All Things Paper Ann Martin, 2013-05-21 Make decorative, simple do-it-yourself projects with this friendly guide to paper crafting. You and your family will love to spend hours making beautiful paper art, jewelry, and decorations with All Things Paper. This easy paper crafts book comes with simple-to-follow instructions and detailed photos that show you how to create colorful and impressive art objects to display at home—many of which have practical uses. It is a great book for experienced paper craft hobbyists looking for new ideas or for new folders who want to learn paper crafts from experts. Projects in this papercrafting book include: Candle Luminaries Citrus Slice Coasters Mysterious Stationery Box Everyday Tote Bag Silver Orb Pendant Fine Paper Yarn Necklace Wedding Cake Card Perfect Journey Journal And many more... All the projects in this book are designed by noted paper crafters like Benjamin John Coleman, Patricia Zapata, and Richela Fabian Morgan. They have all been creating amazing objects with paper for many years. Whether you're a beginner or have been paper crafting for many years, you're bound to find something you'll love in All Things Paper. Soon you will be on your way to creating your own designs and paper art.

Papertoy Monsters Brian Castleforte, 2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and

curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

Mattie Edward C. Meyers, 2010 The story of Mattie Blaylock, Wyatt Earp's darkest secret, the truth about their relationship, and the famous lawman's lawless behavior. More than a complex and fascinating story.

Lady at the O.K. Corral Ann Kirschner, 2013-03-05 Lady at the O.K. Corral: The True Story of Josephine Marcus Earp by Ann Kirschner is the definitive biography of a Jewish girl from New York who won the heart of Wyatt Earp. For

nearly fifty years, she was the common-law wife of Wyatt Earp: hero of the O.K. Corral and the most famous lawman of the Old West. Yet Josephine Sarah Marcus Earp has nearly been erased from Western lore. In this fascinating biography, Ann Kirschner, author of the acclaimed *Sala's Gift*, brings Josephine out of the shadows of history to tell her tale: a spirited and colorful tale of ambition, adventure, self-invention, and devotion. Reflective of America itself, her story brings us from the post-Civil War years to World War II, and from New York to the Arizona Territory to old Hollywood. In *Lady at the O.K. Corral*, you'll learn how this aspiring actress and dancer—a flamboyant, curvaceous Jewish girl with a persistent New York accent—landed in Tombstone, Arizona, and sustained a lifelong partnership with Wyatt Earp, a man of uncommon charisma and complex heroism.

Dodge City Tom Clavin, 2017-02-28 The instant New York Times bestseller! Dodge City, Kansas, is a place of legend. The town that started as a small military site exploded with the coming of the railroad, cattle drives, eager miners, settlers, and various entrepreneurs passing through to populate the expanding West. Before long, Dodge City's streets were lined with saloons and brothels and its populace was thick with gunmen, horse thieves, and desperadoes of every sort. By the 1870s, Dodge City was known as the most violent and turbulent town in the West. Enter Wyatt Earp and Bat Masterson. Young and largely self-trained men, the lawmen led the effort that established frontier justice and the rule of law in the American West, and

did it in the wickedest place in the United States. When they moved on, Wyatt to Tombstone and Bat to Colorado, a tamed Dodge was left in the hands of Jim Masterson. But before long Wyatt and Bat, each having had a lawman brother killed, returned to that threatened western Kansas town to team up to restore order again in what became known as the Dodge City War before riding off into the sunset. #1 New York Times bestselling author Tom Clavin's Dodge City tells the true story of their friendship, romances, gunfights, and adventures, along with the remarkable cast of characters they encountered along the way (including Wild Bill Hickock, Jesse James, Doc Holliday, Buffalo Bill Cody, John Wesley Hardin, Billy the Kid, and Theodore Roosevelt) that has gone largely untold—lost in the haze of Hollywood films and western fiction, until now.

