Girl Culture [2 volumes] Claudia Mitchell,Jacqueline Reid-Walsh,2007-12-30 Never before has so much popular culture been produced about what it means to be a girl in today's society. From the first appearance of Nancy Drew in 1930, to Seventeen magazine in 1944 to the emergence of Bratz dolls in 2001, girl culture has been increasingly linked to popular culture and an escalating of commodities directed towards girls of all ages. Editors Claudia A. Mitchell and Jacqueline Reid-Walsh investigate the increasingly complex relationships, struggles, obsessions, and idols of American tween and teen girls who are growing up faster today than ever before. From pre-school to high school and beyond, Girl Culture tackles numerous hot-button issues, including the recent barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness. Nothing is off-limits: body image, peer pressure, cliques, gangs, and plastic surgery are among the over 250 in-depth entries highlighted. Comprehensive in its coverage of the twenty and twenty-first century trendsetters, fashion, literature, film, in-group rituals and hot-button issues that shape—and are shaped by—girl culture, this two-volume resource offers a wealth of information to help students, educators, and interested readers better understand the ongoing interplay between girls and mainstream culture.

Woman First Mother Second Nicole Walker,

Girl Culture: Girl culture A to Z Claudia Mitchell,Jacqueline Reid-Walsh,2008 Investigates the increasingly complex relationships, struggles, obsessions, and idols of American tween and teen girls. From pre-school to high school and beyond, this work tackles many hot-button issues, including the barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness.

Women's Economic Empowerment Kate Grantham,Gillian Dowie,Arjan de Haan,2021-03-04 This book investigates the barriers to women’s economic empowerment in the Global South. Drawing on evidence from a wide range of countries, the book outlines important lessons and practical solutions for promoting gender equality. Despite global progress in closing gender gaps in education and health, women’s economic empowerment has lagged behind, with little evidence that economic growth promotes gender equality. International Development Research Centre’s (IDRC) Growth and Economic Opportunities for Women (GrOW) programme was set up to provide policy lessons, insights, and concrete solutions that could lead to advances in gender equality, particularly on the role of institutions and macroeconomic growth, barriers to labour market access for women, and the impact of women’s care responsibilities. This book showcases rigorous and multi-disciplinary research emerging from this ground-breaking programme, covering topics such as the school-to-work transition, child marriage, unpaid domestic work and childcare, labour market segregation, and the power of social and cultural norms that prevent women from fully participating in better paid sectors of the economy. With a range of rich case studies from Burkina Faso, Democratic Republic of the Congo, Ethiopia, Ghana, India, Kenya, Nepal, Rwanda, Sri Lanka, Tanzania, and Uganda, this book is perfect for students, researchers, practitioners, and policymakers working on women’s economic empowerment and gender equality in the Global South.

In Fashion: Culture, Commerce, Craft, and Identity ,2022-01-10 For the international cast of contributors to this volume being “in fashion” is about self-presentation; defining how fashion is presented in the visual, written, and performing arts; and about design, craft manufacturing, packaging, marketing, and archives.

Nature Girl Karen Whiting,Rebecca White,2014-03-11 Love God, Love the Planet As you become an expert in all things green, Nature Girl offers fun ways to care for God’s creations while enjoying the wonders of nature! With activities, recipes, science experiments, and much more, you can discover how to create recycled jewelry, plan a spa day with friends, make your own earth-friendly skin care products, or team up to clean a park or a neighbor’s yard. Each chapter covers different topics, like water, air, energy, and recycling, and includes crafts, Scripture, games, quizzes, interviews with experts, and quotes from real girls like you. From the itty-bitty flowers at your feet to the air high above your head, discover how you can make a difference for our planet.

Europe and Central Asia Economic Update, May 2018 World Bank,2018 With growth in Europe and Central Asia likely at its peak, this report addresses two questions. How well is the region prepared for an expected slowdown? How well has the economic upswing been used to adjust to the digital revolution? The report specifically focuses on cryptocurrency and blockchain activities in the region.

