The Infinite and The Divine Robert Rath, 2021-07-20
Explore a story told across the millennia that delves deep into a pair of fascinating necron characters, their relationship and their plans for the galaxy. Before the being called the Emperor revealed Himself, before the rise of the aeldari, before the necrontyr traded their flesh for immortal metal, the world was born in violence. Even when they inhabited bodies of flesh, Trazyn the Infinite and Orikan the Diviner were polar opposites. Trazyn, a collector of historical oddities, presides over a gallery full of the most dangerous artefacts – and people – of the galactic past. Orikan, a chronomancer without peer, draws zodiacs that predict and manipulate the future. But when an artefact emerges that may hold the key to the necrons' next evolution, these two obsessives enter a multi-millennia game of cat and mouse that ends civilisations, reshapes timelines, and changes both forever. As riddles unwind and ancient secrets are revealed, the question remains: will their feud save the necron race or destroy it?

Servants of the Imperium Various,2019-08-20 Great value Warhammer 40,000 anthology from Black Library. The Imperium of Man has stood inviolate for 10,000 years. Its uncountable worlds are home to a vast array of servants who stand as the only bulwark against the encroaching darkness. From each of them it demands a high price: total servitude to the God-Emperor. Their hands forced by the opening of the Great Rift, these servants move to intercept the enemy and prevent loyal worlds falling. Shield Captain Cartovandis of the Adeptus Custodes must travel across the galaxy to uncover the truth behind a mysterious distress call from the world of Vorganthian. The righteous

warriors of Sister Superior Augusta wield their holy wrath as a sword, cleaving the stain of the heretic and the mutant from the planet Lautis. Meanwhile, the dogged soldiers of the Astra Militarum must face creatures of nightmare made real with little but their inner mettle to protect them on the world of Regallus. If any of these worlds should fall, the harrowing consequences will echo across the Imperium. In this collection are the novellas *Auric Gods*, *The Bloodied Rose* and *Steel Daemon*, by Nick Kyme, Danie Ware and Ian St. Martin.
