Timothy David Green

Let the Bloodbath Begin! Timothy David Green,2014-08-01 A collection of vampire comics created by Tim Green. Vinnie is a vampire trying to survive the afterlife in a town called Transylton. Sunny, his psychotic sister, is a constant pain in the neck. Vampa, his grandfather, is an old school vampire that longs for the days where food was hunted and not served in packaged blood boxes. Vinnie's mom is always just out of sight, but it doesn't stop her from ruling the house with a shout that can't be missed! Belfry, Vinnie's pet bat, adds to the mayhem with his crooked smile and out of control ego. Bob is the family's diligent guard dog, always ready to protect and to share his quirky observations.

Nevermore Squirrels Terrance M. Craft,2017-09-05 A very dark, a very strange, and a very funny story that is Nevermore Squirrels. It is a tale about two evil squirrels living in a town called Nevermore. They are a peculiar couple named Aval & Evel who are, interestingly enough, the last vampires in existence, but they are not entirely feared as monsters should be. Mortals today only see classic monsters as jokes and love interests compared to teen slashers and mad country cannibals. This drives the vampires on a mission to bring back the fear in the name of monsters

everywhere. This story is indeed different from all the rest. It will make you laugh, cry, and most likely feel disturbed. It has so much suspense, thrills and twists, that creatures practically die in almost every chapter! Well what can you expect, boys and girls, when you read the tale of Nevermore Squirrels?

When it comes to creating meals, Zac believes in a balance between healthy, fresh, local ingredients and exotic international dishes. In the same way

*If Anything Happens I Love You* Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most

importantly, in the fight toward human connection, love, and acceptance.