Nursing Theorists and Their Work - E-Book Martha Raile Alligood,2017-07-20 A classic text is back with fresh, comprehensive nursing theories, critiques, and philosophies. Nursing Theorists and Their Work, 9th Edition provides you with an in-depth look at 39 theorists of historical, international, and significant importance. This new edition has been updated with an improved writing style, added case studies, critical thinking activities, and in-depth objective critiques of nursing theories that help bridge the gap between theory and application. In addition, the six levels of abstraction (philosophy, conceptual models, grand theory, theory, middle-range theory, and future of nursing theory) are graphically depicted throughout the book to help you understand the context of the various theories. Each theorist chapter is written by a scholar specializing in that particular theorist’s work, often having worked closely with the theorists, to provide the most accurate and complete information possible. A case study at the end of each theorist chapter puts the theory into a larger perspective, demonstrating how it can be applied to practice. Critical Thinking Activities at the end of each theorist chapter help you process the theory presented and apply it to personal and hypothetical practice situations. Diagrams for theories help you visualize and better understand inherently abstract concepts. A Brief Summary in each theorist chapter helps you review for tests and confirm their comprehension. A Major Concepts & Definitions box included in each theorist chapter outlines the theory’s most significant ideas and clarifies content-specific vocabulary. Points for Further Study at the end of each chapter directs you to assets available for additional information. Quotes from the theorist make each complex theory more memorable. An extensive bibliography at the conclusion of each theorist chapter outlines numerous primary and secondary sources of information for further study. NEW! Improved writing style and increased use of subheadings make the narrative more concise, direct, and accessible. NEW! Updated research and findings incorporate new content along with more examples and clinical correlations. NEW! History of Nursing Science chapter emphasizes nursing science updates UNIQUE! Graphical depiction of the six levels of abstraction (philosophy, conceptual models, grand theory, theory, middle-range theory, and future of nursing theory) helps you to understand the context of the various theories.

Great Relationships and Sex Education Alice Hoyle,Ester McGeeney,2019-11-26 Great Relationships and Sex Education is an innovative and accessible guide for educators who work with young people to create and deliver Relationships and Sex Education (RSE) programmes. Developed by two leading experts in the field, it contains hundreds of creative activities and session ideas that can be used both by experienced RSE educators and those new to RSE. Drawing on best practice and up-to-date research from around the world, Great RSE provides fun, challenging and critical ways to address key contemporary issues and debates in RSE. Activity ideas are organised around key areas of learning in RSE: Relationships, Gender and Sexual Equality, Bodies, Sex and Sexual Health. There are activities on consent, pleasure, friendships, assertiveness, contraception, fertility and so much more. All activities are LGBT+ inclusive and designed to encourage critical thinking and consideration of how digital technologies play out in young people’s relationships and sexual lives. This book offers: Session ideas that can be adapted to support you to be creative and innovative in your approach and that allow you to respond to the needs of the young people that you work with. Learning aims,

time needed for delivery, suggested age groups to work with and instructions on how to deliver each activity, as well as helpful tips and key points for educators to consider in each chapter. Activities to help create safe and inclusive spaces for delivering RSE and involve young people in curriculum design. A chapter on ‘concluding the learning’ with ideas on how to involve young people in evaluating and reflecting on the curriculum and assessing their learning. A list of recommended resources, websites, online training courses and links providing further information about RSE. With over 200 activities to choose from, this book is an essential resource for teachers, school nurses, youth workers, sexual health practitioners and anyone delivering RSE to young people aged 11-25.

Stone Cold Magic - A FREE Fantasy Book Jayne Faith,2017-11-10

The Yellow Wallpaper Illustrated Charlotte Perkins Gilman,2021-05-29 The Yellow Wallpaper is a short story by American writer Charlotte Perkins Gilman, first published in January 1892 in The New England Magazine.

