**Craft: Volume 01** Carla Sinclair,2006-11-28 CRAFT is the first project-based magazine dedicated to the renaissance that is occurring within the world of crafts. Celebrating the DIY spirit, CRAFT's goal is to unite, inspire, inform and entertain a growing community of highly imaginative people who are transforming traditional art and crafts with unconventional, unexpected and even renegade techniques, materials and tools; resourceful spirits who undertake amazing crafting projects in their homes and communities. Volume 01, the premier issue, features 23 projects with a twist! Make a programmable LED shirt, turn dud shoes into great knitted boots, felt an iPod cocoon, embroider a skateboard, and much more.

**I Feel Jealous** Stephanie Finne,2021-06-15 In this book, readers will learn about jealousy and envy in themselves and others, how and why they feel it, how to best respond to it, and how to communicate these feelings. Social and emotional learning (SEL) concepts support growth mindset throughout, while Try This! and Grow with Goals activities at the end of the book further reinforce the content. Vibrant, full-color photos and carefully leveled text engage young readers as they learn more about states of mind, moods, and emotions. Also includes sidebars, a table of contents, glossary, index, and tips for educators and caregivers. I Feel Jealous is part of Jump!'s States of Mind series.

*White Pearl* Anchuli Felicia King,2022-11-08 It's just a fun ad. Now the whole world is going crazy. In Singapore, Clearday(TM) has developed from a small startup into a leading international cosmetic brand in less than a year. But when a draft of the company's latest skin cream advert is leaked, the

video goes viral globally for all the wrong reasons. YouTube views are in the thousands and keep climbing; anger is building on social media; and journalists are starting to cover the story. This is an international PR nightmare; the company cannot be seen to be racist, they've got to get it taken down before America wakes up.

**Practical Finite Element Analysis** Nitin S. Gokhale,2008 Highlights of the book: Discussion about all the fields of Computer Aided Engineering, Finite Element Analysis Sharing of worldwide experience by more than 10 working professionals Emphasis on Practical usage and minimum mathematics Simple language, more than 1000 colour images International quality printing on specially imported paper Why this book has been written ... FEA is gaining popularity day by day & is a sought after dream career for mechanical engineers. Enthusiastic engineers and managers who want to refresh or update the knowledge on FEA are encountered with volume of published books. Often professionals realize that they are not in touch with theoretical concepts as being pre-requisite and find it too mathematical and Hi-Fi. Many a times these books just end up being decoration in their book shelves ... All the authors of this book are from IITs & IISc and after joining the industry realized gap between university education and the practical FEA. Over the years they learned it via interaction with experts from international community, sharing experience with each other and hard route of trial & error method. The basic aim of this book is to share the knowledge & practices used in the industry with experienced and in particular beginners so as

to reduce the learning curve & avoid reinvention of the cycle. Emphasis is on simple language, practical usage, minimum mathematics & no pre-requisites. All basic concepts of engineering are included as & where it is required. It is hoped that this book would be helpful to beginners, experienced users, managers, group leaders and as additional reading material for university courses.

**Leadership for a Better World** NCLP (National Clearinghouse for Leadership Programs), 2016-11-14 The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as a approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and

continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that The Social Change Model: Facilitating Leadership Development (978-1-119-24243-7) is intended to be used as a Facilitator's Guide to Leadership for a Better World, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together.
