The Eye of Medusa David Guymer, 2017-11-14 The coldly methodical and unrelenting Iron Hands Space Marine Chapter clash with the cybernetic soldiers of the Adeptus Mechanicus over control of the world of Thennos. Ever since the dark days of the Great Heresy, the Iron Hands have a long and tortured history. Their years of suffering and war has left them hardened and believing in a brutal tenet: the flesh is weak. Heavily cybernetic, their flesh extensively altered, these warriors of the Imperium are more machine than man, cold in aspect as well as demeanour. Their methods of recruitment are harsh, their rituals arcane, their

pride unshakable. So when a world under the protection of the Chapter falls foul of insurrection, the Iron Hands answer with fire and cold retribution. It matters not that Thennos is considered sovereign territory by the Adeptus Mechanicus - the Iron Hands' campaign is one of extermination. But there is something dark lurking within Thennos, a horror that defies the purity of cold logic and the machine, and threatens something more, something ruinous...

The Tunnels of Cu Chi Tom Mangold, 2013-05-08 At the height of the Vietnam conflict, a complex system of secret underground tunnels sprawled from Cu Chi Province to the edge of Saigon. In these burrows, the Viet Cong cached their weapons, tended their wounded, and prepared to strike. They had only one enemy: U.S. soldiers small and wiry enough to maneuver through the guerrillas' narrow domain. The brave souls who descended into these hellholes were known as "tunnel rats." Armed with only pistols and K-bar knives, these men inched their way through the steamy darkness where any number of horrors could be awaiting them—bullets, booby traps, a tossed grenade. Using firsthand accounts from men and women on both sides who fought and killed in these underground battles, authors Tom Mangold and John Pencyate provide a gripping inside look at this fearsome combat. *The Tunnels of Cu Chi* is a war classic of unbearable tension and unforgettable heroes. Praise for *The Tunnels of Cu Chi* "A claustrophobic but fascinating tale."—*The Wall Street Journal* "Chilling . . . what war really was and how it was fought."—*The New York Times* "Gripping . . . highly

recommended.”–The Philadelphia Inquirer
“Remarkable.”–The Washington Post

Cult of the Spiral Dawn Peter Fehervari, 2018-03-20 Intrigue and horror abound in a tale of dark cults and the corrupting power of false faith. The galaxy is vast, and worship of the God-Emperor by His faithful takes many forms. The Spiral Dawn is one of the countless sanctioned sects of the Imperial cult. When a gathering of Spiralytes makes their holy pilgrimage to the

sect's home world, Redemption, instead of the haven of enlightenment they are expecting, they find a soot-choked hellhole where their order's founders and an unorthodox regiment of Astra Militarum maintain an uneasy coexistence. As tensions between the pilgrims and the superstitious Guardsmen mount, the new arrivals begin to unravel the dark secrets concealed at the heart of their faith...