World Development Report 2006 Francisco H. G. Ferreira,Michael Walton,2005-01-01 Inequality of opportunity, both within and among nations, sustains extreme deprivation, results in wasted human potential and often weakens prospects for overall prosperity and economic growth, concludes the 2006 World Development Report. To correct this situation and reduce poverty more effectively, Equity and Development recommends ensuring more equitable access by the poor to health care, education, jobs, capital, and secure land rights, among others. It also calls for greater equality of access to political freedoms and political power, breaking down stereotyping and discrimination, and improving access by the poor to justice systems and infrastructure. To level the playing field among countries, and thereby reduce global inequities that hurt the poor in developing countries, the report calls for removal of trade barriers in rich countries, flexibility to allow greater in-migration of lower-skilled people from developing countries, and increased -- and more effective -- development assistance.

Working with Female Offenders Katherine van Wormer,2010-04-12 Praise for Working with Female Offenders Encyclopedic in scope and full of very relevant work drawn from the fields of biology, psychology, criminology, and corrections, this book is a must-read for those working with girl and women offenders. —Meda Chesney-Lind, Professor, Women's Studies University of Hawaii at Manoa In this timely and thoughtful book, van Wormer provides a gender-sensitive lens through which the reader can examine pathways to female criminality, a global perspective on female crime and punishment, and innovative treatment approaches. This book is a must-have for any student or professional who wishes to truly impact and empower the lives of female offenders. —David W. Springer, Associate Dean for Academic Affairs, School of Social Work The University of Texas at Austin This book is timely in light of promising developments that are taking place at every level of the criminal justice system. It is a must-read for policymakers, practitioners, academics, and students in criminal justice, social work, and other related fields. —Barbara E. Bloom, Professor, Criminology and Criminal Justice Studies Sonoma State University, California The first book to combine elements from the social work, counseling, and crimi- nology fields to create a framework tailored to working with female offenders Taking into account the special needs of girls and women within a system designed by men for male offenders, Working with Female Offenders offers counselors, correctional officers, lawyers, probation officers—in short, anyone who works in some capacity with female offenders—an evidence-based, gentler approach for working effectively and successfully with girls and women in trouble with the law. Working with Female Offenders provides coverage devoted to the nature of female crime and to the institutional settings in which much of the female-specific programming is designed to take place. This timely volume equips professionals with proven counseling strategies tailored to fit this population. Practical guidelines are included for case management interventions, teaching skills of communication and assertiveness, and anger and stress management for female offender populations, as well as: A strengths/empowerment/restorative framework for counseling women in crisis Narratives from personal interviews with female offenders and correctional counselors Discussion of controversial topics such as prison homosexuality, AIDS in prison, girls in gangs, and women on death row Examples of successful, innovative programs for female offenders from the United States and abroad Working with Female Offenders addresses the unique challenges of female offenders and those who treat them, and provides a much needed addition to the literature on innovative programming for female offenders.

Feminist Collections University of Wisconsin System. Women's Studies Librarian,University of Wisconsin System. Gender & Women's Studies Librarian,2005

Gendered Academic Citizenship Sevil Sümer,2020-09-29 This book proposes the framework of gendered academic citizenship to capture the multidimensional and complex dynamics of power relations and everyday practices in the contemporary context of academic capitalism. The book proposes an innovative definition of academic citizenship as involving three key components: membership, recognition and belonging. Based on new empirical data, it identifies four ideal-types of academic citizenship: full, limited, transitional citizenship and non-citizenship. The different chapters of the book provide comprehensive reviews of the relevant research literature and offer original insights into the patterns of gender inequalities and practices of gendered academic citizenship across and within different national contexts. The book concludes by setting a comprehensive research agenda for the future. This book will be of interest to academic researchers and students at all levels in the disciplines of sociology, gender studies, higher education, political science and cultural anthropology.

The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration Mary Scannell,2010-05-28 Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.
