Helen McCloy

Through a Glass, Darkly Helen McCloy,2018-03 Gisela von Hohenems joins the teaching staff of an exclusive girls' school in upstate New York, where she befriends fellow newcomer Faustina Coyle. But a climate of fear surrounds Faustina, and after several strange incidents which defy rational explanation, she is forced to resign. Gisela asks her fiance, detective-psychologist Dr Basil Willing, to investigate. A puzzle in the supernatural tradition of John Dickson Carr, *Through a Glass, Darkly* is one of McCloy's most widely admired novels. US mystery writer Helen McCloy (1904-94) was the first woman to serve as president of Mystery Writers of America. In addition to her Basil Willing series of 13 novels, she wrote a further 16 mysteries. She is widely regarded as one of the best detective writers to have come out of the United States. Elegantly written and plotted, her stories are enjoyable as well as satisfying.

The Man in the Moonlight Helen Worrell Clarkson McCloy,2020-12-10 Set in WWII and filled with secrets and espionage, *The Man in the Moonlight* is the second book in Helen McCloy's Dr Basil Willing Mystery series. I take pleasure in informing you that you have been chosen as murderer for Group No 1. Please follow these instructions with as great exactness as possible. On his way to visit the dean at Yorkville University, Assistant Chief Inspector Foyle seems to stumble across a murder, or at least the plans for one. Chalking it all up to a gag (because real killers don't use the word 'murder'), Foyle is horrified to learn about the death of Dr Kinradi, a scientist at the campus. Though it looks like a suicide, Foyle isn't so sure, and Dr Basil Willing, psychologist and sleuth, is called in to aid the investigation. With motives and murder piling up, the pair must solve the case before more lives are put at risk. PRAISE FOR HELEN MCCLOY & THE MAN IN THE MOONLIGHT 'Top-drawer.' - Saturday Review of Literature 'For your must list.' - William Bochnel, New York World Telegram 'mixes psychiatry and sleuthing most admirably' - Jack Ketch, New York Herald Tribune 'even better than Helen McCloy's first mystery, *Dance of Death*' - Isaac Anderson, Times Book Review 'should place her definitely in the mystery hall of fame' - Will Cuppy, Herald Tribune 'Basil Willing deserves his place in the ranks of the great detectives.' - Barry Turner, Daily Mail 'She is in the very top rank' - Julian Symons, Sunday Times 'McCloy's talent transcends the generations' - Barry Turner, Daily Mail 'If we had a Pulitzer Prize for mysteries (and we should have) Helen McCloy would be a leading candidate.' - Will Cuppy, New York Herald Tribune 'The reader will want to hear more of Dr Willing's exploits.' - James Grey, New York Sun 'Miss McCloy compels you to read every word.' - Maurice Richardson, The Observer 'Miss McCloy is definitely the best butter' - The Spectator

The Deadly Truth Helen McCloy,2021
Cue for Murder Helen Mccloy,2021-12-16 Dr Basil Willing must separate the actors from the liars in the meta-narrative mystery. 'It's a world of make-believe - false names and false faces! How can I tell which one of these is playing a part?' On the New York stage, the scene is set for what appears to be the perfect murder. Within the first act of opening night, an actor is found dead during his scene, in full view of the audience and players. Even stranger, no one recognises the murdered man. But when all three suspects are trained in deception, figuring out which of them is the killer won't be easy... Enter Dr Basil Willing. With the help of Assistant Chief Inspector Foyle, the psychiatrist-sleuth must use his understanding of the human mind to get to the bottom of this case. And it seems a canary and a housefly might be the only clues he needs to crack the case... First published in 1942 this wartime msytery is perfect for fans of *Cards on the Table* by Agatha Christie, *Seeing is Believing* by John Dickson Carr, and *Enter a Murderer* by Ngaio Marsh.

The Literature of the United States Walter Blair,1943

The Enigmatic Realm of **%E2%9D%A4&sorty**: Unleashing the Language is Inner Magic
