**Revelation** Scotty Smith, 2020-08-24 When the difficulties of life suggest that evil and chaos reign, we need to see that God occupies the throne in heaven and rules this world. In this fourteen-week study of Revelation, pastor and author Scotty Smith reminds us that in troubled times our hope is in our champion Savior who is with us and will one day make all things right.

**Gateways to the Soul** Serge Beddington-Behrens, 2020-07-07 A guide on how to live more soulfully and, in so doing, transform yourself and the planet • Explores the connections between healing your personal wounds and healing the planet • Explains how embracing unitive qualities such as love, friendship, joy, courage, forgiveness, and truth, as well as facing your Shadow sides and confronting world evil, enables you to move through important gateways leading to soul • Offers a variety of transpersonal exercises, meditations, and guided visualizations Humanity is in a great crisis of soul today, but there is also much good will around. As a species, we are challenged to start embracing a new story, one that enables us to be less greedy and materialistic and to espouse peace not war, kindness not cruelty, and heart as opposed to indifference. What we need is to bring more soul into the world. In this guide about engaging in inner work to bring change into the world, Dr. Serge Beddington-Behrens reveals how the healing of our personal wounds combined with the growing of our soul life leads us directly to the addressing of world problems. Sharing inspirational stories from his own personal journey of becoming a transpersonal psychotherapist, shaman, and activist, he shows you how, by transforming your inner world, you begin creating important positive ripples that reverberate around all areas of your outer one. The exercises and meditations he has devised will not only help you heal and become more fully human but also enable you to bring a very different kind of awareness--a sacred awareness--

into all areas of your everyday life. Not only will this enable you to experience more joy and meaning as you increasingly disconnect from the clutches of the system, but you will also find yourself opening your heart, reclaiming your personal power, bringing in new myths for humanity to live by, and gradually shifting away from being part of the problems in the world to becoming a core part of their solution.

*Promises in the Dark* Eric McLaughlin, 2019-10-14 When we walk closely with those who suffer and carry others' burdens, it's easy to feel shrouded over by the darkness. Through personal reflections and meditations on Scripture, Dr. Eric McLaughlin peels back the darkness to show a God of hope, who is sovereign over his broken creation.

*Pineapple Grenade* Tim Dorsey, 2012-01-24 "The undisputed king of the comic crime novel." —Providence Journal "I guarantee Dorsey will never win the Nobel Prize for Literature—he's far too funny." —Richmond Times-Dispatch "If you've never read Dorsey, you need to start...You won't be disappointed." —Miami Herald Gloriously unrepentant Florida serial killer Serge Storms is back—and he's finagled his way into becoming a secret agent in Miami—in another outrageous crime comedy from New York Times bestselling author, Tim Dorsey. In *Pineapple Grenade*, the incomparable Serge takes up spying for the president of a banana republic, and now Homeland Security wants to bring him down. It's always a wild ride when Dorsey's at the wheel, and with *Pineapple Grenade* he delivers his most explosively hilarious road trip to date.

**Notebooks: 1936-1947** Victor Serge, 2019-04-09 Available for the first time, Victor Serge's intimate account of the last decade of his life gives a vivid look into the Franco-Russian revolutionary's life, from his liberation from Stalin's Russia to his Mexico Years, when he wrote his greatest works. In 1936, Victor Serge—poet, novelist, and revolutionary—left the Soviet Union for

Paris, the rare opponent of Stalin to escape the Terror. In 1940, after the Nazis marched into Paris, Serge fled France for Mexico, where he would spend the rest of his life. His years in Mexico were marked by isolation, poverty, peril, and grief; his Notebooks, however, brim with resilience, curiosity, outrage, a passionate love of life, and superb writing. Serge paints haunting portraits of Osip Mandelstam, Stefan Zweig, and “the Old Man” Trotsky; argues with André Breton; and, awaiting his wife’s delayed arrival from Europe, writes her passionate love letters. He describes the sweep of the Mexican landscape, visits an erupting volcano, and immerses himself in the country’s history and culture. He looks back on his life and the fate of the Revolution. He broods on the course of the war and the world to come after. In the darkest of circumstances, he responds imaginatively, thinks critically, feels deeply, and finds reason to hope. Serge’s Notebooks were discovered in 2010 and appear here for the first time in their entirety in English. They are a message in a bottle from one of the great spirits, and great writers, of our shipwrecked time.

