Power, Conflict and Criminalisation Phil

Scruton,2007-10-22 A unique, accessible text that introduces a broad readership to critical research into 'crime', 'deviance' and conflict through contemporary, in-depth case studies. Tracing the authoritarian legacy of policing civil disturbances, harsh regimes of punishment, deaths in custody and prison protest, diverse issues such as the demonisation of children, the imprisonment of women and the 'war on terror' are explored and analysed.

Cultural Organizations, Networks and Mediators in Contemporary Ibero-America Diana Roig-Sanz,Jaume Subirana,2020-01-03 This book proposes an innovative conceptual framework to explore cultural organizations at a multilateral level and cultural mediators as key figures in cultural and institutionalization processes. Specifically, it analyzes the role of Ibero-American mediators in the

institutionalization of Hispanic and Lusophone cultures in the first half of the 20th century by means of two institutional networks: PEN (the non-governmental writer's association) and the International Institute of Intellectual Cooperation (predecessor to UNESCO). Attempting to combine cultural and global history, sociology, and literary studies, the book uses an analytical focus on intercultural networks and cultural transfer to investigate the multiple activities and roles that these mediators and cultural organizations set in motion. Literature has traditionally studied major figures and important centers of cultural production, but other regions and localities also played a crucial role in the development of intellectual cooperation. This book reappraises the place of Ibero-America in international cultural relations and retrieves the lost history of key secondary actors. The book will appeal to scholars from international relations, global and cultural history, sociology, postcolonial Studies, world and comparative literature, and New Hispanisms. The Open Access version of this book, available at <http://www.taylorfrancis.com/books/e/9780429299407>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.

Individual chapters are written on a wide variety of species covering all the major fruit crops in one volume. Also discussed are the most recent advances in genetic mapping and QTL (quantitative trait loci) analysis, marker assisted breeding, gene cloning,

gene expression analysis, regeneration and transformation. Patenting and licensing issues are also covered.

The Complete Book of 1960s Broadway Musicals Dan Dietz, 2014 In *The Complete Book of 1960s Broadway Musicals*, Dan Dietz examines every musical and revue that opened on Broadway during the 1960s. In addition to providing details on every hit and flop, Dietz includes revivals and one-man and one-woman shows that centered on stars like Jack Benny, Maurice Chevalier, Marlene Dietrich, Danny Kaye, Yves Montand, and Lena Horne. In addition to entries for each production, the book offers numerous appendixes: a discography, film and television versions, published scripts, Gilbert and Sullivan operettas, and lists of productions by the New York City Center Light Opera Company, the New York City Opera Company, and the Music Theatre of Lincoln Center.

Film Distribution Companies in Europe André Lange, Susan Newman-Baudais, Thierry Hugot, European Audiovisual Observatory, 2007 Key topics discussed include analysis of the film distribution sector in Europe, market overviews, key players, and market shares. Individual company profiles include contact details, strategies, European films distributed and admissions between 2000 and 2005, and financial situations. The Meaning of Mariah Carey Mariah

Carey,2020-09-29 The global icon, award-winning singer, songwriter, producer, actress, mother, daughter, sister, storyteller and artist finally tells the unfiltered story of her life in *The Meaning of Mariah Carey*. It took me a lifetime to have the courage and the clarity to write my memoir. I want to tell the story of the moments – the ups and downs, the triumphs and traumas, the debacles and the dreams – that contributed to the person I am today. Though there have been countless stories about me throughout my career and very public personal life, it's been impossible to communicate the complexities and depths of my experience in any single magazine article or a ten-minute television interview. And even then, my words were filtered through someone else's lens, largely satisfying someone else's assignment to define me. This book is composed of my memories, my mishaps, my struggles, my survival and my songs. Unfiltered. I went deep into my childhood and gave the scared little girl inside of me a big voice. I let the abandoned and ambitious adolescent have her say, and the betrayed and triumphant woman I became tell her side. Writing this memoir was incredibly hard, humbling and healing. My sincere hope is that you are moved to a new

understanding, not only about me, but also about the resilience of the human spirit. Love, Mariah
