Vivienne Westwood

Vivienne Westwood Moleskine,2015-07-01 Talented and audacious, with working-class origins, Westwood embodies, in the popular imagination, one of the iconic figures in the mythology of the western: the outlaw who has managed to give the sheriff the slip and earn honor and respect from the community. A rebel by chance rather than by choice, a conservative revolutionary in the tradition dating back to the suffragette movement, Dame Vivienne represents quintessential Britishness strongly rooted in culture.Although she is the queen of punk with a particular interest in philosophy and the painting of bygone days, a social activist and aesthete who loves to delve into the past, she constantly and inexplicably finds herself in the vanguard.In an account that starts from the creation of fifteen garments and accessories, this book pinpoints references to past times and art history, together with aesthetic and philosophical elements. After the ready-mades of the 1960s, in which she made use of mass-produced clothes, took them apart, cut them up and then mixed them together - reflecting the growing fusion between art and fashion - Westwood was able to indulge her intellectual curiosity with the help of books and pictures. She did not sketch her models on paper, but created them directly using the moulage technique on a small dressmaker's dummy or even herself, working around the figure, so that the final result was the modification of the body's shape, with radical structural alterations and asymmetric cuts.Fashion Unfolds is a collection of books which reveal the creative process of leading international figures in fashion design, giving an intimate look into the secret, multifaceted and fascinating world of past and contemporary fashion designers, like precious objects that reflect each designer philosophy. As well as hundreds of images each book includes unpublished interviews and essays by the industry's leading journalists. These books reveal the poetry of processes and precision that have led to the most unexpected creativity. They are materials for study, providing inspiration and awe.

Get a Life Vivienne Westwood,2016-10-13 Vivienne Westwood began Get A Life, her online diary, in 2010 with an impassioned post about Native American activist Leonard Peltier. Since then, she has written two or three entries each month, discussing her life in fashion and her involvement with art, politics and the environment. Reading Vivienne's thoughts, in her own words, is as fascinating and provocative as you would expect from Britain's punk dame - a woman who always says exactly what she believes. And what a life! One week, you might find Vivienne up the Amazon, highlighting tribal communities' struggles to maintain the rainforest; another might see her visiting Julian Assange in the Ecuadorian Embassy, or driving up to David Cameron's house in the Cotswolds in a full-on tank. Then again, Vivienne might be hanging out with her friend Pamela Anderson, or in India for Naomi Campbell's birthday party, or watching Black Sabbath in Hyde Park with Sharon Osbourne. The beauty of Vivienne Westwood's diary is that it is so fresh and unpredictable. In book form, generously illustrated with her own selection of images, it is irresistible.

Alice in Wonderland Lewis Carroll,2009-01-01 Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of literary nonsense has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

The Key to the Kingdom Tony Meeuwissen,2005-10-17 Transformation cards, or decks of playing cards in which conventional suit signs were transformed into fanciful designs, originated in 18th century Europe. The Key to the

Kingdom recreates this clever conceit with awe-inspiring flair and inventiveness. Our extraordinary book-plus, first published in 1992 (more than 70,000 copies sold) comprises a deck of richly illustrated transformation cards designed by award-winning artist and illustrator Tony Meeuwissen, plus an accompanying book of corresponding verses. Now the deluxe edition features an even more stunning package with new slipcase and book cover design. Both the book and the fabulously illustrated deck of cards draw on traditional nursery rhymes and riddles for inspiration. Meuwissen's luminous artwork is rich in visual and literary puns which tease the brain and delight the eye. This is truly a one-of-a-kind masterwork from a brilliant artist with an incredible imagination.

Patch Work Claire Wilcox,2021-05-27 WINNER OF THE 2021 PEN ACKERLEY PRIZE 'A strange and mesmerising piece of work' Sunday Times 'An absolute masterpiece' Laura Cumming 'An uncommon delight' Observer Claire Wilcox has been a curator of fashion at the Victoria and Albert Museum for most of her working life. In Patch Work, she turns her curator's eye to the fabric of life itself, tugging at the threads of memory: a cardigan worn by a child, a tin button box, the draping of a curtain, a pair of cycling shorts, a roll of lace, a pin hidden in a seam. Through these intimate and compelling close-ups, we see how the stories and the secrets of clothes measure out the passage of time, our gains and losses, and the way we use them to unravel and write our histories. 'Effervescent, poetic, puzzle-like ... Wilcox picks at the heartstrings' Financial Times