Men in Prison Victor Serge, 2014-04-01 “Everything in this book is fictional and everything is true,” wrote Victor Serge in the epigraph to *Men in Prison*. “I have attempted, through literary creation, to bring out the general meaning and human content of a personal experience.” The author of *Men in Prison* served five years in French penitentiaries (1912–1917) for the crime of “criminal association”—in fact for his courageous refusal to testify against his old comrades, the infamous “Tragic Bandits” of French anarchism. “While I was still in prison,” Serge later recalled, “fighting off tuberculosis, insanity, depression, the spiritual poverty of the men, the brutality of the regulations, I already saw one kind of justification of that infernal voyage in the possibility of describing it. Among the thousands who suffer and are crushed in prison—and how few men really know that prison!—I was perhaps the only one who could try one day to tell all... There is no novelist’s hero in this novel, unless that terrible

machine, prison, is its real hero. It is not about 'me,' about a few men, but about men, all men crushed in that dark corner of society." Ironically, Serge returned to writing upon his release from a GPU prison in Soviet Russia, where he was arrested as an anti-Stalinist subversive in 1928. He completed *Men in Prison* (and two other novels) in "semi-captivity" before he was rearrested and deported to the Gulag in 1933. Serge's classic prison novel has been compared to Dostoyevsky's *House of the Dead*, Koestler's *Spanish Testament*, Genet's *Miracle of the Rose*, and Solzhenitsyn's *One Day in the Life of Ivan Denisovich* both for its authenticity and its artistic achievement. This edition features a substantial new introduction by translator Richard Greeman, situating the work in Serge's life and times.

**Midnight in the Century** Victor Serge, 2014-12-16 In 1933, Victor Serge was arrested by Stalin's police, interrogated, and held in solitary confinement for more than eighty days. Released, he spent two years in exile in remote Orenburg. These experiences were the inspiration for *Midnight in the Century*, Serge's searching novel about revolutionaries living in the shadow of Stalin's betrayal of the revolution. Among the exiles gathered in the town of Chenor, or Black-Waters, are the granite-faced Old Bolshevik Ryzhik, stoic yet gentle Varvara, and Rodion, a young, self-educated worker who is trying to make sense of the world and history. They struggle in the unlikely company of Russian Orthodox Old Believers who are also suffering for their faith. Against unbelievable odds, the young Rodion will escape captivity and find a new life in the wild. Surviving the dark winter night of the soul, he rediscovers the only real, and most radical, form of resistance: hope.

Homo Sapiens Antonio Vélaz Montoya, 2013-08-20 The themes discussed in this book, translated to English by Australian Kieran Tapsell, form part of a revolutionary discipline known under the name of evolutionary psychology, a discipline that has become the most powerful tool discovered to date for man to understand

himself. Much of the knowledge revealed by human science is explained as a result of the evolutionary process, using as a premise the theory that the majority of modern man's desires, impulses, interests and inclinations, and mental faculties were designed by the evolutionary process of the species. This new focus allows us to synthesize a group of already established findings, coming from such diverse disciplines as genetics, evolution, ethology, anthropology, psychology, neurology and epistemology. In this way, it is possible to explain an important part of complex human behavior under one sole, unifying principle: the direct or indirect search for a greater reproductive efficacy. With this work, easily readable by the general public, the author completes a cycle of subjects that he had begun with *From the Big Bang to Homo Sapiens* (2004), a book published in Spanish by Villegas Editores.

**Disgraceland** Jake Brennan, 2019-10-01 From the creator of the popular rock 'n' roll true crime podcast, DISGRACELAND comes an off-kilter, hysterical, at times macabre book of stories from the highly entertaining underbelly of music history. You may know Jerry Lee Lewis married his thirteen-year-old cousin but did you know he shot his bass player in the chest with a shotgun or that a couple of his wives died under extremely mysterious circumstances? Or that Sam Cooke was shot dead in a seedy motel after barging into the manager's office naked to attack her? Maybe not. Would it change your view of him if you knew that, or would your love for his music triumph? Real rock stars do truly

insane thing and invite truly insane things to happen to them; murder, drug trafficking, rape, cannibalism and the occult. We allow this behavior. We are complicit because a rock star behaving badly is what's expected. It's baked into the cake. Deep down, way down, past all of our self-righteous notions of justice and right and wrong, when it comes down to it, we want our rock stars to be bad. We know the music industry is full of demons, ones that drove Elvis Presley, Phil Spector, Sid Vicious and that consumed the Norwegian Black Metal scene. We want to believe in the myths because they're so damn entertaining.

DISGRACELAND is a collection of the best of these stories about some of the music world's most beloved stars and their crimes. It will mix all-new, untold stories with expanded stories from the first two seasons of the Disgraceland podcast. Using figures we already recognize, DISGRACELAND shines a light into the dark corners of their fame revealing the fine line that separates heroes and villains as well as the danger Americans seek out in their news cycles, tabloids, reality shows and soap operas. At the center of this collection of stories is the ever-fascinating music industry--a glittery stage populated by gangsters, drug dealers, pimps, groupies with violence, scandal and pure unadulterated rock 'n' roll entertainment.

