The Imperial Infantryman's Uplifting Primer - The Damocles Gulf Edition Matt Ralphs, 2008-01-08 Pocket book of the Imperial Guard styled in the form of an artefact of the 41st millennium. Contained within is a wealth of information describing tactics, combat, enemies, prayers and much more all couched in a tongue-in-cheek, pseudo-propagandist rhetoric. The book is filled with numerous sketches and diagrams to accompany the text. This second edition has additional sections on fighting in space and combating the alien Tau.

Imperial Munitorum Manual Graham McNeill, 2007-11-13 In the style of a military weapons catalogue, this text features over 60 entries on weapons, kit and equipment utilised by the Imperial Guard, as well as details about the organisation that provides it, the Departmento Munitorum.

Three Shadows Cyril Pedrosa, 2008-04-01 Can you ever escape your fate? Three shadows stand outside the house - and Louis and Lise know why the spectral figures are there. The shadows have come for Louis and Lise's son, and nothing anyone can do will stop them. Louis cannot let his son die without trying to prevent it, so the family embarks on a journey to the ends of the earth, fleeing death. Poignant and suspenseful, *Three Shadows* is a haunting story of love and grief, told in moving text and sweeping black and white artwork by Cyril Pedrosa.

A Call to Duty David Weber, Timothy Zahn, 2014-09-16 Growing up, Travis Uriah Long yearned for order and discipline in his life . . . the two things his neglectful mother couldn't or wouldn't provide. So when Travis enlisted in the Royal Manticoran Navy, he thought he'd finally found the structure he'd always wanted so desperately. But life in the RMN isn't exactly what he expected. Boot camp is rough and frustrating; his first ship assignment lax and disorderly; and with the Star Kingdom of Manticore still recovering from a devastating plague, the Navy is possibly on the edge of budgetary extinction. The Star Kingdom is a minor nation among the worlds of the Diaspora, its closest neighbors weeks or months away, with little in the way of resources. With only modest interstellar trade, no foreign contacts to speak of, a plague-ravaged economy to rebuild, and no enemies looming at the hyper limit, there are factions in Parliament who want nothing more than to scrap the Navy and shift its resources and manpower elsewhere. But those factions are mistaken. The universe is not a safe place. Travis Long is about to find that out. At the publisher's request, this title is sold without DRM (Digital Rights Management). About *A Call to Duty*: A new series set in the universe of Weber's popular heroine Honor Harrington gets off to a solid start. . . . Cowriters Zahn and Weber do an excellent job alluding to events known to longtime fans. . . . [T]his astronomical adventure is filled with . . . intrigue and political drama. Publishers Weekly About the Honor Harrington series: "Weber combines realistic, engaging characters with intelligent technological projection and a deep understanding of military bureaucracy in this long-awaited Honor Harrington novel." Fans of this venerable space opera will rejoice to see Honor back in action. Publishers Weekly " . . . everything you could want in a heroine." Excellent " plenty of action. Science Fiction Age "Brilliant! Brilliant! Brilliant!" Anne McCaffrey "Compelling combat combined with engaging characters for a great space opera adventure. Locus "Weber combines realistic, engaging characters with intelligent technological projection . . . Fans of this venerable space opera will rejoice . . . Publishers Weekly About Timothy Zahn: "Zahn keeps the story moving at a breakneck pace, maintaining excitement. Publishers Weekly [Y]ou can count on Timothy Zahn for three things: clean, sparse prose; good pacing; and great action scenes. The first book in the Cobra War series hits all those marks in admirable style and makes for a quick, entertaining sci-fi novel. Blogcritics "[Conqueror's Heritage] is another finely wrought space adventure . . . [with] social, political and emotional complications, all of which Zahn treats with his usual skill. Booklist "Zahn paints every detail [in *Angelmass*] with gleamy realism . . . scientific dialogue that streams with starship hardware and military trooper talk . . . immensely appealing. Medallion Status John Hodgman, 2019-10-15 "[An] affecting and hilarious meditation on fame and prestige as seen through the lens of an airline loyalty program." –The AV Club A hilarious and honest new book in which John Hodgman, New York Times bestselling author of *Vacationland*, leaves vacation behind and gets back to work as a still somewhat famous person . . . and then loses his job. An uproarious read. After spending most of his

twenties pursuing a career as a literary agent, John Hodgman decided to try his own hand at writing. Following an appearance to promote one of his books on The Daily Show, he was invited to return as a contributor. This led to an unexpected and, frankly, implausible career in front of the camera that has lasted to this very day, or at least until 2016. In these pages, Hodgman explores the strangeness of his career, speaking plainly of fame, especially at the weird, marginal level he enjoyed it. Through these stories you will learn many things that only John Hodgman knows, such as how to prepare for a nude scene with an oboe, or what it feels like to go to a Hollywood party and realize that you are not nearly as famous as the Property Brothers, or, for that matter, those two famous corgis from Instagram. And there are stories about how, when your television gig is canceled, you can console yourself with the fact that all of that travel that made your young son so sad at least left you with a prize: platinum medallion status with your airline. Both unflinchingly funny and deeply heartfelt, *Medallion Status* is a thoughtful examination of status, fame, and identity--and about the way we all deal with those moments when we realize we aren't platinum status anymore and will have to get comfortable in that middle seat again.

Tortured Cardboard Philip E. Orbanes, 2019-07-23 The term "tortured cardboard" sums up what happens to cardboard when making a board game (bound, cut, folded, punched). And, as you'll learn, great board games often reflect whatever "tortures" culture. Each gained immortality after a chaotic beginning and a chance survival. Why? Because--be it chess, backgammon, Clue®, Monopoly®, Scrabble®, Settlers of Catan®, or one of ten others featured in this book--each is replete with "lessons" applicable to achievement in your life. As the twenty-first century gathers momentum, our love affair with board games continues to strengthen. They involve us, they refine social skills, and they teach great lessons applicable in real life. "Tortuous" is the journey of every great board game, from birth in chaotic times, through survival by mere chance, to raging popularity and eventual immortality. *Tortured Cardboard* reveals how the great ones came to endure and--all fun aside--how each teaches us something about our own behavior while providing "rules" that can work in your life.

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves--in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

The End of Fun Jake Chapman, Dinos Chapman, Will Self, 2013 Introduced with an exclusive essay by Will Self placing the eponymous sculpture *The End of Fun* in both the context of the Chapman's oeuvre and historical interpretations of Hell, this book is a detailed examination of the work. Completed in 2012, it is the latest incarnation of the brothers' famous *Hell* (1999), which was consumed in the MOMART fire of 2004. Following on in both layout

and format from the book *Fucking Hell* (2008), *The End of Fun* consists of close-up photographs detailing the atrocities committed by the subjects of the work: thousands of miniature Nazis and skeletons, who seem to be engaged in an eternal battle across nine separate vitrines, arranged in the shape of a reverse swastika. Each dreadful scene is played out against a series of equally apocalyptic backdrops: a derelict factory; a concentration camp; a shattered church; an erupting volcano. Dark humour permeates: in one vitrine a still-smiling Ronald McDonald is being crucified; in another a dreadlocked Stephen Hawking grows marijuana; in yet another, seven separate Adolf Hitlers make distinctly 'degenerate' paintings of a nude, oblivious to the carnage raging around them.