Mrs. Earp Sherry Monahan, 2013-12-03 When most people hear the name Earp, they think of Wyatt, Virgil, Morgan, and sometimes the lesser known James and Warren. They also had a half-brother named Newton, who lived a fairly quiet, uneventful life. While it's true these men made history on their own, they all had a Mrs. Earp behind them—some more than one. The Earp men, starting with the patriarch of the Earp clan, Nicholas Porter Earp, did not like being alone. Nicholas Earp was married three times, with his last marriage being at the age of 80 his bride being 53. Three of his sons would follow their father's lead and marry more than once. It's also possible these Earp brothers had additional brides or lovers that have yet to be discovered! One

could argue some of these women helped shape the future of the Earp brothers and may have even been the fuel behind some of the fires they encountered. This book collectively traces the lives of the women who shared the title of Mrs. Earp either by name or relationship. The name Earp has stirred up many a historical controversy over the years, from false photos to false accounts and so much more. With any history, there is bound to be controversy simply because it can be a jigsaw puzzle.

Murder in Tombstone Steven Lubet, 2004-09-10 This account of the court case that followed the gunfight at the OK Corral “will interest Wild West buffs as well as readers interested in legal history” (Publishers Weekly). The gunfight at the OK Corral lasted less than a minute—yet it became the basis for countless stories about the Wild West. At the time of the event, however, Wyatt Earp was not universally acclaimed as a hero. Among the people who knew him best in Tombstone, Arizona, many considered him a renegade and murderer. This book tells the nearly unknown story of the prosecution of Wyatt Earp, his brothers, and Doc Holiday following the famous gunfight. To the prosecutors, the Earps and Holiday were wanton killers. According to the defense, the Earps were steadfast heroes—willing to risk their lives on the mean streets of Tombstone for the sake of order. The case against the Earps, with its dueling narratives of brutality and justification, played out themes of betrayal, revenge, and even adultery. Attorney Thomas Fitch, one of the era’s finest advocates, ultimately managed, against considerable odds, to

save Earp from the gallows. But the case could easily have ended in a conviction—and Wyatt Earp would have been hanged or imprisoned instead of celebrated as an American icon. “This trial has everything: a family feud, famous outlaws and lawmen, politics, sex, and the most famous shootout in frontier history . . . Lubet’s accessible and highly original book will set a standard for scholarship in a field laden with folklore.” –Allen Barra, author of *Inventing Wyatt Earp*

Wild West Marshall Trimble, 2007-01-01 Marshall Trimble recounts the mystique surrounding the lives of the famous and not-so-famous and infamous gunfighters of the West.

Class Paul Fussell, 1992 This book describes the living-room artifacts, clothing styles, and intellectual proclivities of American classes from top to bottom.

Myth-0-Mania: Have a Hot Time, Hades! Kate McMullan, 2012-03 Think you know the real story behind the Greek myths? Think again. Most people only know what Zeus wants them to. But the truth is, Zeus is a total myth-o-maniac. Hades, King of the Underworld, is here to set the record straight on how he ended up as Ruler of the Underworld and Zeus became King of the Gods.

Papertoy Glowbots Brian Castleforte, 2016-08-23 Origami meets amazing creatures in a book of paper craft fun! Papertoy Glowbots introduces 46 robots that have the added cool factor of lighting up, whether using glow-in-the-dark stickers that come with the book or light sources like flashlights,

Christmas tree lights, and electric tea lights. The 46 die-cut paper robots are created by Brian Castleforte, author of Papertoy Monsters, along with the hottest papertoy designers from around the world. Meet the robots and read about their entertaining backstories in the front, then turn to the card stock section in the back to build them. The templates are die-cut and ready to pop out, fold, and glue. Bold, colorful graphics ensure the robots look as amazing in the daytime as they do with the lights off.

The Last Gunfight Jeff Guinn, 2012-05-15 A revisionist history of the Old West battle challenges popular depictions of such figures as the Earps and Doc Holliday, tracing the influence of a love triangle, renegade Apaches, and the citizens of Tombstone.

