7" Kara Becca Hillburn, 2014 Beneath an old porch. Up in a forgotten attic. In a dusty corner of a basement. Lilliputians are tiny people who occupy the in-between spaces of our world. Sometimes, if you're careful, you can catch a glimpse of one.7 Kara is a suburban fantasy comic aimed at young girls. Inspired by books such as *The Borrowers*, *The Littles*, and *Gulliver's Travels*, 7 Kara follows the adventures of the 11 year old Lilliputian Kara. Kara lives with her parents in an old doll house that's been hidden away in the back of a neglected shed. Isolated her entire life, she has few Lilliputian friends her own age, and even less experience with the outside world. Everything she knows has been learned first hand or has been taught to her by her parents.

Her life changes drastically when a human family moves into the house her family lives near. Will Kara make a new friend? Or is there something darker, possibly more dangerous in store for her? Kara is an ongoing watercolor children's comic written and illustrated by Becca Hillburn. Collected in this first volume are the first four chapters of the main comic, a bonus story featuring Kara, and a selection of concept art. Full color, 112 pages of content, 71 pages of comic.

Praise for Art2-D2's Guide to Folding and Doodling Once again, Angleberger's humor, which

presents itself in the text through characters from the series, in both human and origami form, connects with middle-grade readers. 'Art2' and the other 'Origami Yoda' books are the ultimate example of the by-a-fan/for-the-fans format, which succeeds if executed properly. This did he. --Florida Times-Union Excellent activity-book offshoot of Angleberger's bestselling Origami Yoda series... The banter and tongue-and-cheek humor of the previous books is present, along with encouragement. --Publishers Weekly The presentation's offbeat attitude, ingenuity, and wit, many libraries will want to stock this high interest book... --Booklist Fans (and nonfans, if there are any) of the Origami Yoda series (Abrams) and website will find new opportunities aplenty for foolery in this spinoff compendium of progressively challenging hands-on instructions for drawing, folding, and goofing around with (mostly) Star Wars characters. --School Library Journal
