Celebrating Borderlands in a Wider Europe Andrey

Makarychev,Alexandra Yatsyk,2016-04-22 Die Autoren untersuchen Identitäten in den postsowjetischen Grenzgebieten in der Ukraine, Estland und Georgien seit dem Fall der Sowjetunion. Anstatt auf die großen geopolitischen Akteure richten sie den Fokus auf eine Vielzahl unterschiedlicher Akteure in den Grenzgebieten und Ihre verschiedenen kulturellen, ethnischen, religiösen und zivilisatorischen Strömungen.

"Smart Technologies" for Society, State and Economy Elena

G. Popkova, Bruno S. Sergi, 2020-10-15 This proceedings book presents a comprehensive view of “smart” technologies and perspectives of their application in various areas of economic activity. The authors of the book combined the results of the cutting-edge research on the topic of “smart” technologies in the digital economy and Industry 4.0 and developed a unified scientific concept. The current experience has been considered, and the prospects for the application of “smart” technologies in society to promote social advance have been identified. “Smart” technologies in public administration and law, as well as the experience in development of e-government, have been examined. “Smart” technologies in business activity have been studied, and the transition from digital business to business 4.0 has been justified. The book contains the collection of the best works following the results of the 13th International Research-to-Practice Conference “Smart Technologies” for society, state and economy which was run by the Institute of Scientific Communications (ISC) and was held on July 2-3, 2020. The target

audience of this book includes researchers investigating fundamental and applied problems of development of “smart” technologies, as well as concerned parties outside the academic community, in particular, representatives of the digital society, high-tech business entities and officials regulating the digital economy and Industry 4.0.

SARS-CoV-2 and Coronacrisis Fr archpriest Evgeny I. Legach, Konstantin S. Sharov, 2021-07-28 This book is useful for administrators of different levels involved in counteracting COVID-19, surveillance professionals, clinicians, researchers specializing in epidemiology, microbiology, and infectious diseases, and politicians / legislators engaged in public health sector. We use an innovative approach of combining both epidemiological and sociological analyses, as the very problem is mainly an issue of correct governance. A team of authors from Europe, Russia and China summarizes their experience and knowledge useful for containing SARS-CoV-2 and overcoming social and managerial consequences of the pandemic. The editors are sure that sharing our different experience would help to elaborate necessary strategies, protocols, and principles that may be effectively applied in the future to avoid dramatic consequences of not only COVID-19 but also any possible epidemiological hazards for people and medicine.

Alternative Paths to Influence Giulio M. Gallarotti, 2023-06-06 This book offers new and cutting-edge analyses of under-explored subjects and issues in the realm of soft power. It attempts to fill significant scholarly gaps in understanding the process by which soft power is created, as well as gaps in demonstrating its impact. Soft power is one of the most influential ideas in the study of international politics over the past thirty years. Can nations attain their most vital foreign policy objectives in agreeable ways? Advocates of the concept of soft power have vociferously answered in the affirmative. After many years of thinking in the field of international affairs that the only effective path to

influence in international politics was military and economic power, the idea of soft power offers new and exciting possibilities of gaining such influence through a more benign path, one that elevates cooperation and esteem as preferred alternatives to violence, threat and military capacity. This book posits that the realization of the full potential of soft power as a foundation for international relations is a crucial goal for our present world, one beset by war and planetary crises. The book will be of special interest to researchers across political science, international relations, cultural studies and foreign policy. It was originally published as a special issue of the Journal of Political Power.

Minerals Yearbook ,2013

Minerals Yearbook Mines Bureau, Geological Survey, Interior Department, 2017-03-06 The region of Europe and Central Eurasia defined in this volume encompasses territory that extends from the Atlantic Coast of Europe to the Pacific Coast of the Russian Federation. It includes the British Isles, Iceland, and Greenland (a self-governing part of the Kingdom of Denmark). Included are mineral commodity outlook tables, plus global overview research for particularly commodities within a specific regions/countries are presented throughout the text. Manufacturers of these metals and commodities, along with trade brokers that may specialize in imports and exports, political scientists, and economists may also be interested in this volume. Students pursuing research on specific metals and mineral commodities for world economy courses may be interested in this volume. Related products: Other print volumes in the Minerals Yearbook series can be found here: <https://bookstore.gpo.gov/catalog/science-technology/minerals-metals/minerals-yearbook> Minerals and Metals resources collection can be found here:

Internet Memes and Society Anastasia Denisova, 2019-03-21

This book provides a solid, encompassing definition of Internet

memes, exploring both the common features of memes around the globe and their particular regional traits. It identifies and explains the roles that these viral texts play in Internet communication: cultural, social and political implications; significance for self-representation and identity formation; promotion of alternative opinion or trending interpretation; and subversive and resistant power in relation to professional media, propaganda, and traditional and digital political campaigning. It also offers unique comparative case studies of Internet memes in Russia and the United States.

