David Weber, Timothy Zahn

Barbarians of Lemuria (Legendary Edition) Simon Washbourne, 2009-12-02 It is a savage age of sorcery and bloodshed, where strong men and beautiful women, warlords, priests, magicians and gladiators battle to carve a bloody path leading to the Throne of Lemuria. It is an age of heroic legends and valiant sagas too. And this is one of them... Barbarians of Lemuria; swords & sorcery roleplaying, inspired by Thongor, Conan, Brak and Elric. Barbarians of Lemuria has been acclaimed by many as one of the best roleplaying games of this genre. This 'Legendary' version features updates and extra goodies to give you much more swords & sorcery role playing goodness.

A Call to Duty David Weber, Timothy Zahn, 2014-09-16 Growing up, Travis Uriah Long yearned for order and discipline in his life . . . the two things his neglectful mother couldn't or wouldn't provide. So when Travis enlisted in the Royal Manticoran Navy, he thought he'd finally found the structure he'd always wanted so desperately. But life in the RMN isn't exactly what he expected. Boot camp is rough and frustrating; his first ship assignment lax and disorderly; and with the Star Kingdom of Manticore still recovering from a devastating plague, the Navy is possibly on the edge of budgetary extinction. The Star Kingdom is a minor nation among the worlds of the Diaspora, its closest neighbors weeks or months away, with little in the way of resources. With only modest interstellar trade, no foreign contacts to speak of, a plague-ravaged economy to rebuild, and no enemies looming at the hyper limit, there are factions in Parliament who want nothing more than to scrap the Navy and shift its resources and manpower elsewhere. But those factions are mistaken. The universe is not a safe place. Travis Long is about to find that out. At the publisher's request, this title is sold without DRM (Digital Rights Management). About A Call to Duty: A new series set in the universe of Webers popular heroine Honor Harrington gets off to a solid start. . . . Cowriters Zahn and Weber do an excellent job alluding to events known to longtime fans. . . .

[T]his astronautical adventure is filled with . . . intrigue and political drama. Publishers Weekly About the Honor Harrington series: Weber combines realistic, engaging characters with intelligent technological projection and a deep understanding of military bureaucracy in this long-awaited Honor Harrington novel—Fans of this venerable space opera will rejoice to see Honor back in action. Publishers Weekly . . . everything you could want in a heroine —. Excellent — plenty of action. Science Fiction Age Brilliant! Brilliant! Anne McCaffrey Compelling combat combined with engaging characters for a great space opera adventure. Locus Weber combines realistic, engaging characters with intelligent technological projection . . . Fans of this venerable space opera will rejoice . . . Publishers Weekly About Timothy Zahn: Zahn keeps the story moving at a breakneck pace, maintaining excitement. Publishers Weekly [Y]ou can count on Timothy Zahn for three things: clean, sparse prose; good pacing; and great action scenes. The first book in the Cobra War series hits all those marks in admirable style and makes for a quick, entertaining sci-fi novel. Blogcritics [Conqueror's Heritage] is another finely wrought space adventure . . . [with] social, political and emotional complications, all of which Zahn treats with his usual skill. Booklist Zahn paints every detail [in Angelmass] with gleamy realism . . . scientific dialogue that streams with starship hardware and military trooper talk . . . immensely appealing. Kirkus Review

Pirates of Barbary Adrian Tinniswood,2010-11-11

The stirring story of the seventeenth-century pirates of the Mediterranean-the forerunners of today's bandits of the seas-and how their conquests shaped the clash between Christianity and Islam. It's easy to think of piracy as a romantic way of life long gone-if not for today's frightening headlines of robbery and kidnapping on the high seas. Pirates have existed since the invention of commerce itself, but they reached the zenith of their power during the 1600s, when the Mediterranean was the crossroads of the world and pirates were the scourge of Europe and the glory of Islam. They attacked ships, enslaved crews, plundered cargoes, enraged governments, and swayed empires, wreaking havoc from Gibraltar to the Holy Land and beyond. Historian and author Adrian Tinniswood brings alive this dynamic chapter in history, where clashes between pirates of the

East-Tunis, Algiers, and Tripoli-and governments of the West-England, France, Spain, and Venice-grew increasingly intense and dangerous. In vivid detail, Tinniswood recounts the brutal struggles, glorious triumphs, and enduring personalities of the pirates of the Barbary Coast, and how their maneuverings between the Muslim empires and Christian Europe shed light on the religious and moral battles that still rage today. As Tinniswood notes in *Pirates of Barbary*, Pirates are history. In this fascinating and entertaining book, he reveals that the history of piracy is also the history that shaped our modern world.

Guernica by Picasso Eberhard Fisch,1988

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the

modern English historian Paul Harris.

Between God and Satan Helmut Thielicke, 2010
Jesus Christ came to us to suffer temptation, to suffer our fate with regard to God, and to become our brother. Let us go to him in the desert to see what he had to endure, and how he had to fight, so as thus to become our brother. Here we shall learn who we are and how it stands with this our world....The desert is our world; the tempter is our tempter; the forty days and nights are our time, and we are Jesus, for here he stands in our stead. Who are we then, O God, who are we?