*Last Times* Victor Serge, 2022-08-23 A story of displacement and resistance during the early days of the Nazi occupation of France. *Last Times*, Victor Serge's epic novel of the fall of France, is based—like much of his fiction—on firsthand experience. The author was an eyewitness to the last days of Paris in June 1940 and joined the chaotic mass exodus south to the unoccupied zone on foot with nothing but his manuscripts. He found himself trapped in Marseille under the Vichy government, a persecuted, stateless Russian, and participated in the early French Resistance before escaping on the last ship to the Americas in 1941. Exiled in Mexico City, Serge poured his recent experience into a fast-moving, gripping novel aimed at an American audience. The book

begins in a near-deserted Paris abandoned by the government, the suburbs already noisy with gunfire. Serge's anti-fascist protagonists join the flood of refugees fleeing south on foot, in cars loaded with household goods, on bikes, pushing carts and prams under the strafing Stukas, and finally make their way to wartime Marseille. Last Times offers a vivid eyewitness account of the city's criminal underground and no less criminal Vichy authorities, of collaborators and of the growing resistance, of crowds of desperate refugees competing for the last visa and the last berth on the last—hoped-for—ship to the New World.

Florida Roadkill Tim Dorsey, 2009-10-13 Sunshine State trivia buff Serge A. Storms loves eliminating jerks and pests. His drug-addled partner Coleman loves cartoons. Hot stripper Sharon Rhodes loves cocaine, especially when purchased with rich dead men's money. On the other hand, there's Sean and David, who love fishing and are kind to animals -- and who are about to cross paths with a suitcase filled with \$5 million in stolen insurance money. Serge wants the suitcase. Sharon wants the suitcase. Coleman wants more drugs . . . and the suitcase. In the meantime, there's murder by gun, Space Shuttle, Barbie doll, and Levi's 501s. In other words, welcome to Tim Dorsey's Florida -- where nobody gets out unscathed and untanned!

*Conquered City* Victor Serge, 2011-01-11 1919-1920: St. Petersburg, city of the czars, has fallen to the Revolution. Camped out in the splendid palaces of the former regime, the city's new masters seek to cement their control, even as the counterrevolutionary White Army regroups. *Conquered City*, Victor Serge's most unrelenting narrative, is structured like a detective story, one in which the new political regime tracks down and eliminates its enemies—the spies, speculators, and traitors hidden among the mass of common people. *Conquered City* is about terror: the Red Terror and the White Terror. But mainly about the Red, the Communists who have dared to pick up the weapons of power—police, guns, jails, spies, treachery—in the

doomed gamble that by wielding them righteously, they can put an end to the need for terror, perhaps forever. Conquered City is their tragedy and testament.

Electric Barracuda Tim Dorsey, 2011-01-25 “Dorsey differs from writers such as Carl Hiassen, James Hall, and Elmore Leonard...These guys fire bullets. Dorsey makes sure his gun is filled with hollow-point.” —Sarasota Herald Tribune Readers who can’t get enough of lovable serial killer Serge A. Storms can rejoice. He’s back in *Electric Barracuda*—the latest outrageous romp through the Sunshine State by Tim Dorsey, master of the zany crime thriller. This time Serge is a fugitive running from the police, and murder and mayhem have never been more over-the-top hilarious. Tim Dorsey’s *Electric Barracuda* is not to be missed. The Miami Herald put it best: “Nobody, but nobody, writes like this guy.”

**Buzzing at the Sill** Peter Van Agtmael, 2016 *Buzzing at the Sill* is Peter van Agtmael's work about coming home from years of covering war in Iraq and Afghanistan and trying to understand his experiences and his country. A student of history at Yale during the September 11 attacks and the invasion of Iraq, his sheltered life was uprooted by the realisation that he needed to cover the wars. The work is a stew of reflections on war, memory, militarism, identity, race, class, family, surrealism and the landscape. It is both about the limitations of photography and an homage to its power.

Birth of Our Power Victor Serge, 1967

**The Case of Comrade Tulayev** Victor Serge, 2011-03-09 One cold Moscow night, Comrade Tulayev, a high government official, is shot dead on the street, and the search for the killer begins. In this panoramic vision of the Soviet Great Terror, the investigation leads all over the world, netting a whole series of suspects whose only connection is their innocence—at least of the crime of which they stand accused. But *The Case of Comrade Tulayev*,

unquestionably the finest work of fiction ever written about the Stalinist purges, is not just a story of a totalitarian state. Marked by the deep humanity and generous spirit of its author, the legendary anarchist and exile Victor Serge, it is also a classic twentieth-century tale of risk, adventure, and unexpected nobility to set beside Ernest Hemingway's *For Whom the Bell Tolls* and André Malraux's *Man's Fate*.