Different Shades of the Past Mateusz

Kamionka, Przemysław Łukasik, 2023-01-30 In his book 21 Lessons for the 21st Century the historian Yuval Noah Harari wrote that man had the possibility to conquer the world precisely because he could create fictional stories and believe in them. People created more and more complex stories about themselves that served and continue to serve, according to the professor of the University of Jerusalem, building unity, social harmony and gaining power. A narrative about past, in which memory fragmentation and victimisation play a large role, may be a temptation to instrumentalise the past. This is especially true in relation to the events of the twentieth century, when a series of bloody war conflicts occurred. As shown in the following post-conference volume, today the wars of the past (World War I and World War II, Indian-Pakistani war) and current conflicts (Russo-Ukrainian war, war in Sudan or Nagorno-Karabakh) are also a catalyst for the process of instrumentalisation. This process can be analysed both at the level of the evolution of the language of conflict, including the erosion of the values of democratic dialogue, and the use of specific means of commemorating the past (monuments, museums, the Internet).

Potty Training J.D. Rockefeller, 2015-06-17 After changing countless wet and dirty diapers, parents of toddlers everywhere are more than ready to potty train their child and move past the

diaper stage. Potty training comes with its own headaches and frustrations, however, and you may find yourself wishing for those peaceful days of diaper-dom. Stay patient and persevere, and you will get through this. Despite what you will hear from many sources through the potty training stage, there is no one perfect potty training method. Each child is different and so each child needs his or her own approach to conquering this milestone. With that being said, here are a few things that just don't work:

1. Copying Someone Else's Style Somewhere out there is a super child who was successfully potty trained in two days at 11 months. I'm sure you've all heard the stories. Everybody knows somebody whose child did everything faster, better, and younger than anyone else. And that's great for them. Be happy for them and also be a little jealous. But don't try to copy their style. Just because it worked for their child doesn't mean that it will work for yours. Stay consistent with your own strategies and routines. It will work better for you than anyone else's miracle fix.
2. Rushing Your Child It's a pretty accepted scientific fact that children simply don't have the muscles needed to hold their urine until they reach 18 months. Some children don't develop those muscles until 24 months or later. But even at that age, there's no guarantee that your child is ready to tackle potty training. There are mental skills that need to be developed as well and some children simply aren't ready for potty training until they are 3 or even 4 years old. Don't rush them, just wait for the signs that they are ready. (We'll talk more about these signs later in this book.) Don't rush into starting potty training, and don't try to rush through it either. This will be a multi-step process that could take three months or even longer. If you put too much pressure on your child, he or she may become nervous and start holding his or her stool, which can create health problems.
3. Punishing Your Child As I said, potty training can get very frustrating. Getting angry with your child for having an accident will only delay forward progress. If you punish your child for a natural setback,

they will associate potty training with punishment and become less interested and uncooperative. As difficult as it can be, you have to stay calm and patient while dealing with whatever messes arise throughout this process. With these three things in mind, we're now going to take a look at what can work while potty training your child. We will cover how to tell when your child is ready, tips and tricks from experienced parents, the differences between potty training boys and girls, common problems that arise, and 3-day potty training.

Handbook of Research on Global Institutional Roles for Inclusive Development Baporikar, Neeta, 2022-06-24 With the history of multilateral governance and the impact of the global pandemic, there is no doubt that we are at a transition between the system that marked the decades after the Second World War and a more extensive system of international governance that will characterize the world for the next generation. That system may keep the long-standing promise to serve the world's least advantaged, or it may serve to marginalize them further. For more than a century and a half, the most powerful national governments have created institutions of multilateral governance that promise to make a more inclusive world, a world serving women, working people, the colonized, the "backward," the destitute, and the despised. That promise and the real impact need deliberation and discussion. The *Handbook of Research on Global Institutional Roles for Inclusive Development* examines the concepts that have powerfully influenced development policy and, more broadly, examines the role of ideas in these institutions and how they have affected the current development discourse. It enhances the understanding of how these ideas travel within systems and how they are translated into policy, modified, distorted, or resisted. Covering topics such as ethical consumption, academic migration, and sustainable global capitalism, this book is an essential resource for government officials, activists, management, academicians, researchers,

students and educators of higher education, and educational administration and faculty.

