*Economic Systems in the New Era: Stable Systems in an Unstable World* Svetlana Igorevna Ashmarina,Jakub Horák,Jaromír Vrbka,Petr Šuleř,2020-10-10 This proceedings book presents outcomes of the Innovative Economic Symposium – 2020 organized by the Institute of Technology and Business in České Budějovice (VŠTE) in Russia in collaboration with two universities: Financial University under the Government of the Russian Federation (Moscow) and Samara State University of Economics (Samara). The symposium aims to bring together experts and young scientists in economy, management, international relations, finance, marketing, and professional education from Asian and European countries, to share knowledge and experience and discuss issues related to stable economic development, international business, entrepreneurship, Industry 4.0, cooperation between educational and business structures, strategic decision-making, and processes of economic globalization and fragmentation. The book consists of two parts corresponding to the thematic symposium areas. The book content covers two sections: stable development in unstable world and globalization and fragmentation forces of the current world economy. The main topics included in the book are as follows: - Where is the world moving to and where is the economy in it? - Institutionalization of innovations. - Network architecture of economic relations. - Competences for the future. - Smart change management. - Monetary and fiscal policy development as a factor of economic modernization. - Role of international trade in the economy globalization. - Impact of globalization and economic fragmentation on the enterprise’s internal environment. - Financial conditions for entrepreneurship under the economic modernization. - Impact of scientific and technological progress on globalization and fragmentation of the economy.

**Introduction**

In the digital age, access to information has become easier than ever before. The ability to download %D0%9D%D0%BE%D0%B2%D0%BE%D0%B3%D0%BE%D0%B4%D0%BD%D1%8F%D1%8F has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download %D0%9D%D0%BE%D0%B2%D0%BE%D0%B3%D0%BE%D0%B4%D0%BD%D1%8F%D1%8F has opened up a world of possibilities. Downloading %D0%9D%D0%BE%D0%B2%D0%BE%D0%B3%D0%BE%D0%B4%D0%BD%D1%8F%D1%8F provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading %D0%9D%D0%BE%D0%B2%D0%BE%D0%B3%D0%BE%D0%B4%D0%BD%D1%8F%D1%8F has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download %D0%9D%D0%BE%D0%B2%D0%BE%D0%B3%D0%BE%D0%B4%D0%BD%D1%8F%D1%8F. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading

%D0%9D%D0%BE%D0%B2%D0%BE%D0%B3%D0%BE%D0%B4%D0%BD%D1%8F%D1%8F. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading %D0%9D%D0%BE%D0%B2%D0%BE%D0%B3%D0%BE%D0%B4%D0%BD%D1%8F%D1%8F, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download %D0%9D%D0%BE%D0%B2%D0%BE%D0%B3%D0%BE%D0%B4%D0%BD%D1%8F%D1%8F has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

**FAQs About %D0%9D%D0%BE%D0%B2%D0%BE%D0%B3%D0%BE%D0%B4%D0%BD%D1%8F%D1%8F Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take

regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.

%D0%9D%D0%BE%D0%B2%D0%BE%D0%B3%D0%BE%D0%B4%D0%BD%D1%8F%D1%8F is one of the best book in our library for free trial.
