**Youth, Identity, Power** Carlos Muñoz,1989 Youth, Identity, Power is a study of the origins and development of Chicano radicalism in America. Written by a leader of the Chicano Student Movement of the 1960s who also played a role in the creation of the wider Chicano Power Movement, this is the first fill-length work to appear on the subject. It fills an important gap in the history of political protest in the United States. The author places the Chicano movement in the wider context of the political development of Mexicans and their descendants in the US, tracing the emergence of Chicano student activists in the 1930s and their initial challenge to the dominant racial and class ideologies of the time. Munoz then documents the rise and fall of the Chicano Power Movement, situating the student protests of the sixties within the changing political scene of the time, and assessing the movement's contribution to the cultural development of the Chicano population as a whole. He concludes with an account of Chicano politics in the 1980s. Youth, Identity, Power was named an Outstanding Book on Human Rights in the United States by the Gustavus Myers Center in 1990.

In book two in this chapter book series, Kitty must recover the priceless Golden Tiger treasure after it's been stolen. With dramatic two-color art on every page and an emphasis on friendship, family, and building self-confidence, the Kitty books are the perfect choice for newly independent readers and fans of Rebecca Elliott's Owl Diaries. When a new exhibition arrives at the local museum, Kitty is excited to see its most prized artifact, the Golden Tiger. Sadly, her cat, Pumpkin, won't be able to see the Golden Tiger because pets aren't allowed to visit the galleries. That night, Kitty decides to use her catlike superpowers to sneak Pumpkin into the museum. When they arrive, it's just in time to see someone stealing the Golden Tiger statue! The museum's security cat, Cleo, is devastated that she let the bandit get away. But never fear! Kitty and Pumpkin are there to help Cleo track down the culprit and recover the statue before morning. Kitty and the Tiger Treasure is the second book in a chapter book series about Kitty and her superhero adventures. With an aspirational main character, a kindle of cats, striking two-color art on every page, and fun facts included at the end of each story, these chapter books are just right for newly independent readers.

The Palaeolithic Origins of Human Burial Paul Pettitt,2013-08-21 Humans are unique in that they expend considerable effort and ingenuity in disposing of the dead. Some of the recognisable ways we do this are visible in the Palaeolithic archaeology of the Ice Age. The Palaeolithic Origins of Human Burial takes a novel approach to the long-term development of human mortuary activity - the various ways we deal with the dead and with dead bodies. It is the first comprehensive survey of Palaeolithic mortuary activity in the English language. Observations in the modern world as to how chimpanzees behave towards their dead allow us to identify 'core' areas of behaviour towards the dead that probably have very deep evolutionary antiquity. From that point, the palaeontological and archaeological records of the Pliocene and Pleistocene are surveyed. The core chapters of the book survey the mortuary activities of early hominins, archaic members of the genus Homo, early Homo sapiens, the Neanderthals, the Early and Mid Upper Palaeolithic, and the Late Upper Palaeolithic world. Burial is a striking component of Palaeolithic mortuary activity, although existing examples are odd and this probably does not reflect what modern societies believe burial to be, and modern ways of thinking of the dead probably arose only at the very end of the Pleistocene. When did symbolic aspects of mortuary ritual evolve? When did the dead themselves

become symbols? In discussing such questions, *The Palaeolithic Origins of Human Burial* offers an engaging contribution to the debate on modern human origins. It is illustrated throughout, includes up-to-date examples from the Lower to Late Upper Palaeolithic, including information hitherto unpublished.

*The Story Blanket* Ferida Wolff,Harriet May Savitz,2020-10-06 A woman shares imaginative stories and gifts—all from her big, old story blanket—in this charmingly illustrated tale of community, friendship, and kindness. Babba Zarrah lives in a tiny village in the snow-covered mountains, and the children love to visit her. They settle down on her big, old story blanket and listen to her imaginative tales. One day, Babba Zarrah notices that Nikolai needs new socks, but she has no yarn. Every question has an answer, Babba Zarrah tells herself, I just have to find it. So after the children leave, she unravels part of her story blanket and knits him some nice warm socks. As villagers start receiving mysterious gifts to keep them warm, the story blanket gets smaller and smaller until the children have nothing to sit on at story time. When the villagers finally discover Babba Zarrah's secret, they decide to give her a surprise of her own. This heartwarming story from Ferida Wolff and Harriet May Savitz is a wonderful read-aloud experience, rich with themes of community, sharing, generosity, and kindness—with a touch of upcycling. Paired with Elena Odriozola's folk-tinged illustrations, this tale is one to read while cuddled up with the ones you love.