Wyatt Earp Speaks! Wyatt Earp, John Henry Holliday, 1998

My Omaha Obsession Miss Cassette, 2020-11 My Omaha Obsession takes the reader on an idiosyncratic tour through some of Omaha's neighborhoods, buildings, architecture, and people, celebrating the city's unusual history. Rather than covering the city's best-known sites, Miss Cassette is irresistibly drawn to strange little buildings and glorious large homes that don't exist anymore as well as to stories of Harkert's Holsum Hamburgers and the Twenties Club. Piecing together the records of buildings and homes and everything interesting that came after, Miss Cassette shares her observations of the property and its significance to Omaha. She scrutinizes land deeds, insurance maps, tax records, and old newspaper articles to uncover a

property's singular story. Through conversations with fellow detectives and history enthusiasts, she guides readers along her path of hunches, personal interests, mishaps, and more. As a longtime resident of Omaha, Miss Cassette is informed by memories of her youth combined with an enduring curiosity about the city's offbeat relics and remains. Part memoir and part research guide with a healthy dose of colorful wandering, *My Omaha Obsession* celebrates the historic built environment and searches for the people who shaped early Omaha.

The Ultimate Wild West Collection Charles River Charles River Editors, 2013-09-05 *Includes biographies of each famous Western icon. *Discusses the mysteries and legends of their famous lives and deaths. *Comprehensively covers legendary events like the Shootout at the OK Corral, and the murders of Wild Bill and Jesse James. *Includes a Bibliography on each person for further reading. Space may be the final frontier, but no frontier has ever captured the American imagination like the Wild West, which still evokes images of dusty cowboys, outlaws, gunfights, gamblers, and barroom brawls over 100 years after the West was settled. A constant fixture in American pop culture, the 19th century American West continues to be vividly and colorful portrayed not just as a place but as a state of mind. The spirit of adventure, the courage, the swagger, and even the hard drinking and violence have all come to capture what it meant to be an American at the time, and with so many interesting figures straddling both sides of the law,

morality has gone out the window. Colorful lawmen like Wyatt Earp and Wild Bill became known for meting out justice but also taking things into their own hands, while Doc Holliday and Calamity Jane have gone down in history as eccentric sidekicks. Outlaws like Jesse James, Billy the Kid, Butch Cassidy and the Sundance Kid remain just as well known, and they have been long associated with daring heists and conspiracies surrounding their deaths. And Buffalo Bill captured all of the sights and sounds in his famous Wild West show, bringing the West to life all over the world. Each Western icon forged their own enduring legacy, but many of them also knew each other. Wyatt Earp, the law enforcer, gambler, saloon keeper, and vigilante, forged an unlikely friendship with hot-tempered dentist turned gambler Doc Holliday that proved pivotal in some of the West's most legendary events. Wild Bill and Calamity Jane had one of the most legendary and mythologized relationships, with Jane claiming they were married and Wild Bill's friends claiming he could barely stand her. Wyatt Earp (1848-1929), the toughest and deadliest gunman of his day, symbolized the swagger, the heroism, and even the lawlessness of the West, notorious for being a law enforcer, gambler, saloon keeper, and vigilante. Then there was John Henry Doc Holliday (1851-1887), a dentist turned professional gambler who was widely recognized as one of the fastest draws in the West and one of its quirkiest figures. The only thing that might have been faster than the deadly gunman's draw was his violent temper, which was easily set off when Holliday was drunk, a frequent occurrence. By the

early 1880s, Holliday had been arrested nearly 20 times. And then there's Butch Cassidy and the Sundance Kid, the West's most famous outlaw duo, who will always be associated with each other despite the fact there's no indication that they had any particularly close friendship or relationship aside from being members of the same gang. The Ultimate Wild West Collection chronicles the lives, legends, myths, lies, and legacies of the West's most famous individuals, separating fact from fiction and analyzing how they have affected the past and the present. Along with pictures of important people, places, and events, bibliographies, and a Table of Contents, you will learn about these Western icons like never before.

The Calder Game Blue Balliett, 2012-12-01 This new mystery from bestselling author Blue Balliett is now available in After Words paperback! When Calder Pillay travels with his father to a remote village in England, he finds a mix of mazes and mystery . . . including an unexpected Alexander Calder sculpture in the town square. Calder is strangely drawn to the sculpture, while other people have less-than-friendly feelings towards it. Both the boy and the sculpture seem to be out of place . . . and then, on the same night, they disappear! Calder's friends Petra and Tommy must fly out to help his father find him. But this mystery has more twists and turns than a Calder mobile . . . with more at stake than first meets the eye.