Digital Technologies in the New Socio-Economic Reality
Svetlana Igorevna Ashmarina, Valentina Vyacheslavovna Mantulenko, 2021-11-16 This book contains contributions from the IX International Scientific Conference “Digital Transformation of the Economy: Challenges, Trends and New Opportunities,” which was organized by Samara State University of Economics (SSEU, Samara, Russia), 2021, and devoted to the 90th anniversary of this higher education institution. Digital technologies became even more in demand during the pandemic, when companies, state authorities, and educational organizations were forced to switch to a remote format of work. The “forced” digitization of the usual ways of activity required rapid and decisive changes. Understanding the ongoing digital transformation implies the relevance of further in-depth research of this issue in the context of various socioeconomic systems, interdisciplinary interactions, and cooperation between scientists and practitioners. The book is an attempt to analyze these changes and consider them from the point of view of various scientific areas (economics, management, education, law, sociology, and others). This book addresses theoretical and practical aspects by studying the digital technology application in terms of the new socioeconomic reality development: big data in the digital economy, data collection and exchange, artificial intelligence, intelligent communications, digital platforms and strategies for the sustainable development of socioeconomic systems, and new requirements of professional and business education. It provides significant value for scientists, teachers, and students of higher educational institutions.

The Culture of Samizdat Josephine von Zitzewitz, 2020-11-12 Winner of the 2022 CHOICE Outstanding Academic Titles Samizdat, the production and circulation of texts outside official channels, was an integral part of life in the final

decades of the Soviet Union. But as Josephine von Zitzewitz explains, while much is known about the texts themselves, little is available on the complex communities and cultures that existed around them due to their necessarily secretive, and sometimes dissident, nature. By analysing the behaviours of different actors involved in Samizdat – readers, typists, librarians and the editors of periodicals in 1970s Leningrad, *The Culture of Samizdat* fills this lacuna in Soviet history scholarship. Crucially, as well as providing new insight into Samizdat texts, the book makes use of oral and written testimonies to examine the role of Samizdat activists and employs an interdisciplinary theoretical approach drawing on both the sociology of reading and book history. In doing so, von Zitzewitz uncovers the importance of 'middlemen' for Samizdat culture. Diligently researched and engagingly written, this book will be of great value to scholars of Soviet cultural history and Russian literary studies alike.

The Collective Dimensions of Employment Relations

Tindara Addabbo, Edoardo Ales, Ylenia Curzi, Tommaso Fabbri, Olga Rymkevich, Iacopo Senatori, 2021-08-09 This edited volume explores the old and new “collective dimensions” of employment relations. It examines specific challenges stemming from new forms of work of the digital and sharing economy, such as measurement, monitoring, assessment, and remuneration of work, the protection of work-life balance, the impact of new technologies on health and safety, the adaptation of occupational skills to new work processes, and the responses to the digital restructuring of undertakings. It addresses a series of questions such as how the representational action of unions and works councils can adapt to the challenges posed by new production systems and whether the legislative framework needs to be reformed to ensure that digital workers enjoy the right to collective representation. This important collection offers readers a renewed theoretical perspective and justification of the role that the dialogue between workers (representatives) and companies

could play in an increasingly complex world of work.

Основы проектирования субмикронных микросхем

Анатолий Белоус, Виталий Солодуха, Г. Красников, 2021-03-30 В объеме 14 глав одной книги детально и последовательно рассмотрен весь комплекс взаимосвязанных теоретических и практических аспектов сквозного проектирования и организации производства кремниевых субмикронных микросхем: теоретические основы работы полевых и биполярных транзисторов, методы и особенности конструктивно-схематического проектирования, базовые схемотехнические и системотехнические решения биполярных, КМОП-, БиКМОП- и КНИ-микросхем, методы и средства повышения их радиационной стойкости, стандартные библиотеки проектирования и типовые маршруты проектирования. Впервые в отечественной научно-технической литературе здесь детально рассмотрены методы логического проектирования КМОП-микросхем с пониженным энергопотреблением, а также основные принципы и методы проектирования кибербезопасных микросхем и систем-на-кристалле. Детально рассмотрены современные методы и средства управления качеством изготовления субмикронных микросхем, современные технологии корпусирования микросхем, систем-на-кристалле и систем в корпусе. Отдельная глава посвящена анализу состояния и тенденций развития современной микроэлектроники, включая методологический анализ существующих проблем и новых угроз. Книга ориентирована на широкий круг читателей: студентов и преподавателей технических университетов, а также инженеров и менеджеров, специализирующихся в области разработки и организации производства субмикронных микросхем.

