**Goodnight Dune** Julia Yu, 2021-09-16 In a great green room, tucked away in bed, a young bunny gazes upon the two remaining moons of Arrakis... This book is inspired by Frank Herbert's 1965 science fiction novel Dune. Many of the visual motifs come from the 1984 David Lynch movie adaptation of Dune, and drawn in the style of Margaret Wise Brown / Clement Hurd's classic children's book Goodnight Moon. Originally created in 2011, (finally) updated in 2021.

*Practical Finite Element Analysis* Nitin S. Gokhale, 2008 Highlights of the book: Discussion about all the fields of Computer Aided Engineering, Finite Element Analysis Sharing of worldwide experience by more than 10 working professionals Emphasis on Practical usage and minimum mathematics Simple language, more than 1000 colour images International quality printing on specially imported paper Why this book has been written ... FEA is gaining popularity day by day & is a sought after dream career for mechanical engineers. Enthusiastic engineers and managers who want to refresh or update the knowledge on FEA are encountered with volume of published books. Often professionals realize that they are not in touch with theoretical concepts as being pre-requisite and find it too mathematical and Hi-Fi. Many a times these books just end up being decoration in their book shelves ... All the authors of this book are from IITs & IISc and after joining the industry realized gap between university education and the practical FEA. Over the years they learned it via interaction with experts from international community, sharing experience with each other and hard route of trial & error method. The basic aim of this book is to share the knowledge & practices used in the industry with experienced and in particular beginners so as to reduce the learning curve & avoid reinvention of the cycle. Emphasis is on simple language, practical usage, minimum mathematics & no pre-requisites. All basic concepts of engineering are included as & where it is required. It is hoped that this book would be helpful to beginners, experienced users, managers, group leaders and as additional reading material for university courses.

**Leadership for a Better World** NCLP (National Clearinghouse for Leadership Programs), 2016-11-14 The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that The Social Change Model: Facilitating Leadership Development (978-1-119-24243-7) is intended

to be used as a Facilitator's Guide to Leadership for a Better World, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together. *Tsunami Girl* Julian Sedgwick,2021-03-04 Fifteen-year-old Yuki is struggling at school with her confidence, and goes to Japan to stay with her grandfather, a well-known manga artist and to whom she is very close. But during her visit, a calamitous event occurs - the East Coast Earthquake and Tsunami - and her beloved Grandpa is lost. Yuki and her friend Taka must make sense of the terrible situation and come to terms with the loss of their life as they knew it - and see that through renewal and with resilience, they can emerge from this tragedy with optimism for the future. Interwoven with Japanese folk tales, modern-day ghost stories, and the creation of her very own vibrant manga hero, Yuki finds the courage to overcome extraordinary odds, and take her first steps into the world that lies beyond catastrophe. Told through both prose and manga, this story for young adults will touch the heart of any reader.
