**The Chinatown Death Cloud Peril** Paul Malmont,2007-06-05 Set in the colorful world of the 1930s and peopled with writers H.P. Lovecraft, L. **Original Grin** Ron English,2019-07-16 Through his highly subversive art Ron

English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

*Recentering Globalization* Koichi Iwabuchi, 2002-11-08 Globalization is usually thought of as the worldwide spread of Western—particularly American—popular culture. Yet if one nation stands out in the dissemination of pop culture in East and Southeast Asia, it is Japan. Pokémon, anime, pop music, television dramas such as Tokyo Love Story and Long Vacation—the export of Japanese media and culture is big business. In *Recentering Globalization*, Koichi Iwabuchi explores how Japanese popular culture circulates in Asia. He situates the rise of Japan's cultural power in light of decentering globalization processes and demonstrates how Japan's extensive

cultural interactions with the other parts of Asia complicate its sense of being in but above or similar but superior to the region. Iwabuchi has conducted extensive interviews with producers, promoters, and consumers of popular culture in Japan and East Asia. Drawing upon this research, he analyzes Japan's localizing strategy of repackaging Western pop culture for Asian consumption and the ways Japanese popular culture arouses regional cultural resonances. He considers how transnational cultural flows are experienced differently in various geographic areas by looking at bilateral cultural flows in East Asia. He shows how Japanese popular music and television dramas are promoted and understood in Taiwan, Hong Kong, and Singapore, and how Asian popular culture (especially Hong Kong's) is received in Japan. Rich in empirical detail and theoretical insight, *Recentering Globalization* is a significant contribution to thinking about cultural globalization and transnationalism, particularly in the context of East Asian cultural studies.

*Twelve Years a Slave* Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's

Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Yet within minutes of her world shattering, she meets a man with the power to piece it back together. After finishing his tour of duty in Iraq, Aiden Hale traded battlefields for boardrooms, becoming one of the most successful venture capitalists in the nation.
