### The New Diversity of Family Life in Europe Banu

Çitlak, Sebastian Kurtenbach, Megan Lueneburg, Meglena Zlatkova, 2017-04-03 The authors focus on families who organize their lives in transnational social spaces within and at the outer borders of Europe, to offer a new perspective on transnational family life and to advance the knowledge on borders drawn by social inequality, discrimination and political exclusion. They also discuss social mobility as inheriting different life worlds, while crossing borders. The research on the socialization of children, raised in different societies provides a better understanding of the new generations in Europe from the beginning of the XXI c. The variety of methods presented in this book is also a contribution to link Western and Eastern European perspectives as well as sociology and anthropology in order to capture a wider spectrum of social reality.

**Circassia and Ukraine** Adel Bashqawi, 2023-08-23 In light of the war of extermination that waged against Ukraine, the aggression is a typical scorched-earth policy. Genocide, ethnic cleansing, and forced deportation committed in the nineteenth century in Circassia are similar to Russia's war in Ukraine since February 24, 2022. The book reminds of dozens of peoples and nations eager to restore their confiscated rights since the dissolution of the Soviet Union until now. It is divided into time periods (chapters). It touches on articles, studies, prominent occasions, developments, events, and commemorations that occurred during the mentioned period. What happened in the past and is developing nowadays necessitated the documentation, showing and exposing facts and events, which will set the record straight. Where actions speak louder than words, this confirms an undeniable reality. With peoples deprived of their rights, the Russian state did not care so far for mending fences and reconciling for peace and fairness. That confirms an undeniable fact, which is that the Russian state has not cared so far to carry out the duty entrusted to it in order to correct what the successive

Russian regimes have committed against the Circassian nation and other victims of wars, occupation, genocide, deportation, and forced annexation.

Lambert,2015-07-30 Social media has become the online meeting place. People now communicate on an unparalleled scale. Covering 34 countries, this text provides a useful snapshot of the issues that permeate virtual life. This text will aid lawyers when looking for where to begin when faced with a problem in this fast moving arena. Stephen Mason, barrister, academic and author

International Handbook of Social Media Laws is the only title currently available to address social networking laws at an international level. It clearly explains each of the main legal issues and developments across various legal jurisdictions to ensure that a company's social media presence can be fully compliant with the law of each country. It covers all aspects of the law from a UK and international perspective by offering country report chapters that highlight the legal issues, cases and rules in each jurisdiction. Reviews "I was simply riveted ... [expert contributors] of a very high order indeed ... so much more than a worthy compendium of SM laws and cases. It simply brings the whole subject alive ... [it] not merely describes what is going on. It makes you think. That is why this book is so valuable ..." The Rt. Hon. Professor Sir Robin Jacob. Foreword. "Social media has become the online meeting place. People now communicate on an unparalleled scale. Covering 34 countries, this text provides a useful snapshot of the issues that permeate virtual life. This text will aid the lawyer, student, journalist and others when looking for where to begin when faced with a problem in this fast moving arena." Stephen Mason. Barrister, International expert and author on electronic evidence and electronic signatures. "In one wide-ranging volume, Lambert and the country reporters demonstrate that law can not only keep up with technological change, but can in fact stay well ahead by anticipating upcoming questions. This comprehensive comparative reference will be invaluable for lawyers and students serious about the widespread legal impact of social software, and the myriad ways in which different legal regimes react to these new and growing challenges." Professor Joshua Fairfield. Washington and Lee University School of Law. The Internet offers amazing and at times bewildering choices, especially when it comes to online social media. This volume is your guiding star, shedding expert light not only on the legal perspectives of issues cropping up, but also on what we can expect the future to hold. An essential work for everyone in the field! Viktor Mayer-Schönberger.

**The Caucasus Emirate Mujahedin** Gordon M. Hahn, 2014-09-29 Russia's North Caucasus mujahedin of the self-declared Caucasus Emirate and the history thereof is part and parcel of the global jihadi revolutionary movement which includes but is no longer led by Al Qaeda. This book corrects the inadequate previous treatments of the violence in the Caucasus, almost all of which explain what ought to be called the rise of jihadism in the Caucasus solely in terms of Russian actions. The author brings the international jihadist and local North Caucasian causes back into the picture, detailing the global Jihadist/Islamist revolutionary movement's propagation of the "jihadi method" and material support to nationalist and Islamic extremists in Chechnya and the Caucasus since the mid-1990s. Like jihadi groups in Afghanistan and Pakistan, Iraq, Syria, and Africa, the Caucasus Emirate is an Al Qaeda ally and de facto affiliate. It represents a threat to Russian, U.S., and international security as evidenced by terrorist plots perpetrated or inspired by it in Belgium, the Czech Republic, Denmark, Spain, Azerbaijan, and Boston.

Diaspora Engagement in Times of Severe Economic Crisis

Othon Anastasakis, Manolis Pratsinakis, Foteini Kalantzi, Antonis Kamaras, 2022-06-19 How does a severe economic crisis impact on diaspora-homeland relations? The present volume addresses this question by exploring diaspora engagement in Greece during the protracted post-2009 eurozone crisis. In so doing, it looks at the crisis as a critical juncture in Greece's relations with its nationals abroad. The contributors in this book explore aspects of diaspora engagement, including transnational mobilisation, homeland reform, the role of diasporic institutions, crisis driven migration, as well as, comparisons with other countries in Europe. This book provides a compelling and original interdisciplinary study of contemporary diaspora issues, through the lens of an advanced economy and democracy facing a prolonged crisis, and, as such, it is a significant addition to the literature on European diasporas.

**Inventing Majorities** Mykhailo Minakov, 2022-03-22 The recent history of post-Soviet societies is heavily shaped by the successor nations' efforts to geopolitically re-identify themselves and to reify certain majorities in them. As a result of these fascinating processes, various new ideologies have appeared. Some are specific to the post-Soviet space while others are comparable to ideational processes in other parts of the world. In this collected volume, an international group of contributors delves deeper into recent theoretical constructions of various post-Soviet majorities, the ideologies that justify them, and some respectively formulated policy prescriptions. The first part analyzes post-Soviet state-builders' fixation on certain constructed majorities as well as on these imagined communities' symbolic self-identifications, in- or outward othering, and national languages. The second part deals specifically with post-Soviet ideas of sovereigntism and the way they define majorities as well as imply changes in internal and external policies and legal systems. These processes are analyzed in comparison to similar phenomena in Western societies. The book's contributors include (in the order of their appearance): Natalia Kudriavtseva, Petra Colmorgen, Nadiia Koval, Ivan Gomza, Augusto Dala Costa, Roman Horbyk, Yana Prymachenko, Yuliya Yurchuk, Oleksandr Fisun, Nataliya Vinnykova, Ruslan Zaporozhchenko, Mikhail Minakov, Gulnara Shaikhutdinova, and Yurii Mielkov.