Сахароза Максим Березин, 2020-08-01 Сахароза занимает главенствующее положение среди простых углеводов, то есть, это самая распространенная пищевая добавка в те продукты,

где это требуется. Моя основная научная деятельность направлена на изучение влияние простых углеводов на организм человека, особенно сахарозы. Имеются множество исследований, которые подтверждают 100% вред сахарозы в избытке, а где-то даже в нормальных количествах. Моя цель, это просветить вас в этой теме, чтобы бы вы могли выбрать правильное решение.

Alıştırma Satranç Dersleri, Çıraklığa Başlıyorum,1 Ali Osman Muş , Satranca başlayan çocukların en küçük beş yaşında olduğunu varsayarak elinizdeki alıştırma kitabını hazırladık. Bu duruma göre yazımlama (notasyon) ve temel bilgilerin uygulamalı olarak birlikte verilmesi gerektiğini savunduk. Kitabı da bu düşünceye uygun hazırladık. Derste öğretmeni zaman zaman edilgen, öğrenciyi de etken hale getirerek satranç öğretmeyi daha uygun gördük. Esasında bu kitabın gerçek öğretmenlerinin “yaşları küçük ama ufukları büyük çocuklar” olan satranç öğrencileri olduğunu düşünüyoruz. Amacımız; engelli çocuklar dahil tüm çocuklara ulaşmaktır. Bu konuda çalışmalarımız sürmektedir. Bazı ifadeleri açarak veya öykülendirerek çocuklara öğretmek gerektiğini düşündük. Örneğin kitapta geçen “düşünme bereketi” ifadesi gibi. Çocuklar doğal olarak soracaktır; “Bereket nedir, öğretmenim?” diye. Çapraz hatları kavramanın ve zihinde canlandırmanın zor olduğundan hareketle çocuklara manevi bir güç vermenin gereği üzerinde durarak ürettiğimiz kavramdır; “düşünme bereketi”. Burada öğretmen öykülendirerek veya yaratıcı drama tekniğiyle çocuklara “bereket” sözcüğünün anlamını anlatıp satrancın bir düşünce sanatı olduğunu benimsetme yolunda ilk adımı atabilir. Çalışma kitabının “çocukların seviyesinin üzerinde” eleştirisini alacağını bekliyoruz. Ancak bu konuda biz şöyle düşünüyoruz: “Çocuk beyni” ile “yetişkin beyni” arasındaki fark “kavramların ve hafıza kapasitesinin azlığı/çokluğu” açısından bir kıyaslama kabul edebilir. Ancak “kavrama, algılama, idrak” açısından ise çocuklar büyüklerle yarışabilecek ve onları aşabilecek bir yetenek ve

marifete sahiptirler. Bu 40 yıllık eğitim-öğretim tecrübemizin bize kazandırdığı bir ilkedir. Bu yüzden “yazımlama ve cebirsel yazımlama” gibi zor ve itici bir konuyu daha ilk kitabın başına koyduk. Ancak bıktırmamak için de ısrarcı olmamayı ve arada sırada uygulama yapmayı kabul ediyoruz. Elinizdeki kitap bir müddet uygulandıktan sonra öğrencilerle karşılaştığımız eksiklikler incelenip geliştirilecektir. Bu alıştırma kitabı esas istikameti belirleyen bir ölçek olacaktır. Amacımız çocukları etkinleştirmek ve şemaları onların da yapmasını temin ederek çalışmalarını sağlamaktır. Öğretiminin birinci ve vazgeçilme kuralı “kuramsal öğretim” değil de “uygulamalı öğretim” olduğundan kuramsal öğrendiğini uzamsal ve icraatla öğrendiğiyle kıyasladığımızda daha az süre belleklerde muhafaza ettiğini biliyoruz. Diyagram yerine “sekizli çizge” ifadesini uygun gördük. Türkçemiz yabancı dillerin saldırısı altındadır. Bu saldırıyı savacak beyinler de bu ülkede mevcuttur. Sekizli çizge ifadesinin zamanla tutacağını umuyoruz. Herkes dünya şampiyonu, kent birincisi ve millî takım sporcusu olamayacağına göre Türkiye satrancına verilecek katkınızın ne olabileceğini düşününüz. Bir antrenör, bir hakem, bir satranç yazarı şıklarını hiçbir zaman unutmayınız. Bir uğraşı ve güzel bir hobi olarak ömür boyu sizi meşgul eden etkinlik olmasını umduğumuz satrancı sevmeniz beklentisi içindeyiz. Kiminiz iyi bir sporcu, kiminiz iyi bir antrenör, kiminiz de iyi bir hakem olabilir. Bu çok doğaldır. Önemli olan satrançtan kopmayan ve istikrarlı, uzun süreli bir hikâye yazmanızdır. Sadece sporun içindeki satranç değil yaşamın içindeki satranç diye düşünerek yola çıkmanızın daha doğru bir yöntem olduğunu düşünüyoruz. Kitabın son bölümünde ek bölüm gibi koyduğumuz maç yazımlama formlarının yıl içinde öğrencilerin birbirleriyle yaptıkları maçlar ile öğretmenleri ile topluca icra ettikleri maçları kaydetmesi anlamında yıl boyu sürecek bir lig mücadelesi gibi öğrenime heyecan katacağını düşünüyoruz.

