Faith and Fire James Swallow, 2006-03-28 Science fiction-roman.

Blood Angels: The Second Omnibus James Swallow, 2015-08-18 A classic Warhammer 40,000 villain attacks! Fabius Bile plots to bring the Blood Angels low using their most precious artefact - the blood of the primarch Sanguinius himself. The Blood Angels stand apart from the other Chapters of the Adeptus Astartes, descending from the skies on wings of flame. While they are renowned for their ten-thousand-year history of glorious battle and honourable deeds, these secretive Space Marines seek to hide the dark flaws at the core of their being - the Red Thirst and the Black Rage - from the rest of the Imperium. Do they fight any longer for the protection of mankind, or merely for their own salvation?

**Master of Sanctity** Gav Thorpe, 2014-07-08 More secrets of the Dark Angels are revealed as the Legacy of Caliban trilogy continues. The Legacy of Caliban echoes

down through the ages, and the secretive mission of the Dark Angels Space Marines continues. Interrogator-Chaplain Asmodai sees treachery and deceit everywhere he turns - while this serves him well in his hunt for the Fallen, it also strains the Chapter's relations with their Imperial allies. With their true quarry now seemingly within their grasp, Brothers Annael and Telemenus find themselves at the forefront of a new operation that could shake the Imperium itself to its very core.

**Ravenwing** Gav Thorpe, 2013-01-01 Upon steeds of adamantium and steel, the Ravenwing of the Dark Angels bring death to the foes of the Imperium in the first book in a new trilogy from acclaimed author Gav Thorpe. The Ravenwing stand apart from the rest of the Dark Angels Chapter - these dynamic Space Marines take to the battlefield upon steeds of adamantium and steel, and swoop from the skies in lightning-fast speeders to bring death to the foes of the Imperium. Led by the heroic Master Sammael, they prosecute war where their battle-brothers cannot, and are ever at the forefront of the Dark Angels' campaigns.

**Affective Health and Masculinities in South Africa** Hans Reihling, 2020-04-03 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is

conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

**Death and Defiance** ,2014 Words alone can no longer convey the horrors of the war that now grips the Imperium. In what should have been an age of enlightenment and glorious triumph, instead warriors on both sides reel from the twin agonies of betrayal and bloodshed. The hatred of a sworn foe, the ire of a primarch, or the unholy wrath of a daemon-lord - none but the mighty Space Marines can hope to weather such torments unscathed...

**Angels of Darkness** Gav Thorpe,2015-04-07 When Dark Angels Chaplain Boreas captures and interrogates one of the Fallen, the past collides with the future with tragic consequences. The Dark Angels Space Marines are amongst the most devout of the God-Emperor's servants. Their loyalty is seemingly beyond question and their faith almost fanatical.
