Citizen 13660, 1983 Mine Okubo was one of 110,000 people of Japanese descent--nearly two-thirds of them American citizens -- who were rounded up into protective custody shortly after Pearl Harbor. *Citizen 13660*, her memoir of life in relocation centers in California and Utah, was first published in 1946, then reissued by University of Washington Press in 1983 with a new Preface by the author. With 197 pen-and-ink illustrations, and poignantly written text, the book has been a perennial bestseller, and is used in college and university courses across the country. [Mine Okubo] took her months of life in the concentration camp and made it the material for this amusing, heart-breaking book. . . . The moral is never expressed, but the wry pictures and the scanty words make the reader laugh -- and if he is an American too -- blush. -- Pearl Buck Read more about Mine Okubo in the 2008 UW Press book, *Mine Okubo: Following Her Own Road*, edited by Greg Robinson and Elena Tajima Creef. <http://www.washington.edu/uwpress/search/books/ROBMIN.html>

Maneki Neko Susan Lendroth, 2016-02-15 The Japanese legend of Maneki Neko, the beckoning cat, who is a symbol of good luck and good fortune in many Asian countries. In a small Japanese village, a poor monk and his cat Tama live a simple life at the Kotoku Monastery. One day, a great storm passes through the village, and Tama is caught in the rain outside the temple. She waits under the eaves of a small shrine, cleaning her face and whiskers as best she can with her paw. A noble samurai is also passing through, and stops his horse under the cover of a large tree. But through the

rain, what does he see? A cat with a raised paw, beckoning him forward? Curious, the samurai urges his horse forward. Just then, a bolt of lightning flashes and strikes the tree behind him, splitting it in two. The beckoning cat has saved his life. In his gratitude, the samurai brings riches to the small temple and the monk, who shares his wealth with the village. So goes the Japanese legend of Maneki Neko, the beckoning cat. And to this day, the cat with raised paw beckoning guests is a symbol of good luck and good fortune in many Asian countries.

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Love Is Powerful Heather Dean Brewer,2020-09-08 A little girl carries a big message—and finds it thrillingly amplified by the rallying crowd around her—in an empowering story for the youngest of activists. Mari raised her sign for everyone to see. Even though she was small and the crowd was very big, and she didn't think anyone would hear, she yelled out. Mari is getting ready to make a sign with crayon as the streets below her fill up with people. "What are we making, Mama?" she asks. "A message for the world," Mama says. "How will the whole world hear?" Mari wonders. "They'll hear," says Mama, "because love is powerful." Inspired by a girl who participated in the January 2017 Women's March in New York City, Heather Dean Brewer's simple and uplifting story, delightfully illustrated by LeUyen Pham, is a reminder of what young people can do to promote change and equality at a time when our country is divided by politics, race, gender, and religion.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