Tombstone Tom Clavin, 2020-04-21 THE INSTANT NATIONAL BESTSELLER Tombstone is written in a distinctly American voice. —T.J. Stiles, The New York Times

"With a former newsman's nose for the truth, Clavin has sifted the facts, myths, and lies to produce what might be as accurate an account as we will ever get of the old West's most famous feud." –Associated Press The true story of the Earp brothers, Doc Holliday, and the famous Battle at the OK Corral, by the New York Times bestselling author of Dodge City and Wild Bill. On the afternoon of October 26, 1881, eight men clashed in what would be known as the most famous shootout in American frontier history. Thirty bullets were exchanged in thirty seconds, killing three men and wounding three others. The fight sprang forth from a tense, hot summer. Cattle rustlers had been terrorizing the back country of Mexico and selling the livestock they stole to corrupt ranchers. The Mexican government built forts along the border to try to thwart American outlaws, while Arizona citizens became increasingly agitated. Rustlers, who became known as the cow-boys, began to kill each other as well as innocent citizens. That October, tensions boiled over with Ike and Billy Clanton, Tom and Frank McLaury, and Billy Claiborne confronting the Tombstone marshal, Virgil Earp, and the suddenly deputized Wyatt and Morgan Earp and shotgun-toting Doc Holliday. Bestselling author Tom Clavin peers behind decades of legend surrounding the story of Tombstone to reveal the true story of the drama and violence that made it famous. Tombstone also digs deep into the vendetta ride that followed the tragic gunfight, when Wyatt and Warren Earp and Holliday went vigilante to track down the likes of Johnny Ringo, Curly Bill Brocius, and other cowboys

who had cowardly gunned down his brothers. That vendetta ride would make the myth of Wyatt Earp complete and punctuate the struggle for power in the American frontier's last boom town.

Doc Holliday Gary L. Roberts, 2011-05-12 You can't beat this story for drama. . . . An omnibus of everything ever known, spoken, or written about Doc Holliday. -Publishers Weekly An engagingly written, persuasively argued, solidly documented work of scholarship that will surely take its place in the literature of the Old West. -Booklist In *Doc Holliday: The Life and Legend*, the historian Gary Roberts takes aim at the most complex, perplexing, and paradoxical gunfighter of the Old West, drawing on more than twenty years of research-including new primary sources-in his quest to separate the life from the legend. Doc Holliday was a study in contrasts: the legendary gunslinger who made his living as a dentist; the emaciated consumptive whose very name struck fear in the hearts of his enemies; the degenerate gambler and alcoholic whose fierce loyalty to his friends compelled him, more than once, to risk his own life; and the sidekick whose near-mythic status rivals that of the West's greatest heroes. With lively details of Holliday's spirited exploits, his relationships with such Western icons as Wyatt Earp and Bat Masterson, and the gunfight at the O.K. Corral, this book sheds new light on one of the most mysterious figures of frontier history.

Song of the Trail Mabel Earp Cason, 2012 The story, by Mabel Earp Carson, tells how the sadness and laughter and frustration of the sheep trail taught

David to be responsible for his obligations and always to put his trust in the Good Shepherd. --Publisher description

Ten-Gallon Bart Susan Stevens Crummel, 2006 Ten-Gallon Bart, the sheriff of Dog City, has plans to retire . . . until he hears that Billy the Kid is headed to town. Billy is the roughest, toughest, gruffest goat in the country. If he reaches Dog City, he'll gobble up the whole town Ten-Gallon Bart must stop him. With the help of Miss Kitty and the other animals, he works up the courage to face the big bully. Dorothy Donohue's illustrations rendered in textured paper bring this Wild West story about unlikely heroes to a satisfying conclusion.

Custom Paper Toys Wild Urp.jpg Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such is the essence of the book **Custom Paper Toys Wild Urp.jpg**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall impact.

on readers.
