Henry Porter

**A Wicked Wench** Anne Herries,2004 Two down-at-heel aristocrats and sisters arrive in London in 1756 looking for husbands. One marries a gambling rogue whilst the other marries an older man. When the gambling rogue is thrown into the debtors' prison his wife is left to follow her own romantic notions to their inevitable conclusion.

**The Wench Is Wicked/Blonde Verdict/Delilah Was Deadly** Carter Brown,2017-10-30 Delilah was deadly: Lt. Al Wheeler investigates the murder of four people with ties to a prestigious fashion magazine.

**Wench** Dolen Perkins-Valdez,2011-01-25 wench \'wench\' n. from Middle English "wenschel," 1 a: a girl, maid, young woman; a female child. Situated in Ohio, a free territory before the Civil War, Tawawa House is an idyllic retreat for Southern white men who vacation there every summer with their enslaved black mistresses. It's their open secret. Lizzie, Reenie, and Sweet are regulars at the resort, building strong friendships over the years. But when Mawu, as fearless as she is assured, comes along and starts talking of running away, things change. To run is to leave everything behind, and for some it also means escaping from the emotional and psychological bonds that bind them to their masters. When a fire on the resort sets off a string of tragedies, the women of Tawawa House soon learn that triumph and dehumanization are inseparable and that love exists even in the most inhuman, brutal of circumstances— all while they bear witness to the end of an era. An engaging, page-turning, and wholly original novel, Wench explores, with an unflinching eye, the moral complexities of slavery.

**Pirates of the Caribbean: The Price of Freedom** A.C. Crispin,2011-05-17 Twenty-five-year-old Jack Sparrow is a clean-cut merchant seaman pursuing a legitimate career as a first mate for the East India Trading Company. He sometimes thinks back to his boyhood pirating days, but he doesn't miss Teague's scrutiny or the constant threat of the noose. Besides, he doesn't have much choice—he broke the Code when he freed a friend who had been accused of rogue piracy, and he can no longer show his face in Shipwreck Cove. When Jack's ship is attacked by pirates and his captain dies in the altercation, he suddenly finds himself in command.

Into The Blood Dini N. S. Shue,2019-08-09 When your life comes at the cost of your genetic code, Run. When science forgot to obey the code of 'Do No Harm', everything went wrong. A civil war that has been the result of madness has taken its toll on the world. The Resistance is all that stands between The Three Trades, or as they are now simply known as The Government, and the eugenic destruction of three cities and the countless lives within their borders. Those of too-much power and too-little conscience have created horror from curiosity, and there's no telling if this is the beginning or the end.

**Shakespeare's Premiere of the Merchant of Venice** David B. Schajer,William Shakespeare,2012-03 William Shakespeare's most problematic problem play is finally solved after 400 years. By presenting the play as it would have been originally performed by Shakespeare himself and his company of actors on a London stage in Elizabethan England, the play comes to life in an entirely new way, and we can finally understand what the play really means.

He's always wanted to get his hands on one of those, and even better, he's just met the handsome historian cataloging the library of the house across the way. Albert Singer thought the job of cataloguing a library on Champion Square would be congenial but boring, until he met the charming decorator renovating a nearby house. Just as things seemed to be going well between them, Colin is approached in the street by a blackmailer demanding he steal a necklace from the house or he'll "tell where you've been." Not wanting to get any of the other residents of Champion Square in trouble, Colin feels he must do as the blackmailer says, and do anything he can to keep Mr. Singer out of it, even if that means breaking his heart. a gay - M/M romance set in Regency England approx 75,000 words print version 282 pages

A Shocking Delight Jo Beverley, 2014-04-01 From New York Times bestselling author Jo Beverley comes a captivating Regency romance in which a lady must risk it all to win the heart of an infamous Earl... Lucinda Potter, daughter of a wealthy merchant, is more interested in trade than in the men after her dowry. When forced to have a London season, Lucy sets out to enjoy herself rather than to find a husband. But once she meets the notorious Earl of Wyvern, her resolve weakens, and when they kiss, it dissolves—even though her instincts warn he's dangerous. Wyvern has a dark secret, which means he must win a rich bride. Lucy seems ideal—not for her beauty and her lively charm, but because at first meeting she seems unlikely to realize the truth... As he comes to really know her with each intoxicating kiss, Wyvern realizes she's too clever and honest by far. Marrying Lucy would mean living a lie with the woman he has come to love.

**The League of Exotic Dancers** Kaitlyn Regehr, Matilda Temperley, 2017-04-04 Every year in downtown Las Vegas, often called Old Vegas, The Burlesque Hall of Fame reunion brings together members of the League of Exotic Dancers, one of the earliest unions for women in exotic entertainment, to perform their half-century-old routines. In this annual tradition, performers from the golden age of Vegas burlesque rally counter-culture neo-burlesque fans who both keep the tradition alive and add new meaning to it. Over the past four years, documentarian Kaitlyn Regehr and photographer Matilda Temperley have embedded themselves within this community—a group, which like Old Vegas itself, continues to survive and thrive sixty years past its supposed prime. Here, in a smoky, off-strip casino, they found women, at times well into their 80s, subversively bumping and grinding away preconceptions about appropriate behavior for a pensioner. This collection of interviews and photographs is drawn from the backstage dressing rooms, homes, and lives of this aging burlesque community, as well as the young neo-burlesque community who adore them. The authors present an inter-generational sisterhood that is both unique and socially significant. Through a range of experiences—from discussing struggles for wage equality, to helping stabilize an 85 year old as she steps into a sequined g-string—the authors describe the complexity of the lives of these performers and the burlesque history from which they come. Regehr and Temperley present multidimensional portraits of this community and conclude that they are at their most vital when read with all the nuances, troubles, trials, and triumphs that they formerly and currently experience.
