Lalylala's Beetles, Bugs And Butterflies Lydia Tresselt, 2017-10-01 Hello bug lovers and crochet adventurers! Grab your research equipment (magnifying glass, flask of tea, crochet hook, scissors and yarn) and follow us into a world full of magic and science, a microcosm of tiny creatures and big dreams! In this book you will find not only a charming selection of crochet patterns to create scrabbling beetles, beautiful bugs and fluttering butterfly crochet amigurumi, but also a wonderful story to read out loud and ponder on: a tale about growing up; accepting change and the power of dreams. Watch tiny creatures hatching from their eggs, look on as they munch through a green world, and be astonished at their marvelous transformations when they finally slip out of their cocoons. The wings and hats are interchangeable so you can use the patterns in this book to create new outfits for your little insect friends. Give your caterpillar a new set of wings for every day of the week, or cover your beetle in the most colourful wing suits. Be inspired by nature to make creatures of your own creation. It's a great little world full of possibilities. We wish you lots of fun on your journey of discovery and learning!

Community Building and Early Public Relations Donnalyn Pompper, 2021 From the start, women were central to a century of westward migration in the U.S. *Community Building and Early Public Relations: Pioneer Women's Role on and after the Oregon Trail* offers a path forward in broadening PR's Caucasian/White male-gendered history in the U.S. Undergirded by humanist, communitarian, critical race theory, social constructionist perspectives, and a feminist communicology lens, this book analyzes U.S. pioneer women's lived

experiences, drawing parallels with PR's most basic functions--relationship building, networking, community building, boundary spanning, and advocacy. Using narrative analysis of diaries and reminiscences of women who travelled 2,000+ miles on the Oregon Trail in the mid-to-late 1800s, Pompper uncovers how these women filled roles of Caretaker/Advocate, Community Builder of Meeting Houses and Schools, served a Civilizing Function, offered Agency and Leadership, and provided Emotional Connection for Social Cohesion. Revealed also is an inevitable paradox as Caucasian/White pioneer women's interactional qualities made them complicit as colonizers forever altering indigenous peoples' way of life. This book will be of interest to undergraduate and graduate PR students, PR practitioners, and researchers of PR history and social identity intersectionalities. It encourages us to expand the definition of PR to include community building and to revise linear timeline and evolutionary models to accommodate voices of women and people of color prior to the 20th century--