Совершенствование территориально-отраслевых

механизмов управления доступностью высшего образования

Татьяна Блинова, 2023-02-01 В книге разработаны научно-методические положения и практические рекомендации по совершенствованию территориальных и отраслевых механизмов управления доступностью услуг высшего образования на примере Дальневосточного федерального округа, которые могут использоваться и в других макрорегионах России с учетом их специфики. Исследование основано на законодательных и нормативных правовых актах Российской Федерации в сфере управления услугами высшего образования, данных Федеральной службы государственной статистики, Единой межведомственной информационно-статистической системы, Единой информационной системы обеспечения деятельности Министерства образования и науки Российской Федерации. Издание предназначено для специалистов сферы управления высшим образованием, работников органов управления субъектов Федерации, ответственных за разработку и применение решений в сфере территориальных и отраслевых механизмов управления доступностью высшего образования, научных работников, исследующих проблемы управления доступностью высшего образования, руководителей и специалистов вузов при оценке уровня доступности оказываемых образовательных услуг.

Трансформация государственного сектора и эффективность его функционирования в национальной экономике

Максим Злотников, Светлана Демченко, Александра Ревкуц, Сергей Жиронкин, Ольга Демченко, 2021-07-06

Рассмотрены процессы трансформации государственного сектора, цели и задачи которых – рост доходов государства, сокращение государственных обязательств и расходов в отношении государственной собственности, повышение эффективности деятельности предприятий, привлечение частных инвестиционных ресурсов в развитие национальной экономики. Процессы трансформации государственного

сектора представлены в контексте эффективности и качества его функционирования в национальной экономике. Рекомендована широкому кругу научных работников и специалистов в области экономической теории, а также аспирантам и студентам экономических специальностей вузов.

Кетодиета 2.0. Почему мы толстеем? Как похудеть без мучений? Лора Кравиц, 2019-04-16 Американская писательница Мэри Френсис Кеннеди Фишер (M.F.K. Fisher) как-то сказала: «Мне кажется, что наши три основные потребности – еда, безопасность и любовь – настолько смешаны и переплетены, что мы не можем думать об одном, не думая о других». Кетодиета вначале применялась для лечения эпилепсии, сейчас кетодиета испытывает второе рождение. В числе ее поклонников такие знаменитости, как Ким и Кортни Кардашьян, Хелли Берри, Гвинет Пэлтроу, Меган Фокс. Вы найдете в книге факты, мнения, отзывы и подробные рекомендации, недельный базовый план для начинающих, который станет хорошим дополнением для начала вашего путешествия в новую жизнь.

**Decoding %D1%81%D0%B0%D0%BC%D1%8B%D1%85:
Revealing the Captivating Potential of Verbal Expression**

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**%D1%81%D0%B0%D0%BC%D1%8B%D1%85,**" a mesmerizing literary creation penned by a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In

this appraisal, we shall explore the book is central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

FAQs About %D1%81%D0%B0%D0%BC%D1%8B%D1%85 Books

What is a %D1%81%D0%B0%D0%BC%D1%8B%D1%85 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a %D1%81%D0%B0%D0%BC%D1%8B**

%D1%85 PDF?

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a %D1%81%D0%B0%D0%BC%D1%8B%D1%85 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text,

images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a**

PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a

PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing

restrictions, or
print restrictions.
Breaking these
restrictions might
require specific
software or tools,
which may or may
not be legal
depending on the
circumstances and
local laws.
